ANOTHER GAIN FOLLOWS RESTORATION BY TANLAC

Portland Citizen Declares
Famous Medicine Ended
Indigestion, Gases and
Worn Out Feeling, Restoring
Full Weight and
Strength.

"I have gained ten pounds and feel like a brand new man," recently asserted Louis Helbling, Liberty Hotel, Front and Madison Streets, Portland, Oregon, in telling of the benefits he had derived from the use of Tanlac.

"For years I have been unable to enjoy eating like other people on account of loss of appetite and an awful case of indigestion. I would blast all up with gas and have a dull, nagging pain in the pit of my stomach that put me in misery after every meal. Often I could not keep down the little I did manage to eat and I lost weight and strength continually. I was also troubled with constipation, and that tired, worn-out feeling was on me all the time.

"Since I started on the Tanlac

treatment I have taken just three bottles so far, and already I have a corking good appetite and never feel a touch of any of my old troubles. In fact I am feeling simply fine, and cannot praise Tanlac too highly."

There is not a single portion of the body that is not benefited by the helpful action of Tanlac, which begins its work by stimulating the digestive and assimilative organs, thereby enriching the blood and invigorating the whole system. Next, it enables the weak, worn out stomach to thoroughly digest its foods, thereby permitting the nourishing elements to be converted into blood, bone and muscle.

It overcomes, it is said, that great exciting cause of disease—weakness. It renders the body vigorous and elastic, keeps the mind clear and energetic, and throws off the symptoms of nervousness and indigestion. It builds up the constitution weakened by disease and mental and physical overwork, quickens convalescence, and is an unfailing source of comfort to all suffering from such troubles.

Tanlac is for sale by all good druggists. Over 35-million bottles sold.

BARNSTORMERS TO GO TO MYRTLE CREEK

Legion's Million-Dollar Beauty Chorus,
Soloists, Orators, and Orchestra,
Will Go to Myrtle Creek on
Monday Night to
Give Program.

The American Legion barnstormers, with their million-dollar beauty chorus, orchestra and brass tuned orators, will caravan to Myrtle Creek Monday night for the purpose of introducing to the populace of that enterprising city, the plans, aims and ideals of the American Legion.

The beauty chorus, which has been so well received in Roseburg and in all other parts of the county, is prepared to give another evening of fine entertainment, and the soloists are ready to present the latest song hits. The program furnished by Umpqua Post of the American Legion in its barnstorming tour, has been pronounced everywhere as a wonderful entertainment from every angle. The musical numbers are high class and full of pep and from the time the "gang" arrives until the orchestra dispenses "Home Sweet Home," there is not a dull moment.

In addition to the music and dancing, Attorney Guy Gordon, will make a brief pointed talk on the subject of "Americanism," and Dr. E. B. Stewart, the live-wire commander of the local legion post will talk on "The Aims, Purposes and Ideals of the American Legion." No admission is charged for these entertainments and all residents of the locality are invited and urged to be present. Ex-service men and their families, particularly, are requested to be the guests of the legion men on Monday night at Myrtle Creek.

MAIL ORDER JUSTICE

A backwoods justice of the peace used to consult what looked like a law book, but was really a mail-order catalog. One day a negro was haled before the squire on a charge of drunkenness. The squire heard the evidence and then, after opening the book and glancing at it, fined the negro \$4.49 to be worked out on the roads at 25 cents a day. As the negro was being led away he said to the marshal, "I sho' is a unlucky nigger."

"Unlucky nothing," replied the marshal. "If the squire had happened to open that book at automobiles instead of pants you'd be working on the road for the rest of your life."—Country Gentleman.
