INTEREST RATES

FIXED BY UNION

The initial meeting of the Rural Credits union, the newly formed organization which is being organized to loan money on farm and agricultural property, was held last night. All details were arranged and the concern is now ready for business. The interest rates were discussed at considerable length and the rate on the amortization loan was fixed at 7 per cent and on the straight loan at 8 per cent. The short-term loans will also take the 8 per cent rate. It is expected that the union will be able to loan money on this year's crop as money will be available as soon as the necessary blanks and forms can be printed.

SUMMER TIME is HAM TIME

Summer time is a good time to keep a FRYE'S DELICIOUS HAM hanging in your cooler. Then you're ready for all occasions that call for good food.

When you have guests on a Sunday picnic and want something specially nice, bake the day before, the butt of a FRYE'S DELICIOUS HAM as you would a fresh pork roast, using powdered cinnamon, cloves, mustard and brown sugar. Use a covered roaster with enough water to make steam. Being young, tender pork, FRYE'S DELICIOUS HAM calls for only fifteen minutes of baking to the pound.

To serve an extra nice breakfast fry or broil a slice of FRYE'S DELICIOUS HAM and fry eggs in the drippings.

Wherever you use FRYE'S DELICIOUS HAM you add rich flavor because it's choice young pork cured and smoked in hardwood smoke by the original FRYE PROCESS which preserves the delicate texture and develops the mild, rich flavor.

FRYE'S DELICIOUS BACON is of the same high quality as FRYE'S DELICIOUS HAM.
