

THINGS DON'T JUST HAPPEN

We haven't "just happened" to get the high price four times in succession for your turkeys. A large lot, well graded and packed, is always attractive to cash buyers. Every good turkey in the pool makes it that much more attractive—and every turkey outside the pool helps keep down the price.

Save your thin birds to sell in February, and bring the others to J. M. Cornutt, Riddle; T. M. Tomlinson, Myrtle Creek; C. S. Henning, Wilbur; R. W. Davis, Yoncalla N. D. Cool, Drain; Bert Adams, Elkton. (Friday)

Red Cross Drive Starting Saturday

By C. S. HEINLINE
The Red Cross drive for Roseburg starts Saturday the 16th. The County is thoroughly organized and people are working in their districts making their return, but the amounts received show a marked change from the preceding year. It is necessary that Roseburg raise its full quota if the poor of this city and county is to be given any attention. Neither lodges, churches or County Court can do the work of the Red Cross, and it is better to renew your annual membership that to be continually importuned for each case as it presents itself.

A group of boy scout members have agreed to canvas Roseburg Saturday, and these boys will have an official arm band and receipt cards, and we ask that you give them your dollar and accept your card of membership in this World-wide organization.

The Astoria disaster, which came very near home, received immediate assistance from the Red Cross Chapters thruout the State and National Headquarters. This assistance would not be possible if you had not joined the Red Cross last year.

Remember the scout obligation. "One good turn a day" and do your good turn toward the other fellow and meet these boys with a dollar and a smile, and close the Red Cross Canvas up in one afternoon.

LEO RAPP IN PORTLAND

Leo D. Rapp, local Durant agent, is in Portland attending the Star automobile show being held there. The new Star car being put out by the Durant company is attracting a great deal of attention and is in big demand. The factory is producing the cars in only limited numbers and as yet the agents have been unable to procure only a few of them. A public demonstration is being made in Portland and a number of people are attending. The local Durant agency expects to have Star cars on hand about the first of the year. Mr. Rapp on his return will drive back a Durant Sedan.
