

\$1.10 a Bushel FOR WHEAT

That is 20 cents a bushel above the market price, but we will take it at that price in exchange for any of the machinery mentioned in our last ad, or for paint as mentioned in the one before that. Did you read those ads? You want to get the habit of "watching our ads in the News-Review." You never know when you will find something in them that will save you money. That buy price still holds good on that machinery and paint, too. This is a chance you cannot afford to miss.

This is all good stuff, just the same as we sell right along, but we need the room and can use the wheat and hay.

See us first, we can save you money.
