

Guarantee Buick Performance

Buick authorized service guards Buick owners everywhere against less-than-standard Buick performance.

It maintains the fine qualities of dependability—the enduring and uniform transportation that is built into every Buick, by providing a genuine part to replace the original part whenever accident forces the need.

Genuine Buick factory-made parts alone can guarantee a continuance of Buick performance.

Great Stuff! Say The Lily-Handed, On First Meeting "Old Man Work"

GLENDALE WOMAN SEEKS DIVORCE

Muriel J. Cameron of Glendale today brought suit for divorce from Charles J. Cameron. They were married at Glasgow, Montana, on September 15, 1915. Her husband pursued a course of cruel and inhuman treatment, she claims, frequently cursing her and making false charges against her. He endeavored to persuade her to participate in a blackmailing scheme, she alleges. She also charges him with gambling and with being intimate with other women. She said that she worked out until she secured money to return to her people, but that when she got to Portland he had her arrested and claimed that she was in company with a cook from Grants Pass, and that her case was given much publicity. She returned to Glendale, she said, and for the sake of the children agreed to live with him again, but he beat her so severely that the services of a physician were necessary. He has taken away the checks to her baggage and has locked their youngest child in a pump house, she claims. She is represented by Attorney John T. Long.

How to Buy Fire Insurance

You may need more than Fire Insurance

Fire insurance makes good nearly all fire losses. There are certain other forms of protection, however, that many property owners need. These are called Rent, Riot and Civil Commotion and Use and Occupancy insurance. They supplement the fire policy.
