THE GRADUATION SEASON

events of the year. The atmosphere of hope and achievement makes them a bright day in any community. Doleful critics sometimes lough at the idealistic tone of the essays delivered by the that is responsible for the successful getaway of the bandits. School and college graduations are one of the most charming the graduates. They would seem to think that as soon as the generation now coming along gets out in life, its more enlightened atandards and clearer vision would solve the age long troubles with which the world has vainly struggled. In the main the theories offered by these graduates are correct. They are not usually original, being principally the reflected opinions of the brainy men and women under whose influence they have been before the table tips and breaks your studying. If the world would follow these counsels, its troubles would be largely solved. The chief miscalculation is that these Wash, Evening Searchlight. usually original, being principally the reflected opinions of the young people do not realize how the suggestions of the philosophera will be obstructed and nullified by the selfishness of human grave does enough kicking with the life. It is an addition to the world's capacities to have all these other to make up for it. hopeful and ambitious young people coming out to join the forces of effort and struggle. They have had advantages far better than their fathers and mothers had. They will view the problem of the community with more intelligence. The people have assessed themselves heavy taxes, and philanthropists have made munificent gifts, to provide these educational opportunities. All this free opportunity calls logically for some return from these graduates. All the community asks is diligent labor in the daily tasks of life and co-operation in projects for the public welfare. The News-Review offers its hearty congraintations to all the young people of its territory who are graduating from any educational institution, and it looks forward to their future with hope and confidence.

The wild and wooly town of Shelby, Montana, where a couple of sluggers will meet next month to decide the world championship, is being quietly subdued, but will probably "break out" in spots on July Fourth.

Why Women Choose this Coupe

Easily handled in the maze of downtown traffic, this Buick three-passenger four cylinder coupe is ideal for a social afternoon call, a shopping trip or the various other uses that a woman's interests demand of her car.

The interior is upholstered with grey velours, set off with attractive fittings. Heavy crown fenders, drum type head and cowl lamps give a touch of added smartness to its outside appearance.

Above all, the perfect dependability, characteristic of all Buick cars, makes this Coupe safe and certain for women drivers.
