Statement From Mr. Harth: Our business has grown to such an extent that we feel the need of more room—more floor space—and in order to keep pace with the fast growth of Roseburg and Douglas County, and in order to meet the demand for good quality clothing, furnishings, shoes, hats, etc., at popular prices we have decided to open up our basement as a salesroom about February 15th, which will be known as Harth's Toggery Economy Basement. This will double our present floor space, enlarge our capacity, and enable us to supply

the mechanic, farmer and laborer standard possible prices consistent with good honest merchandise. Two Good Reasons for This Sale: FIRST: our entire stock without a single reservation. Every article will be sacrificed
