DODGE BROTHERS USED CARS

It has been said that the only way to make real money in the Used Car business is to sell them as is. That may be a good way to make money—for a short time—but it is not a good way to make friends. We figure that if we get the friends, the profit will take care of itself.

Remember: A used car is only as good as the firm with which you deal

MEMBERSHIP DRIVE ENDED LAST NIGHT

Frank Hill Wins First Prize—Fine Gold Watch, for Securing Most Members for Umpqua Post.

The American Legion membership drive in Douglas county ended last night at midnight. As an indication of the success of the Barnstaple drive and publicity given Umpqua Post of the American Legion, applications for membership are still coming in. Owing to the fact that the contest did not close until midnight last night Commander Stewart was unable to award the prizes at last night's meeting. They will be awarded, however, at the next regular meeting of the post. Four members tied for the third place in the contest and it was decided to extend the time limits until the next meeting, the first Tuesday in May, in order to decide the winner of the third prize.

The prizes and winners of the membership contest are as follows:
First prize, Green gold watch valued at \$45, won by Frank Hill.
Second prize, Legion emblem ring, won by Redolph Ritzman.

Those who are tied for the third prize, a Legion emblem watch chain, are Harley Watson, Guy Cordon, Clinton Gorthy and W. F. Kernin.

In the event the third prize is still tied at the next meeting, the winner will be decided in a game of African Golf. This was decided upon in case of a tie as the four contestants are well versed in that form of indoor sport.

Seventy-three new members were obtained during the drive, bringing the total membership of Umpqua Post to 253.

Tuesday Night April 24th you can dance with the Seven Sorenaders at the armory.

HIGH COST OF GOOD TIMES

Brought into court as a thief the best of the judge that he had never had good times, never went to the movies or anywhere else for amusement, and the explanation was "All's not so rosy."

The judge fined a dollar out of his pocket. "John," he said, "I'm going to leave this in your way as a good time. Come back and tell me what you did with it."

Thirty-five cents of the money sent for a week. The boy had never owned a needle. The money sent for a week. The boy had never owned a needle. The money sent for a week. The boy had never owned a needle.

The episode prompted Judge Pabst—the incident occurred at Los Angeles—to say that the increased cost of good times accounts for the startling increase in juvenile delinquency. Once a boy could take his girl to a movie or a street car, these days he must have an automobile. He must have the things that go with an automobile. An overgrown boy of fifteen had in love with a woman of twenty-five was married. He hadn't the money to show her a good time, so one night he went into a drug store where there was but one clerk, and a revolver under his nose and took \$25 out of the cash register.

It was all as easy that before he was arrested he had accomplished half a dozen other hold-ups and had stolen four automobiles. To the judge he explained that while his first motive was to get money, he had grown to like robbery.

That is the way with crime. No one ever gets higher in life by means of it. The more that follow the first one are always easier to take. You will see the moral of these incidents is that boys should be content with simpler pleasures. There is another. Boys and girls too, will be safe only if they have homes where they learn that and use the modern, efficient, and destruction only. —Portland Journal

MOVIES

Real, Virile, Clean is New Mix Play.

"Catch My Smoke," Tom Mix' most daring picture. This was the consensus of opinion of the large audience which filled out of the Antlers Theatre when this photoplay featuring the inimitable Tom Mix was presented last night.

For real virile, clean photodrama we refer those in which Tom Mix appears and it requires no great stretch of imagination to divine why the censor's scissors have never had the occasion to eliminate any scene from a Tom Mix photoplay.

One of the many punches of "Catch My Smoke" is the one where a chase takes place between a racing railroad train and Mix riding his famous horse Tony, which ends with the horse and its famous rider leaping from car to car. The excellent acting, the comedy touches and the flawless photography materially assist towards making this photoplay one of the finest that has ever been shown in Roseburg. Those who are familiar with the ability of Tom Mix know that they certainly will be provided with enough thrills to last them for an entire evening.

Ascent from Mix' acting, we cannot overlook the excellent performance rendered by "Tony."

Quick Quaker Oats

Cooks to perfection in 3 to 5 minutes

Ready at 7:05 Before the eggs or coffee

Now our experts have perfected a Quick Quaker Oats—the quickest-cooking oats in the world. Your grocer now has it as well as the regular.

Quick Quaker cooks in 3 to 5 minutes. The cooking is perfect—experts certify to that.

The same exquisite flavor

The fame of Quaker Oats is due to super-flavor. We flake the queen grains only—just the rich, plump, luscious oats. We get but ten pounds from a bushel.

All the world over Quaker Oats dominates, because people love that flavor. And Quaker will always have it.

Quick Quaker is made from the same queen oats. The flavor is identical. But we cut the grains before flaking. Then we roll them thin and partly cook.

So the flakes are smaller and thinner—that is all. And those small, thin flakes cook quickly.

Now you have a double reason for selecting Quaker Oats. You get that exquisite flavor. And you get, if you wish, flakes that cook almost instantly. In either respect, there is no other oat dish in existence that compares.
