HIGH SCHOOL WINS FROM GUARD TEAM

In a hard fought and close game of basket ball at the high school gymnasium last night, the National school team defeated the 26 Guard company team by a score of 26 to 15.

The guard team was somewhat crippled due to the fact that Wally Rapp, star forward, was unable to play. Rapp is entering high school in the mid-semester and has been practicing with the high school team.

However, the game was a good one from every angle and both teams displayed more than ordinary ability. It was clean and fast in every way and was a pleasing exhibition.
