An Exposition of_ ORIENTAL RUGS

The largest display of choice Persian Rugs ever held in this city may be seen in our windows and store.

It's a Rare Treat

For citizens of Roseburg to be able to view such an elaborate exhibition, and we invite you to come very soon, as this display will be here

ONLY A FEW DAYS

A special representative of CARTOZIAN BROS., direct importers of Oriental and Chinese Rugs, is here to give you personal attention and the benefit of a direct purchase; eliminating the usual wholesaler's profit.

CLEANING AND REPAIRING

There is vast difference in cleaning Oriental Rugs. To assure long life and return of the lustrous colors of your rugs, it is essential to have them done by natives, who understand the natural and proper care. We will be glad to give you any information for the care of your rugs. Company of the Company of the Company

MEN BEST GOLFERS SAYS GIRL CHAMP gets the greater part of his "punch"

By MURIEL G. WICKENDEN

By MURIEL G. WICKENDEN Girl Golf Champion of Eminad. (International News Pervice.) TUNBIDGE WEILLS, Enz., March 21.—A first-chass woman effer never has been and never can be as good a polfer as a first-chass man, obviously became of the difference in playsings. A man has the advantage in that ho has more power in the shoulders and far greater strength in the writes and arms. A man has nothing to impede has more power in the shoulders and far greater strength in the writers and arms. A man has nothing to impedie the working of his times and knees, which play such as important part in the eccentrian of a shot, whereas a woman is decidedly handicapped by her skirt. But what a man gains in strength from the see a weight of their writer and the transition one's balance without are fort. But I thick meen have the transition one's balance without are effect balance. At the top of the back awing and at the finish of the follow through end back are effect balance. At the top of the back awing and at the finish of the forth the transition one's balance without are effect balance. At the top of the solution of a shot, whereas a woman is decidedly handicapped by her skirt. But what a man gains in subterimes make up to approaching and putting. But golf has become such a scheme newalay the it is twees sard to be samerialized good in all departments of the gains to get the fully on top.

departments of the same is being What always strikes me as being the austanding difference between rise and women notices is the use of the hips, expectally the right hip Wareh any good professional or first. See them at Mackabury Co.
