What God Says about BEING IN WRONG

"Peter sat down amongst them"

Peter was in wrong. "In" yes, in where he could see Jesus, but among the people who didn't care. The real enemies of Jesus had him in hand as they thought and were trumping up false charges on which to put Him to death. But these people, the soldiers, the servants, and the rabble in the outer hall, they didn't care, they were just officers; and Peter sat down amongst them. He was cold and they were a fire. And then the people who didn't care began to taunt him about being a disciple of Jesus. And he lied and he cursed and he swore, but worst of all, he denied knowing His Lord.

Say, brother Christian, have you never been in wrong? Have you never been in among men who just didn't care, but who ridiculed the Son of God? Have you ever been in so wrong that you wanted to conceal the fact that you were a Christian? Have you never been in cold in heart that you were afraid to try to warm yourself at a poor worldly fire that couldn't give you enough heat to keep you from being driven toward? Oh, the out-and-out enemies of Christ, they are not dangerous; but the people who don't care—to sit down amongst them, that's being in wrong. And the man who actually sits down amongst such people will find himself before long denying the Lord who bought him.

Oats Never Cooked so quickly

Quick Quaker Oats

Cook in 3 to 5 minutes

Your grocer now has Quick Quaker Oats, as well as the style you know.

Quick Quaker, perfected by our experts, is the quickest cooking oats in the world. It cooks to perfection in 3 to 5 minutes.

Both styles have that exquisite flavor which has won the world to Quaker. Both are flaked from quaker grains—only just the rich, plump, flaky oats. In both we get but ten pounds from a bushel.

But in Quick Quaker the oats are cut before flaking. They are rolled very thin and partly cooked. So the flakes are smaller and thinner—that is all. And the small thin flakes cook quickly.

If you want the Quick Quaker, look for "Quick" on the label. You will get the quickest cooking oat flakes ever known.

Change is Marvelous, Declares Allbright

Lawrence G. Allbright, 1623 Pike St., Portland, Oregon, is another who has found the Tanlac treatment a safe and sure road to health, strength and working efficiency. He says:

"For several years I never felt right, had no energy to speak of and felt played out all the time. My appetite was very poor, and even the little I did eat bothered me with gas and indigestion so bad it seemed to do me very little good. I was underweight, too, and was bothered a great deal with my kidneys.

Evening at 8 o'clock, this meeting includes testimonials of healing. Sunday school convenes in the basement at 9:45 a. m. All up to the age of 20 years are invited to attend. The reading room in the front of the building is open daily except Sundays and holidays from 2 to 4 p. m. The public is invited to attend the services and visit the reading room. Subject of Sunday's lesson is, "Adam and Fallen Man."

This is a Studebaker year.

Salem, Ore.—"While bringing up my family I depended upon Dr. Pierce's Favorite Prescription to keep up my strength. I have given the 'Prescription' to my daughter also when they had need of a special tonic and nerve and they have always been benefited and strengthened by its use.
