MAKE YOU THINK OF

Why have a refrigerator that does not keep your food cold? A poor refrigerator wastes your ice, your provisions, and your money.

You buy a refrigerator expecting it to last years. You will wish you had purchased an Hygienic if you buy another—so why not get it in the first place? Buying an Hygienic is economy.

Built scientifically, saves ice, food and money. They are sanitary. Rolled galvanized iron with baked enamel, or in porcelain.

We have them with or without water coolers.

See these before buying a refrigerator.
