

The Two Main Considerations

QUALITY AND PRICE!

We do not need to talk about the quality of Moline implements.

We guarantee them to satisfy you.

But we aim to have a lot to say about the price of Moline implements.

And you can help us to keep the prices lower. Order now for fall shipment and get factory-to-you prices.

FIGHTER SHOULD GET WHAT HE IS WORTH

By PAUL R. MALLON

(United Press Staff Correspondent.)
NEW YORK, July 23.—A fighter should fight for what he is worth, and that is what he draws at the gate.

These are the words of Tom O'Rourke, matchmaker of the Polo Grounds Athletic club. They mean something, because O'Rourke has joined with Tex Rickard to drop the box office price of tickets to the big bouts in and around New York.

O'Rourke says \$10 is enough for anyone to pay to see any champion, and so he has set that as the top price for the Eugene Ciriqli-Johnny Dundee bout—this week at that mark.

He sounds a sensible new note in the matter of promotion. He sees just as every other promoter in the country now sees—as a result of the Shelby financial failure—that very few people are going to pay \$50 for ring-side seats to see a couple of prizefighters slam each other.

The Jeffries-Sharkey fight at Coney Island, away back in the old days, drew exactly \$70,000, and the prices were from \$2 to \$10, with the exception of some \$25 boxes clustered around the ring. The ten-back seats were fifteen feet from the ring.

Sharkey and Fitzsimmons fought for a \$30 top. Terry McGovern mixed it with Frank Erne for that amount.

This marks a strong return to normalcy. Even some fights, where no championship has been involved, have had \$17 top prices around here. The only ones who would pay that are the gamblers. They are about the only ones that can afford it, with a few Broadway sports.

SATURDAY NIGHT WAS SPLENDID SUCCESS

That the house warming dance given by the Roseburg Service Station Garage at their big new business home Saturday night, was the most successful affair of its kind pulled off in this city in many moons, was the universal verdict of the hundreds who participated in that social event. Early in the evening it became apparent that the crowd attending would be a record breaker, and the lower floor of the new garage was soon literally packed with parked cars of the revelers. The room on the second floor had been tastefully decorated for the dance. While the floor is one of the largest in the city, it was scarcely big enough to accommodate the hundreds who came to enjoy the evening. The floor management, was superb so everybody had plenty of dancing to the splendid music of the Hippos Five, the musicians being at their best that night, the selections being of such a nature as to make it impossible for anyone to resist the lure of dancing. Punch was served to everybody present, and altogether the evening will not soon be forgotten by those who attended.

ATTEND FUNERAL LITTLE ROY MORLEY

J. W. Morley and son, A. L. Morley, have just returned from Sacramento, California, where they attended the funeral of their little grandson and nephew, Roy Morley, who was killed by an automobile there on July 15. The funeral was held on the 18th. According to Mr. Morley, the accident, which proved fatal to the little lad, was a case of reckless driving on the part of the driver of the car which ran over the boy. The driver was a foreigner and was driving a large car. The little boy was on his way home and had just got off a street car when the machine struck him down to the pavement. Both the front and back wheel of the car passed over the body of the boy, and a terrific blow from the front fender knocked his head against the pavement. Death was instantaneous according to the coroner's jury. The driver of the machine did not even stop his car, but the street car conductor procured his pumber, and he is now in jail awaiting charges which will start his prosecution.

MYRTLE CREEK CHURCH TO HOLD REVIVAL SOON

The Methodist church at Myrtle Creek is holding during the next two weeks an old-time camp meeting revival. Plans have been made by the committees of that church to entertain large numbers of visitors from all over the country. The meetings will be open to everyone, and arrangements have been made to accommodate a number of auto campers. The Myrtle Creek people believe that this meeting will serve as a good form of outdoor camping and are making all preparations to take care of a large attendance. The meeting will be held in the Cedar Grove camping grounds and will begin next Sunday. Special speakers and song leaders have been secured, and the whole affair points toward success.

His Suffering Was Almost Unbearable Says Banning

THOMAS BANNING

"It certainly was a happy day for me when Tanlac put my stomach back in condition to where I could eat without suffering afterwards," says Thomas M. Banning, 321 Sixth Street, Los Angeles, Cal.

"For almost a year I was in pain nearly all the time from indigestion. The gas would nearly smother me and the pains were almost unbearable. I thought my time would soon be up and if it wasn't that I only work every other day I could never have stood it as long as I did."

"The makers of Tanlac will always have my deepest gratitude, for it only took a few bottles of this wonderful medicine to send my troubles on their way. I am now feeling as good, if not better, than at any time of my life. Tanlac has helped my wife, too, as we both have much to be thankful for."

Tanlac is for sale by all good druggists. Accept no substitute. Over 37 million bottles sold.

Tanlac Vegetable Pills are Nature's own remedy for constipation. For sale everywhere.
