MELROSE AND ELGAROSE

Mr. Mayfield and family who have been residing at Elgarose, have moved to Edenbrow to live. We are sorry to lose them in our community as they are true-to-the-people. We wish for them the best of good fortune where they have gone.

Saturday's Grange meeting was well attended and I believe all who attended, enjoyed the evening very much. Plans for an athletic club at Melrose were started. Part of the evening's entertainment and program was a spelling match between two sides with Mr. F. A. Goff and Will Standrum as leaders. Mr. Goff's side lost and received the book prize of "nothing but tooth-picks."

Delicious refreshments of fruit salad, cookies and coffee, were served. The two boys, Dale Mayfield and Algot Anderson, who took the eighth grade examination at the Elgarose school were successful, except that Algot Anderson was con-

ditioned in Geography.

A large crowd of interested orchard men, attended the pruning demonstration given at the Elgarose school house, Saturday, Jan. 20. The demonstration was given by the county agent.

The young people of Melrose enjoyed a basket ball practice at the Grange hall, Friday night.

The revival services that have been held at the Melrose Grange Hall for the past two weeks, have been well attended and several persons took their stand for Christ. Rev. Hall closed the services on Sunday evening.

On Saturday evening January 27, you are invited to come to the Melrose Grange hall and enjoy a social

time with us. There will be plenty to eat of the Melrose brand of vegetables. A country store will be held in connection. Following is a part of the program to be given during the evening.

Song—Ethel Coon and Joyce Busenbark.
Reading—W. Alice Goff.
Song—Vera Fredericksen.
Piano solo—Vaneta Kruse.
Playlet—Fern and Dorothy Busenbark.
Reading—Clara Anderson.
Instrumental music by Mr. Lash and accompaniment. At the Melrose Grange Hall, Saturday evening, January 27th at 8 o'clock.

Leaving Soon— Clifford Reible, well known in this city, resigned his position at the Pullman Billiard Parlors yesterday and will leave soon for Los Angeles, California where he will remain for an indefinite period.

PROGRAM AT M. E. CHURCH

There will be a special program at the First Methodist church, Wednesday evening, for everybody. Supper will be served at 5:30, with a short "round table" service. This will be followed by a musical and literary program, in which some fine talent has been secured. A social hour will follow, especially planned to get acquainted. All who have come to Roseburg in the last year will be guests of honor.

We have heard it said that "One-half of a church does not know the other half." This is the time and the place to make this an impossibility. Bring the kiddies. The chairman of the committee on entertainment is Mrs. Foster Butler, and Mrs. A. C. Marsters has charge of the supper. W. S. GORDON, Pastor.
