Beaverton, Oregon—"I take great pleasure in stating what Dr. Pierce's Anuric Tablets have done for me in a very severe case of bladder and kidney trouble. For ten years I was distressed about every thirty minutes. I doctored and doctored but no relief. My last doctor bill was \$175.00, and I was no better. I went back to my old home and my folks wanted me to give Dr. Pierce's Anuric Tablets a trial so I did and I also took the Golden Medical Discovery with them to work on my liver. Now I can walk, ride, go to town and go for five or six hours without being distressed. I can not praise the Anuric Tablets too much for they are wonderful for the kidneys." What God Says about - His Son

"This is my beloved Son in whom I am well pleased."

God never said that of any but one man, and he says it about that one man today. And if we want to get on friendly terms with God we would better cultivate the acquaintance of the one man who everlastingly pleased Him when He stood on this earth.

Do you think the eternal God is going to have anything to do with you if you give the cold shoulder to His Son—the only man who ever lived that fully pleased Him? Do you think you will stand anywhere at court if you discredit Jesus Christ, who, after He has pleased His Father for thirty-three years, humiliated Himself by death on the cross, bearing your sins that you might go free? Do you think that you will get by with God if you continue to insult Him by failing to credit the fact of that well beloved Son's death and resurrection, when it was all done for you?

Have a care, man, the wrath of God is beyond description, and He will not forever brook insult to His well beloved Son, beyond a certain point in your history and, speaking generally, beyond a certain point which He has determined for the whole world.

"Kiss the Son lest He be angry and ye perish from the way when His wrath is kindled but a little." *Matt. 17:5.

CHURCHES

First Baptist Church, corner of Lane and Rose; H. L. Caldwell, minister. 9:45 a. m., church school; O. P. Coslow, superintendent. A splendid winter is being maintained this school. It is never too late to register as a new student, whether you be old or young. A teacher training class is being organized soon. Miss Margaret Page will be the teacher. 11 a. m., morning worship; message by the pastor. The theme will be "Why a Baptist." This message is especially for the new people coming into the church. Older members will find it interesting. Friends of the church will find the treatment of the subject kind, fair and thoughtful. The public is cordially welcome. 3 p. m., junior B. Y. P. U., for all children between seven and fifteen years of age. Misses Ulen and Enright in charge. A good place for your children. 6:30 p. m., senior B. Y. P. U.; Andy Caraway, president. All young people are invited. 7:30 p. m., evening worship. Message by the pastor. Good music. An invitation to all.

International Bible Students, 533 West First street, at 10:30 Sunday morning. For several weeks past the class has been studying the subject of spiritual and human natures, separate and distinct, and we have seen that the human nature is a likeness of the spiritual (Gen. 5:1). For instance, God has a will, so have his intelligent creatures—angels and men. The character of the mental operations of each is the same, with the same data for reasoning and under similar conditions, these different natures are able to arrive at the same conclusions. The human nature is a perfect earthly image of the spiritual nature, having the same faculties, but confined to the earthly sphere, and with ability and disposition to discern only so much beyond it as God sees fit to reveal for man's benefit and happiness. The lecturer, "The New World Begun: Millions Now Living Will Never Die," delivered at Moose hall last night by B. H. Boyd of Brooklyn, N. Y., was well attended, thus showing that many are seeking to prove that Christ is taking unto Himself His great power and beginning his reign.

M. E. Church South, Main and Lane; J. B. Needham, pastor. The Sunday school will meet at 9:45; W. L. Cobb, superintendent. You should arrange to be present on time. There is nothing better for both old and young than the study of God's Word on Sunday morning. Rev. J. C. Jones, the presiding elder of the Portland district, will preach at 11 a. m. and 7:30 p. m. The Epworth league will meet at 6:30. There will be good music at each service.

First Methodist Church, South Main street at Lane; W. S. Gordon, pastor. "Why Was I Born?" Have you ever asked yourself that question? Sometimes, perhaps you have even wondered you had never been born. This question, the reason for our existence, will be the subject Sunday morning at 11 o'clock. See the gospel of John, 18:37. The evening topic will be the one postponed from last week, "The Law, Its Meaning and Majesty." The question box will be opened and a question will be answered which was recently discussed in the Daily Oregonian: "Should I obey a law in which I do not believe?" The chorus choir will furnish attractive music at each service. In addition to the other good voices, Professor Johnson's baritone solos are being greatly appreciated. The Junior league meets at 3 and the Epworth league at 6:30, with Emory Cole president. Wednesday evening is church night, with supper at 6, followed by a full evening program. Bring grandpa and the children.

MOTHER-FATHER.
