A Pledge

Ranking first by a wide margin in the production of player-pianos, it is fitting that Gulbransen give a pledge to our public—

A PLEDGE to continue branding the price of each Gulbransen in the back, at the factory, for the protection of our customers.

A PLEDGE never to make a Gulbransen and send it out under any other name, thus preserving Gulbransen quality for Gulbransen buyers.

A PLEDGE always to keep bright our ideal of providing exceptional music for all classes of homes, at modest prices.

A PLEDGE that the ease of playing and instant control you enjoy in the Gulbransen will ever be the standard of excellence among all player-pianos.
