D.O.K.K. SESSION IN PORTLAND

Large Number of Roseburg Dokkies Will Attend Big Ceremonial

BAND TO PLAY HERE

Medford Dokkie Band Will Give Concert at Local Bandstand on Next Saturday Night

(By E. E. Wimberly)
The Imperial Palace Dramatic Order Knights of Khorassan convenes in Portland, Oregon, August 13, and continues for the entire week. That Roseburg will be very much interested in this convention is proven by the fact that there are over 75 Dokkies here, many of whom will attend the convention, and also from the fact that there will be many visitors here both before and after the convention.

Principal among the visiting fraternity that wear the midnight blue, is the Medford temple, which will stop over night here with their caravan on Saturday, August 11th. The Medford band, from Fuhat Barkan Temple, will play a concert in the band stand Saturday evening to which the public is cordially invited. This temple to which most of the Roseburg Dokkies belong, has a snappy band, and also a fine male quartette, as well as a drill team of the first order.

Phyllis T. Bergh, the president of the Roseburg Dokkie club, says: "This may seem philanthropy on our part, but shockin' 'em to death is as good as throwin' 'em out the window." The California-Oregon Power company have put on new insulated wires on the main drag to keep the modest visitors from being shocked by the naked wires. The S. P. company have installed fifty miles of new side track to accommodate the many passenger trains which will stop over here enroute, the Grand hotel has added two more stories, and the Umpqua is also adding a few stories for the accommodation of the visitors. There are several new filling stations, including the V Not Eat, preparing for the Camel Busters, the highway has been widened and resurfaced most of the way to Portland—the weather is ideal, and everybody is requested to be here with the Roseburg smile and handshake for the D. O. K. K.

The local committees have been busy and will be busy all week as we anticipate having several hundred visitors stop over night here. 1000 cars are coming from California alone, so anyone having a spare room will please notify the committee. B. W. Strong is chairman, or J. R. Farrington, or E. E. Wimberly.

The D. O. K. K. colors are purple and gold, and any of the Roseburg merchants who wish to trim their windows will be given full information from the committee. The Tiger head and the Dokkie colors will be in evidence and appreciated by all visitors. Dokkie headquarters will be at the Knights of Pythias hall on Rose street, where open house will be maintained.

Cancel all other engagements for the band concert by the Dokkie band Saturday night, starting at 8 o'clock or shortly thereafter, as Secretary Williams says they will be here if they do not break a leg Saturday evening, August 11th.

Dr. Lee Wells and Dr. Clair K. Allen have charge of the Camel, Dr. B. H. Shoemaker and Dr. George E. Houch will keep the Tiger. A. J. Hochradel and J. E. McClintock will introduce the visitors. John C.

TO RELIEVE PAIN AND BACKACHE

Women May Depend upon Lydia E. Pinkham's Vegetable Compound

Minneapolis, Minn.—"I had heard so much about Lydia E. Pinkham's Vegetable Compound that when I realized I needed to take something to relieve my pains and backache, and to help build me up I began to take that. I had been sick off and on for years and barely weighed a hundred pounds, but now I have had such good results that I am recommending the Vegetable Compound to every one."—Mrs. J. J. Bruner, 3639 12th Ave. South, Minneapolis, Minn.

Finds a True Friend
"Every woman who values her health should be proud to have a true friend like the Vegetable Compound," says Mrs. W. E. Shaw, 3227 Walnut Street, Chicago, Illinois. "I had female weakness so badly that I could not stand on my feet. Half of my time was spent in bed and I had pains in my back which were unbearable. I tried everything I could think of to help myself, and when a friend advised Lydia E. Pinkham's Vegetable Compound I began taking it at once. I recommend it without hesitation."

FIRST IN THE SUMMER vacation kit, put a bottle of CHAMBERLAIN'S COLIC AND DIARRHOEA REMEDY

Invaluable for sudden and severe pains in stomach and bowels, cramps, diarrhoea. When needed—worth 50 times the cost for single dose.

Shields, Harry C. Crocker and Clyde W. Carstens will donate the band stand. C. B. Sutton (Col. Sutton) and C. H. Fiferoff with Torch Stevens will do the hand shaking from the Soldiers' Home. Roy O. Young, W. L. Torrey and Heavah Fulcher will furnish the smokes. P. H. Churchill and D. P. Fisher will furnish the paint. Fred Heintz will Buck the Tiger and ride the Camel over the Hot Sands at Portland.

Votary Pop Gates of Medford is going to escort the band and Khorassan quartette.

Owing to the fact that the nation is saddened by the death of President Harding, who by the way was Knight and Dokkie, being a member of Canby Lodge No. 51, of Marion, Ohio, there will be no demonstration of loyalty until after the funeral. All Knights and Dokkies are requested to be present at the services in Roseburg for President Harding next Friday.

COMMITTEE

BRITISH EXPERTS

WOULD LIMIT FORCES

LONDON, August 7.—Major General Sir Frederick Maurice, who was chief of military operations for Great Britain during the year, declares in an article on the increase in the air forces of France and Britain that "it is high time the question of limitation of armaments is taken up seriously." He says that the British government's recent decision to nearly double England's present air equipment meant a return to competition in armaments and that such competition is not likely to lead to improved relations between the two countries. General Maurice emphasizes Great Britain's willingness to enter into a conference on the reduction of air armaments similar to the Washington conference on naval armaments. But for the present, he says, Britain must, out of self-protection, bring her air strength up to that of France. "France," says he, "is the only country which within the next ten years is likely to be able to consider seriously an attack upon England from the air. Today we are not in the most remote danger of invasion which comes by sea. Therefore for the first time for centuries, the navy has ceased to be our first line of home defense, and that role has devolved upon the air force."
