DRESSES

Bringing to your attention the most complete and attractive showing of dress styles. We are free to say that this exhibit will add materially to our present reputation as style headquarters. SUITS

Poiret twill is the leading suit material for Spring, and navy the leading color. The little touches, the new silhouettes, the different employment of trimmings—details which pronounce the style of the latest mode—have been watched with zealous care. In this belief, we offer merchandise which has permanency and quality as well as beauty to commend it to every thoughtful purchaser. The price range is—

\$25.00 to \$55.00

COATS

At no season of the year is a coat more useful than during the Spring—and that it can be made a garment of beauty as well as utility is especially well shown in our display of the season's new designs. Fabrics of unusual beauty, tailored into garments truly representative of the latest style tendencies, bring for your approval a variety of coats of unequalled worth—every coat a maximum of value at its price—

\$15.00 to \$49.00

YOUR CORSET

It is an intimate thing and important—as important as the selection of one's most interesting gown. For it is upon the style and fit of the corset that the charm of the gown depends. In our corset department you will find only the best makes—Modart front laced corsets, practical front and Thompson's glove-fitting corsets. A style for each particular type of figure and at the price you will want to pay—

\$1.50 to \$10.00

What God Says about HIS ORDER

This is God's order, evening first, followed by morning. Rather peculiar, isn't it?

Did it ever occur to you that this is the Bible order all the way through? It begins in creation with the evening of chaos and the morning of light. It began again with the evening of man's sin and failure and has continued to evening and morning, and will continue until finally, as is predicted in the 21st chapter of Revelation, the morning there spoken of will come—the morning on which God "will make all things new."

And so it is in all our daily life, failure first, then success; loss first, then gain; sin first, then a Saviour; self first, then Christ; earth first, then heaven; "weeping may endure for a night," the night of sin and sorrow and death—"but joy cometh in the morning."

Truly now we see it clearly, that the morning is the end and not the beginning. This is God's order.
