Put your faith in Kellogg's Bran—it relieves Chronic Constipation!

If you suffer with mild or chronic constipation, go after it relentlessly! Constipation has probably wrecked more lives than any one human ailment. It is the basis of many illnesses, leading even to such diseases as Bright's and diabetes. In its milder form constipation creates sick headaches, biliousness, dizziness, nausea, bad breath, pimples, etc! Kellogg's Bran is guaranteed to relieve constipation permanently if it is eaten regularly. Kellogg's is ALL BRAN—that's why it acts as nature's perfect sweeper, cleanser and purifier.

To safeguard your own health, to protect your family, serve Kellogg's Bran each day. As a constipation preventive or for mild cases, eat at least two tablespoonfuls daily. In chronic cases, as much with each meal. But keep at it persistently—beat constipation with bran—nature's most wonderful food! And think how Kellogg's will free you all from the dangers of pills and cathartics!

Kellogg's Bran is a life sustainer and body-building food because it contains mineral salts and other food essentials, as well as being a natural relief from constipation!

Kellogg's is delicious in its nut-like flavor. It adds greatly to the taste of hot or cold cereals when sprinkled or mixed with them. Or, cook it with hot cereals, allowing two tablespoonfuls for each person. Kellogg's Bran makes very delicious muffins, raisin bread, etc.

Kellogg's Bran is served in leading hotels, clubs and restaurants in individual packages. All grocers sell it.

SUTHERLIN HOME IS DESTROYED BY FIRE

The home of W. F. Hohensee, located on his homestead on the north side of town, was totally destroyed by fire at about 9 o'clock last Saturday night, says the Sutherlin Sun. Mr. Hohensee was in town at the time and knew nothing of the fire until informed of his loss some time later by neighbors.

Farming tools, a gasoline saw and other property stored in a shed near the residence were also destroyed, as was also all of Mr. Hohensee's clothing and personal belongings, entailing a loss of over five hundred dollars, on which there was no insurance.

The residence was constructed over a year ago, and while it was of rough lumber was a comfortable and substantial structure. Mr. Hohensee left the place early in the evening to attend to some business matters down town. He states there was a little fire in an old stove in the house when he left, and the presumption is that the blaze had its origin from that source.
