WEEK TO IMPROVE MARKIN MEASURE

Consolidation Bill Is Being Amended to Meet the Approval of All

ME CHANGES MADE

Cabinet Created by Bill Would Have Much Power and Can Transfer Functions of the Different Departments

(By Associated Press.)
ALEM, Feb. 21.—Early today amendments were being drafted for the Carlin consolidation bill for the state committee on county and state roads to report out. The committee met on certain amendments. Senator Johnson, Eddy and Representative Carlin were appointed as a subcommittee to draft the amendments. The labor commissioner is to remain in the department and the accident commission, industrial welfare commission, conciliation and arbitration board, state board and the board of county officers to remain as at present. The bill created under the bill is an authority to transfer functions of one department to another. The bill department is to be under governor's control.

Oleo Bill Is Passed.
ALEM, Feb. 21. (A. P.)—The senate today passed the Brown-Zimmerman senate "Oleo" bill, prohibiting the use in milk or milk products of vegetable oils, as a substitute for animal products.

The senate passed the Joseph bill giving the governor the power to remove the fish commissioners at any time.

A letter to Strayer and members of the senate committee on county officers, the governor today announced that a provision be included in the Carlin consolidation bill giving the governor jurisdiction over the general fish commission.

The house recalled and indefinitely postponed today the bill, passed by the senate yesterday cutting off state aid for ex-service men in the state educational institutions.

The senate temporarily tabled a measure sponsored by Kubli appropriating \$500 for the Northwest Tourist Association, which passed in the house last night.

Demands are Made.
ALEM, Feb. 21 (U. P.)—Facing 22 members of the house signed up by Representative Brownell to force the passage of the property tax exemption bill in the senate income tax bill, the senate today considered that measure this morning under a special order at 11:30 o'clock this morning.

The senate immediately resolved itself into a committee of a whole. The minor amendments were offered and accepted. The senate then adjourned until this afternoon.

Believes Bill Workable
ALEM, Feb. 21.—(Associated Press.)—A noon adjournment interrupted consideration of the income tax bill by the senate in a committee of a whole, section by section. The committee on assessment and taxation believed the bill would prove workable, though he did not claim a majority for it.

The house passed the Strayer bill permitting county courts to construct roads without the supervision of the state highway commission, except on main highways.

The house passed the senate bill bringing the battleship Oregon to Portland.

The senate passed a bill placing powers in municipal bonds under the jurisdiction of the corporation commissioner. The bill was defeated several days ago and reconsidered. Exclusive of special bills carrying appropriations, the ways and means committee has approved appropriations totaling \$6,658,918 from requests for corporations.

AMERICAN DOG DERBY TO BE TOMORROW

MEASURES MADE ON FISH OFFICIALS

(By Associated Press.)
DUBLIN, Feb. 21.—An organized attack was made this afternoon on the various government officials in Dublin. An attempt was also made to burn the income tax office. National troops, guarding the local government board office, fired and killed one irregular and captured three others.

LOAN FOR ASTORIA WILL BE AUTHORIZED

WASHINGTON, Feb. 21.—A resolution authorizing a government loan of \$53,000 to Astoria to repair the fire damage was reported today by the house ways and means committee.

COUNTERFEITERS IN NEW YORK ARRESTED

(By United Press.)
NEW YORK, Feb. 21.—Scores of federal agents arrested 24 persons in Manhattan and Brooklyn so far in a general roundup of counterfeiters in the metropolitan district. Over 150 members of counterfeiting rings were marked for arrest. The raids are still going on. A flight attended one Brooklyn raid, shots being fired and some of the prisoners hurt.

LINCOLN PRINCIPAL DIES IN PORTLAND

(By Associated Press.)
PORTLAND, Feb. 21.—Thompson T. Davis, principal of the Lincoln high school for 26 years, died today at the age of 71 years.

BETTER CONDITION OF PRUNE MARKET NEAR

Prune sales are picking up and the prospect for activity in the market in the near future is very bright, according to V. T. Jackson, manager of the local Drager packing plant. The prune market has been very dull since early last fall, and over one-third of the prune crop of the county is yet unsold, in addition to several hundred thousand pounds of processed prunes held by the packing houses. The local Drager plant today shipped five carloads to New York this being the first large shipment for several months. The five carloads contained 300,000 pounds of packed prunes. Mr. Jackson states that he expects the market will take the entire crop soon.

FUNERAL OF ISADORE RICE

The funeral of the late Isadore Rice, pioneer resident of the Rice Hill vicinity, was held at Oakland this afternoon at 1 o'clock. A number of the relatives and friends of the deceased went from Roseburg to pay their last tribute to the man whose life was closely connected with the early history of the county. The many sorrowing friends and relatives and the beautiful flowers were mute evidence of the love and esteem in which the deceased was held in this community.

TURKEY'S ASSEMBLY IN SECRET SESSION

(United Press.)
ANGORA, Feb. 21.—Turkey's assembly convened in secret session today and observers fear the legislators are determined to force an open break with the allies. Foreign Minister Ismet Paasha concluded his report on the Lausanne conference to the commissary council yesterday. He is now appearing at the assembly session. Mustafa Kemal, lacking his former warlike pose, but stressing freedom for new Turkey, is also present. Tomorrow the assembly will debate upon the acceptance or rejection of the Lausanne treaty.

ATTACK RESUMED ON SUBSIDY BILL

Filibusterers Ranks Unbroken and They are Armed With Speeches

MAKE NO CONCESSIONS

Withdrawal of Measure Not Favored by Administration and Opponents Unwilling to Concede Anything

WASHINGTON, Feb. 21.—The hoped for concessions on the part of the administration or subsidy filibusters to allow the shipping bill to pass or withdraw it are hopeless, according to senator Jones, handling the bill for the administration.

Harding will not withdraw the bill and the filibusters would continue their tactics.

Fight is Resumed.
WASHINGTON, Feb. 21. (A. P.)—Presenting unbroken ranks and armed with more material for a continuance of their campaign of talk, the senate opponents of the administration shipping bill resumed their filibuster today with no end in sight.

Win a Wordy Battle.
WASHINGTON, Feb. 20.—Republican managers in charge of the administration shipping bill capitulated soon after 11:30 o'clock tonight to obstructionists who had been waging a filibuster against the measure and on motion of Senator Jones, Republican, Washington, in charge of the bill, a recess was taken until 11 o'clock tomorrow.

The motion was made after repeated statements by Republicans threatening to hold the senate in session, if necessary, all night, but the vote to recess was regarded as only a truce in the battle with the opposing forces prepared to renew the struggle, however, after negotiations had been conducted looking to an early vote, possibly tomorrow, on the pending motion to supplant the shipping bill with the filled milk measure.

Many senators were prepared for an all night session and several already had taken possession of couches in the lobbies in the hope of catching brief periods of sleep during the night. When recess was taken Senator Reed, Democrat, of Missouri, had the floor and was delivering a speech, begun early in the night, on his resolution proposing that the United States acquire certain possessions from Great Britain and France in the Caribbean.

PHONE CALLS AVERAGE 176 FOR EACH PERSON

(By Associated Press.)
CHICAGO, Feb. 20.—If every man, woman and child in the United States did his share of talking over the telephone last year, each would be entitled to 176 completed calls, according to figures compiled by the Illinois Committee on Public Utility Information.

The committee reports twenty billion telephone conversations in 1922 over the 14,300,000 telephones then in use. To handle the business 305,000 persons were employed by the 53,100 telephone companies, and the committee impressively adds, the 29,701,000 miles of wire would encircle the globe 1.183 times at the equator.

In other words there is enough of the wire to run six-two double telephone circuits from the earth to the moon at its mean distance from the earth, and still have 90,000 miles or so left over for other purposes.

Since Dr. Alexander Graham Bell invented the telephone in 1875 the industry had grown with such amazing speed, that the United States with only a sixteenth of the world's population, now possesses two-thirds of all the telephones in use.

The 15,000,000 telephone poles in use says the statistician would build a railroad the length of thirty feet high from Chicago to Buenos Aires, while the additions and replacements each year would carry a telephone line two-thirds the way around the earth.

MYSTERY MURDER IS BAFFLING TO POLICE

(By United Press.)
LOS ANGELES, Feb. 21.—The police today admitted that all clues failed to throw a light on the whereabouts or identity of the persons responsible for the murder of Earle Remington, aviator and clubman, found murdered on his home garage drive several days ago.

Scores of leads followed led to nowhere. The police hint another unsolved crime. The dead man left very little property. He was rated as wealthy, but was known as a fast spender. His wife told the authorities he feared death several days before the murder. She could furnish no evidence of value.

Head of Bootleggers.
LOS ANGELES, Feb. 21.—The police said today that Earle Remington, mysteriously slain last Thursday, was the head of a bootlegging ring. The theory advanced concerning the killing is that he is believed to be the victim of a bootleggers war.

G. A. R. Officer Leaves.
D. McKay, department commander of the G. A. R. who has been visiting at the Oregon Soldiers Home for the past few days, left today for his home at Portland.

TOMBSTONES TO BE FURNISHED

Monuments Will Be Provided for Graves of All Men Who Died in Service

RELATIVES TO GET AID

Local Legion Post Offers to Assist Relatives of Deceased Veterans in Securing Application Blanks

Tombstones for the graves of all men who died in the service of their country during the last war, may be procured from the government by the relatives of the deceased veterans upon application to the government, according to notice received by Umpqua Post of the American Legion and presented at last night's meeting.

The government will supply tombstones and will deliver them without charge to the nearest freight station. The local post will be glad to assist any of the relatives of deceased veterans in obtaining the necessary application blanks and all those interested are requested to see or wire Leon McClintock, adjutant of Umpqua Post.

The meeting last night was well attended and a great deal of interest was shown in the various matters under discussion. Twenty-eight new members were added as a result of the membership drive which is now underway showing a remarkable growth which is very encouraging.

It was brought to the attention of the post that several local ex-service men, who have applied for loans under the bonus act, have not been given a 75 per cent loan on their property. Whether it is the fault of the commission or of the appraiser has not been determined by the local post but an effort will be made at once to find out why a full 75 per cent loan has not been given in compliance with the provisions of the bonus act. In one case property worth easily \$5,000 was allowed a loan of only \$1,500, while farm property valued in excess of \$3,500 obtained only \$1,500 and \$2,000 loans. Every effort will be put forth by the local post to see that the men receive the amounts which are justly due them.

Attorneys Carl Wimberly and Guy Cordon, were appointed by Commander E. B. Stewart to be present at the naturalization ceremony which will be held on the 23rd.

The livecum committee has turned over to the local post the reserve seat sale for the lecture of Tom Skovhill, an ex-service man, who will tell of conditions as he found them in Russia where he traveled for several months at a great danger to himself.

Comrade Green, past commander of Twin Falls, Idaho, post was present and made a short talk on the vital subject of securing and keeping members in the organization. Fen Waite, of Portland, was also present and made a short talk.

LARGE BROCCOLI CROP COMING ON

All Previous Records Will Be Broken This Year, It is Expected

CONDITIONS ARE IDEAL

No Injury to Crop Caused by Weather and Growers Look Forward to Big Yield and Good Market Prices

The broccoli season is coming on rapidly and heads of home grown broccoli are beginning to make their appearance on the local market and there will soon be enough to supply the local trade. Express shipments to coast markets are expected to start within a few days and will continue during the balance of the month. The first carload shipments are expected to move about the first week or ten days in March.

Every indication at the present time points to the largest broccoli crop in the history of the Umpqua Valley. Weather conditions have been ideal for the growing of this important product and there has been no loss from cold or severe weather. Unless an unforeseen cold spell is experienced within the next two weeks, broccoli will go to the markets in an unusually fine condition and the growers will harvest the largest crop ever known here.

Conditions have been exceptionally good for the growth of broccoli. The late summer and fall weather brought about a rapid growth so that during the winter the plants were well advanced and were hardy and strong enough to stand the small amount of cold weather which was experienced during the winter months. Broccoli will withstand some very cold weather providing the cold does not last too long. This year, however, up to the present time the mercury has not reached a point low enough to do any damage.

Many growers who have not grown broccoli formerly, have a small amount of acreage this year, while there are several growers who have put out a large number of acres to this crop and will have a big yield.

From every standpoint it appears that the acreage and yield will be far in advance of any previous year. It is roughly estimated at this time that there will be in excess of 150 carloads of broccoli shipped out of the valley, and it is possible that the crop may run nearer the 200 carload mark. The heads are of a very good size and will bring the top market price.

It is expected that the growers will receive a very good price this season. The bulk of the California cauliflower crop has been disposed of and although cauliflower will be on the market at the same time the broccoli is being shipped, the market will not be glutted and there should be no trouble or delay in marketing the product.

The Umpqua Broccoli Exchange, which will handle the bulk of the crop from this valley, is making arrangements and providing facilities to take care of the large shipments which are expected. Quarters have been leased at the Roseburg Ice Plant, in South Roseburg, and a warehouse and office have been constructed adjoining that building. This will permit three cars to be spotted on the siding at one time and the cars can be loaded and loaded at the same time so that there will be no delay in shifting them around as was formerly necessary. This will reduce the overhead expense and at the same time will speed up the shipments.

EFFORT TO PUT SCHOOL BILL THROUGH FAILS

SALEM, Feb. 21.—For the second time the house voted down Senator Eddy's bill to stress "reading" and "writing" and "rhythmic" in high schools when upon motion of Representative Carlin the bill was brought up for reconsideration Monday afternoon.

The reason for reconsideration advanced by Carlin was that six members were absent when the vote was taken last week. At that time twenty-eight votes were cast against the bill, twenty-six in favor and six were absent.

Four members were absent on the roll call yesterday and only thirty favorable votes were recorded: Beals, Flowers, Brownell, Burdick, Carlin, Ezell, Ford, Goin, Gordon, Graham, Hammon, Hesse, Jackson, Jones, Kay, Keeney, Lacey, Lee, Lovejoy, Mann, Miller, McMahan, of Linu, Overturf, Pierce, Reynolds, Schulmerich, Watson, Wheeler, Wilson, and Kubli.

FOUR MEN KILLED BY FALLING ROCKS

(By United Press.)
POTTSVILLE, Penn., Feb. 21.—Four workmen were killed and one probably fatally injured today when caught under a fall of rock caused by a gas explosion in the Kaska William colliery.

CANNOT SMOKE IN PUBLIC PLACES

SALT LAKE CITY, Feb. 21.—Nine men were arrested today charged with violating the law against smoking in public places.

RUHR COMMUNISTS ORGANIZING FORCES

(By United Press.)
AMSTERDAM, Feb. 21.—The Ruhr communists are forming military organizations. A strong force has already been raised at the Krupp works according to a dispatch from Essen.

S. H. S. CLUB TO HOLD DANCE ON SATURDAY

The S. H. S. club will hold its regular bi-monthly meeting at the K. P. Hall on Saturday, February 24, at 8:30 o'clock. The club voted at its last meeting to entertain on this occasion the Freshmen who dance and they are cordially invited to be present.

The Junior members of the club have charge of the affair and have planned decorations and favors in keeping with the patriotic month of February.

The patronesses are: Mesdames, B. W. Maddox, F. A. Bemis, J. F. Barker, Charles Wharton, Stanley Kidder, S. K. Sykes, Fred Winston, R. Hamburg, F. Porter and the Misses, Helen Casey and Rosa B. Parrott.

The standing committees for the S. H. S. club are: Permit, Rosa B. Parrott; Hall, Lois Wright; Music, Adelbert Young, Linton Bowden and Miss Dorothy Cordon; Membership, Misses Iris Rice, Evelyn Quine, Elva Wescott and Leo Beckley. Miss Mary Reams is a president of the club.

SALEM GIRLS CHARGED WITH MANSLAUGHTER

SALEM, Feb. 21.—District Attorney John Carson today filed in the justice court a complaint charging with involuntary manslaughter Miss Ella Wolfe, 18-year-old Salem girl and driver of an automobile which Saturday struck and fatally injured Mrs. Elizabeth Hubbard, 52 years of age.

Arraigned in the justice court shortly before noon today, Miss Wolfe demanded a preliminary hearing, which will be held next Saturday morning at 10 o'clock. Following arguments by counsel for the defense and for the state, bail will be set by Judge G. E. Unruh this afternoon. This morning both Miss Wolfe and Miss Theresa Zachary, the other passenger in the death car, were held in jail in lieu of \$100 bail.

Car Owner is Fined
Miss Zachary, said to be 15 years of age, must face a charge of driving an automobile without a driver's license. W. W. Smith, Willamette university law student, whose automobile was being driven by the girls on the afternoon of the accident, this morning was fined \$50 for allowing a person under 16 years of age to pilot his machine.

PARSONS APPOINTED S. P. TRAFFIC OFFICER

* J. H. R. Parsons, vice president and general manager of the Southern Pacific company's lines in Louisiana, has been appointed assistant passenger traffic manager of the company's Pacific system lines, with headquarters in San Francisco, effective March 1. This announcement was made yesterday, February 20, by Charles S. Fee, passenger traffic manager, at San Francisco.

ROSEBURG WILL PLAY EUGENE FRI.

Expect Basketball Game at Local High School to Be Good One

LOCALS WORKING HARD

Endeavor to Develop Strong Offensive for Coming Battle With Medford, Which Will Indicate Pennant Team

The Roseburg high school basketball team has been putting forth every effort during the past few days to get itself in shape to win the coming battle with Medford, which will be the school's last chance for the Southern Oregon Championship. The team expects on next Friday night, when it meets the Eugene high school here to prove to local fans that it has recovered from the slump which resulted so disastrously last week and if determination counts for anything the Eugene school will get the worst drubbing it has had this season.

The Eugene high school defeated Roseburg at Eugene by a score of 18 to 15 but only after the game had been tied and an extra period was made necessary. Roseburg put up a strong fight at Eugene but the tricky passing used by the Eugene players gave them the game over the local team. Roseburg has solved this trick pass, used by the Eugene team and broke up similar passes used by Medford at the last game here with little trouble. Roseburg will have the advantage of being on the home floor and should take the game without much trouble.

The boys are not going to be satisfied, however, with a mere victory. They are going to try to prove an ability to come-back, and play together. The team work which was so badly disrupted during the Medford game is expected to be featured in Friday's contest and local fans are assured of a real game.

Roseburg will play Medford at Medford early next month and this game will determine the Southern Oregon Championship. Medford beat Roseburg here and it now becomes necessary for Roseburg to beat Medford on that team's floor or else forfeit all chances for the Southern Oregon title. It is clearly a great handicap before the Roseburg players, but they are determined to win and are working hard to build up an offensive which will be effective in the coming battle. The results of this practice will be in evidence Friday night it is believed and fans are urged to give the local team their support.

The main game will be preceded by a preliminary between the Christian church team and the Boy Scouts. The girls' team of the local high school goes to Medford and Grants Pass over the week end. A game will be played with Medford girls on Friday night and with Grants Pass on Saturday. The Grants Pass girls beat Roseburg by a small score here last week.

ROD AND GUN CLUB WILL HAVE BANQUET

One of the biggest and most important meetings since the organizing of the Roseburg Rod and Gun club will take place Friday evening at the Parish house, starting with a banquet at 6:45. Following the banquet there will be speeches, an election of officers for the ensuing year. The main discussion will be on the subject of the distribution of birds and fish in Douglas county. The subject is important to every sportsman, and all those who are interested in game distribution, and clay pigeon shooting are requested to be present, whether they are a member of the organization or not. There will be out of town speakers present all good, interesting talkers, and all prominent in rod and gun activities. The Rod and Gun club has only been organized here a short time but now 'casts a large membership that is enthusiastic and active.

Kellogg Citizen in Roseburg

Louis Bauer, of Kellogg, is in the city to remain for a few days looking after business matters and visiting with friends. His son, Max Bauer, who has been attending school at Portland has arrived here and will accompany his father home. Mr. Bauer reports his section of the country quite prosperous.
