

Kellogg's Bran is nature's relief from the terrors of constipation!

Never make light of constipation or any one of its symptoms—there is no telling what disease you may be leading into! The one thing to do—IMMEDIATELY—is to fight constipation to the last ditch! Not with pills or cathartics; they cannot give you lasting relief! Not with food with a low bran content; they do not have the bran-back to do the work!

What you need, what will give you permanent relief, is Kellogg's Bran because it is ALL BRAN! Kellogg's is scientifically prepared to relieve constipation. It will relieve the chronic case or the mild case. You need it, your family needs it!

But, you must eat Kellogg's Bran regularly—each day! At least two tablespoonsful; in chronic cases this amount with each meal. And, eating Kellogg's Bran is a delight rather

than a hardship. It has a delicious, appealing, nut-like flavor that wins the most fastidious appetite.

Every day when you eat Kellogg's Bran as a cereal, sprinkled on your favorite hot or cold cereal or cooked or mixed with hot cereals, think of the healthful every essential contents for good! Think how Kellogg's Bran is sweeping and cleansing the alimentary tract; how it is driving out the toxic poison and freeing your system from dangers of diseased diseases! Your physician will recommend it.

Kellogg's Bran is extra-delicious made into countless bakery batches. Recipes on every package.

All grocers sell Kellogg's Bran; it is also obtainable at first-class hotels and clubs in individual packages. Ask for it at your restaurant.

FIRE DESTROYS HOUSE AND CONTENTS LATELY

Mr. and Mrs. William Kietzer of Edmond, were in Roseburg yesterday shopping for furniture and other necessities to replace their household goods which they lost in a fire which last week destroyed their home and the majority of the contents. Both Mr. and Mrs. Kietzer were near the house when they saw the smoke billowing out and did their best to extinguish the fire and save a portion of the contents. It is thought that the fire started from some jam which Mrs. Kietzer had on the stove and which might have boiled over while she was absent. A small insurance was carried on the house. In addition to their furniture and clothing they lost a very fine

library, a piano, and a large collection of books. At present Mr. and Mrs. Kietzer are living in their garage, and will build a new home at once.
