One of the uses of the skin: It makes you look better. You wouldn't look well without a skin.

The Volstead Act was about 1890.

Mr. Starmer holds the county sheriff's office and his duties are to keep order as much as possible and arrest anyone who obeys the laws.

A check is to certify that you have taken money from the bank.

The U. S. is right at the NE of the world.

They are not very industrious in Ireland because they do quite a bit of agriculture there.

Going from Portland to the Philippines you would pass Washington, the capitol of the U. S.

Santiago is the capital of S. America.

An interrogative sentence is one that has no meaning.

MORE TRUTH THAN POETRY

Elder Watkins, of Muddy Hollow, just back from the city, was telling his wife of the church he had attended.

"Did you known any of their songs?" asked she.

"No," replied the elder, "they didn't sing anything but anthems."

"Anthems!" exclaimed his wife. "What on earth is an anthem?"

"Well," answered the elder, "I can't tell you just exactly, but if I'd say to you, 'Betsy, the cows are in the corn,' that wouldn't be an anthem. But if I'd say 'Betsy — Betsy — Betsy, the cows—the cows—the Holstein cow, the muley cow, the Jersey cow, the spotted cow—all the cows are in—are —are in—the corn—corn—corn,' why that'd be an anthem."

This sanctum rec'd a letter from a college feller today and we feel quite educated.

◎ ◎ ◎

The el ef tees will trot tonight until 12 m—that is if the plaster holds out that long.

◎ ◎ ◎

"When you do that
Sniffle and the sneeze
Your nose it drips
Like the weeping willow trees."

That's the first verse of a new song which ye ed. is composing. The chorus is one long sneeze, after which everyone waves their handkerchiefs.

◎ ◎ ◎

Some men are just as bad about spreading gossip as any woman that ever lived. Why we know of fellers right here in the ol' burg who just go snooping around, prying into other folks affairs, sniffing for bits of scandal, etc., and then when they happen to grab a choice morsel they hot foot it to some vantage point where they can "spread the gospel." No, gossip is not confined to wimmen folks. Not by a long shot. We can point out hemales that have the world cheated for tongue-waggin.'

W. S. Gordon handed us his version of Dr. Coue's pome:
"I'm better and better every day
Better and better in every way,
If you don't care what you say
Since I learned to eat alfalfa hay."

The reverend must have been eating shredded wheat for breakfast.

FIVE years of suffering from stomach trouble, nervousness and a general run-down condition was ended when he got Tanlac, declares Edw. J. Whalen, of Washington, D. C. Mr. Whalen also gained fifteen pounds in weight.

"Tanlac put me on my feet, with a gain of fifteen pounds," declared Edward J. Whalen, 607 6th St., N. W., Washington, D. C., valued employee of the U. S. General Accounting Office.

"For five years, I suffered terribly from stomach trouble and was dreadfully nervous and run-down. I lost my appetite, fell off several pounds, and what I did eat made me suffer from awful gas pains, palpitation and choking sensations. I suffered even worse at night and couldn't get to sleep until near morning.

"But Tanlac has 'wiped the slate clean' and now I am eating anything I want and am stronger and healthier than in many a day. If anybody wants to know the real value of Tanlac, send them to me."

ROSEBURG TO MEET EUGENE HERE FRIDAY

The Roseburg high school basketball team is working hard in preparation for Friday's game here with the University high school at Eugene. The Eugene team is one of the strong aggregations of the Willamette Valley and the contest will doubtless be a hard fought one. Roseburg this year has one of the fastest teams the school has turned out for several seasons and the boys are looking forward to a hard fight for the state championship.

Under the direction of Coach Larsen the Roseburg team has developed a defense which has proven practically impregnable. In past games the opposing teams have found the high school's system to be one of the best ever used here and it is expected that outside teams during the season will find great difficulty in scoring against the local players.

Roseburg has not slighted its work in developing a brilliant offensive also and the basketshooting ability of the players has been ably demonstrated. The team is composed largely of veterans who have had sufficient experience in basketball to be able to meet the stragegy of opposing aggregations and it is certain that Roseburg will win a high place in the association this year.

Mrs. Isabella McLachlan

Operation Avoided

Portland, Oreg.—"Dr. Pierce's medicine has been so very beneficial to me that I am glad to give it my recommendation. Doctors said I would have to undergo an operation, but after taking the 'Favorite Prescription' I found that an operation was not necessary. During one expectant period I suffered with inflammation and became so weak and rundown I could not do my work. Doctors again advised an operation, but instead I began taking the 'Favorite Prescription' and it soon put me on my feet. My health returned, I had practically no suffering, and my baby was very healthy. Since that time whenever I have felt badly I have taken the 'Favorite Prescription.' It always makes me well in no time."—Mrs. Isabella McLachlan, 768 Mich. Ave.

Go to your neighborhood drug store and get Favorite Prescription in tablets or liquid. Write Dr. Pierce, President Invalids' Hotel, in Buffalo N. Y., and receive good medical advice in return, free.

WESLEY BARRY AT LIBERTY FOR LAST TIME TONIGHT

Wesley Barry, who has endeared himself into the hearts of every lover of clean comedy and good fun, will be seen in "Rags To Riches" at the Liberty theatre for the last time tonight. This picture, a Harry Rapf production sponsored by Warner Brothers, was adapted from the celebrated stage play of the same name which scored such a decided success.

The theme of the picture is universal in appeal. Wesley is the same prank-loving lad who always throws you into unrestrained gales of laughter. The action is fast and furious from the word go to the finish, and the fun is delicious throughout.

This is just the vehicle for the irrepressible Wes! He drops from a trestle fifty feet below into the river; faces a crew of cutthroats with the sangfroid of a man ordering breakfast! He is at his best in this string of adventures, which beat even the wildest flights of imagination, and which will make you fall in love with this clever boy of Screendom.
