

## Bathroom Walls that glisten like tile

A SPOTLESS FLOOR and fixtures—walls and woodwork glistening like white tile! Any woman would be proud of such a bathroom.

And almost any woman can have such a room—she can do the thinking herself, and enjoy it! Your bathroom has become dingy-looking. Freshen up the woodwork with Silestone White Gloss or Semi-Gloss Enamel and apply a coat of Fuller's Varnish to the floor. And when you have done this, use Fuller's Washable Wall Fluid on your kitchen, bathroom or living room walls—easy to apply, attractive colors and that finish which is so clean.

Whatever your painting need, W. P. Fuller & Co. makes a paint for the purpose. Always ask the Fuller products by name. Your local dealer has them. Or write our Service Department for advice and for a free copy of our "Home Service" booklet.

### CHAPTER XXIX

Mrs. Peabody had been with her husband and Dick in the house for some time. She had been with them since the day they had moved into the new house. She had been with them since the day they had moved into the new house. She had been with them since the day they had moved into the new house.

After a time she turned back toward where she had left Dick and Grace. There, evidence of their presence was still to be seen. The door was open, and the light from the window was still on the floor.

With a sigh she turned back toward where she had left Dick and Grace. There, evidence of their presence was still to be seen. The door was open, and the light from the window was still on the floor.

For a little while. She thought the air would do her good. Mrs. Peabody thought him frank, but Ann dropped her eyelids. She had a suspicion the visit and the ride had been planned, that her father's going had upset those plans only in part.

"He has kept away from her as long as he could," she said bitterly, after she went to her room. After this incident nothing happened to prove that Dick and Grace were other than good friends until after Ann's parents left. And Mrs. Peabody warned Ann that she must not allow herself to think evil where none was intended.

Immediately after they were gone Grace resumed her old tactics, telling Dick she deserved a medal because she had been so good; saying to Ann that the world had made love to her father if he had remained longer. Forcing herself on them, teasing, incomprehensible—to Ann.

Ann was sewing in the house. Nora was in the kitchen. Jack had been playing about the yard. Ann called to Nora to bring him in. Nora called him about wildly. Jack was not to be found. Ann hurried out, and together they searched. Then, thinking perhaps he had wandered to the orchard to find his father, Ann hurried there. Dick had not seen him.

Tomorrow—Nora Finds Little Jack.

## Suffered 20 Years With Cruel Eczema

Hokara Quickly Heals

"Gentlemen: Words cannot describe the suffering that I endured for more than 20 years from Eczema on my limbs and feet. They were so sore and tender that I was obliged to have cushions put in bed to keep the bedclothes from touching me. After treating with different doctors without getting any real relief, my attention was finally called to Hokara. It gave almost instant relief. My limbs and feet were healed and the skin made soft, white and pliable, where before they looked like dried beef. I strongly advise anyone suffering from any skin disease to use Hokara. It is a wonderful remedy. Gratefully yours, A. Gray, Andover, Ohio."

Hokara is a non-creamy, stainless, antiseptic cream that goes right to the source of the trouble through the pores. Nathan Fuller. This Hokara cream can apply you on a guarantee of satisfaction or money back. Mail orders accepted.

LEVIATHAN STARTS ON MAIDEN TRIP  
(By Associated Press.)

NEW YORK, July 4.—With her flag drooping beneath a sudden downpour of rain, while her passengers knitted beneath canopies on the decks and while airplanes circled in the sky and thunder rocked the heavens, the great steamship Leviathan sailed from the pier today and set forth on her maiden voyage under the auspices of the United States Shipping board.
