Fixtures For Sale

STARTS SATURDAY, JANUARY 27, AT 9 O'CLOCK A. M.

Many people will be surprised at this startling announcement that we have decided to close out and quit business for good in Yoncalla. Other interests require the attention of members of this firm, so after due consideration we decided in place of selling our stock to some broker to offer it at public sale to the people of Yoncalla and surrounding territory and permit them to share in the marvelous savings that will be made possible through our decision to close out our Yoncalla store.

This sale will prove a revelation to Farmers, Builders, Contractors, and home folks—it will pay any person or family to come to this sale. Prices have been made that will cause you—EVERYBODY—to live up to the last syllable. We shall follow the same business principle, all during this OUR QUIT BUSINESS sale. We tell you this Sale is going to be one of the greatest and most events you have witnessed, you know what to expect, so you as your imagination will carry you, then come to this great Sale. BARGAINS and we promise you you will not be disappointed.

HERE'S THE PRICES, THEY TELL THE STORY

Space will not permit our listing prices on everything in this mammoth stock, but we have said enough to impress you with the fact that anything we sell, the kind and quality that has won for this firm the reputation that it now maintains in this community, will be sacrificed and sold, and no reasonable offer will be refused for any part or all of this stock and fixtures.

Builders, contractors, or anyone contemplating building, will profit greatly by visiting this sale. Our entire stock of Builders' Hardware and Supplies will be sacrificed and sold at a mere fraction of their actual worth.
