What God Says about GETTING OUT RIGHT

"And Peter went out and wept bitterly"

Peter had been in wrong, but he was now out right. He had been in wrong from the time he boasted he would die with Jesus, to the time when he slitheringly sat down in the servants' hall, alone, with a crowd of scoffers, and in full sight of his Lord had about his allegiance to Jesus Christ. But now he was out.

Look here, my brother of today who have been following Jesus after off and running in among the business throng; for good if I may say so, as you call it. You have sought yourself, considering your heavy birth and citizenship more than once in each company, haven't you? You have used bad language with the rest, haven't you?

And what is the remedy? Get out. Yes, do as Peter did, go out. Separate yourself from that sort of association. And once you, God help you to weep bitterly. But then, I am holding you do what naturally you cannot do. It was a look of Jesus that made Peter go out and weep bitterly. But if you will look at Christ as Peter did He will look at you; and then you will get out of that damnable crowd and then the tears will surely come on account of your despicable conduct. Oh my brother Christian, now in error, I pray you get out right.

CHURCHES

First Methodist Episcopal Church, S. Main street at Lower William Street, Sunday morning at 11 o'clock, Dr. Louis Albert Banks will give his great sermon lecture on "Lutheran." Dr. Banks has held some of the largest churches in America, and is greatly in demand as a lecturer. As there will be no Fourth of July celebration in Roseburg this year, we are fortunate in having a great patriotic address at this time. Various patriotic speeches have been invited and the Roseburg band will be there. The choir, under the direction of Mrs. Heitline, will also furnish one or more special numbers. The Sunday school meets at 9:45. If you want to be at its best, wear the weather in ideal, and the sacrament is always held. The Epworth League is at 7:00. This church will hold no evening service but will be in the union service at the Baptist church. People who reside in Roseburg on the "church" will find a profitable service at the First Methodist church at 7:30. There will be short talks on "Our Country," its needs and how to meet them, and prayers that righteous laws may be enforced, and that the high principles of our fathers may prevail.

First Church of Christ Scientist, 312 East Douglas st.—Services will be held in the main auditorium Sun-312 East Douglas street. Regular services are held Sunday morning at 11 o'clock and Wednesday evening at 8 o'clock, this meeting including testimonials, or healing. Sunday school convenes each Sunday morning at 9:35 all from ages of 5 to 20 years are invited to attend. The reading room is in the front of the church building is open daily except Sundays and holidays from 2 to 5 p. m. The public is cordially invited to attend the services and visit the reading room. Subject of Sunday's lesson is "Christian Science."

Pine Grove Sunday School, The lesson is found in Luke 2:25-7:12-23. Everyone bring their bibles and be prepared to discuss the lesson. Rev. Gordon will be with us and we would like to have as large attendance as possible. Sunday school at 2:00 p. m.

CHURCHES HOLD UNION SERVICES

Following the long established custom, Roseburg churches will again combine in holding union services throughout the summer months. For many years past it has been found that during the same season with so many people away on vacation the attendance of the individual churches declines and only the union services attract an appreciable crowd. The first service of the series is to be held in the Baptist church next Sunday evening. The sermon will be given by Rev. Milton of the Christian church. The schedule for the entire season has already been arranged and the union services will continue until the first of September.

down to the recently popular, but old game of horseshoe pitching, and after the starting of the contests it was not long until everyone was participating. The ladies present were ed to take keen delight in watching the men and developed some scientific pitching before they had finished. Other sports of the athletic nature were held throughout the afternoon.

The big basket dinner at five o'clock proved, as all such dinners must, a real feature number of the day. Lots of every sort and description were spread and the crowd gathered round in a big family style dinner.

After the dinner the rest of the evening was spent in getting acquainted and discussing lodge affairs of prime importance, not to mention the many arguments concerning the coming year fight and the auto caravan.
