Nine Little Hoboes—
 Nine little hoboes sitting on a window sill, basking in the sun of a bright April morning, splattering tobacco juice all the way from the inner curb of the cement sidewalk to the picture that greeted visitors to this morning's southbound train which arrived at 9:15. After the arrival of the train a second survey showed more than half of the "birds" had flown. This is conclusive evidence that the Southern Pacific Company increased their passenger service to a considerable degree without remuneration.

EASTERN STAR HAS
SPLENDID MEETING

One of the most enjoyable evenings ever held at the Masonic Temple was held last evening by Roseburg Chapter No. 8 O. E. S. The meeting opened on time with approximately 175 members and visitors present. A goodly number of our own members were present together with visitors from as far north as Seattle and as far south as Oakland, Cal. Myrtle Creek was well represented there being nine of their membership present.

The occasion of this gala evening was in honor of Mrs. Theresa M. Cantner, Worthy Grand Matron of the order of the Eastern Star of Oregon who made her official visit to our chapter at this time. Other distinguished guests who were present were Bro. O. P. Coshaw, Past Grand Patron of Oregon and Sister Bates and Brother Caswell, Worthy Matron and Worthy Patron of Valente Chapter 88 of Myrtle Creek. Sister Pearl Stewart who is president of the American Legion Auxiliary was also introduced.

After the various guests were introduced the initiation of three candidates took place. We had the pleasure of having in the class a grandmother and her grand daughter which is a rather unusual occurrence. After the regular business was completed our Worthy Patron presented the Worthy Grand Matron with a gift in behalf of the Chapter to which our Worthy Grand Matron responded in a very pleasing manner. We also enjoyed the remarks of several other members before adjournment.

This being our social night we adjourned to the banquet hall. The hall was hardly recognized as our own as a committee of our ladies had made and put in place on all windows new and very attractive curtains. This alone made a decided improvement in our banquet room and every one was well pleased with the change. In looking around the room we found an unlimited amount of various kinds of flowers and fruit tree blossoms all arranged very artistically. The tables contained bowls of flowers of various kinds as well as plates full of pastries. In fact the hall was decorated so beautifully that it can hardly be done justice trying to describe it in words. The committee in charge served a very delicious lunch which was also enjoyed by every one present.

A few remarks were made after the lunch and we were then dismissed.

The evening was without question the most enjoyable one held this year judging from the remarks made by those present.

The members of our chapter have really enjoyed the visit of our Worthy Grand Matron as she is not a more aggressive method than many of the Past Worthy Grand Matrons, and it is with regret that we see her pass on her journey of inspection to the north. Tonight she will visit the chapter at Oakland. A number of the Roseburg members will accompany her on her visit this evening.

The next meeting of the Roseburg chapter will be April 19th and it is hoped that all members will be present and all visiting members will be welcomed.
