NO OPERATION FOR HER

She Took Lydia E. Pinkham's Vegetable Compound and Escaped the Operation Doctor Advised

Louisville Ky.—"I wish to thank you for what your medicine has done for me. I was in bed for eight or nine days every month and had a great deal of pain. The doctor said my only relief was an operation. I read of Lydia E. Pinkham's medicine and tried the Vegetable Compound and the Sanative Wash, and they surely did wonders for me. I feel fine all the time now, also am picking up in weight. I will tell any one that your medicines are wonderful, and you may publish my letter if you wish."—Mrs. Ed. Bohnhlen, 1130 Ash St., Louisville, Ky.

Backache, nervousness, painful times, irregularity, tired and run-down feelings, are symptoms of female troubles. Lydia E. Pinkham's Vegetable Compound should be taken whenever there is reason to fear such troubles. It contains nothing that can injure, and tends to tone up and strengthen the organs concerned, so that they may work in a healthy, natural manner. Let it help you as it has thousands of others. Lydia E. Pinkham's Vegetable Compound is now selling almost all over the world.

A Buick Closed Car

Built for Summer Driving

The Buick Six Cylinder Touring Sedan is particularly popular because it combines perfectly the many advantages of the open touring model with the luxury and convenience of a fine closed car.

The wide windows provide touring car airiness; yet in case of a summer shower or dust storm, a turn of the hand instantly protects the occupants without obstructing their vision.

Buick traditional performance, power, dependability and riding comfort are worthily typified in this Touring Sedan.
