UNIQUE TESTS FOR CHICAGO'S SPEED FIENDS

Judge Asks Them if They're
Married or Single and
How Well Educated

RELIGION IS PRESCRIBED

Traffic Violator Usually Is
of a "Sub-Normal Type,"
Expert Informs the
Court

By ROLAND KREDS,
(International News Service.)
Correspondent

CHICAGO, Oct. 13.—Marriage, age
and progress in school are determining
factors in the making or unmaking
of a speeder, to judge from questions
directed to defendants in speeders'
court here by D. J. Jones, city physi-
cian.

Dr. Jones has inaugurated a series
of psychoanalytic tests for those
brought into court. He asks:

1. How old are you?
2. You occupation?
3. How far did you go in school?
4. What kind of a car do you drive?
5. Married or single?

Under the doctor's tests each case
is presented to him as well as to the
judge. The first subject was Elmer
Nelson, 31, a painter, who gasped
when he heard Dr. Jones pronounce
him a "sub-normal type."

The defendant, according to the
police, spun across a crossing at a 37-
mile-an-hour clip, swerving and strik-
ing three other cars. Nelson admitted
having a "couple of drinks of home
brew." Nelson was horrified when Dr.
Jones turned to the judge and said:

"This is the most dangerous type of
driver. This man is totally unbalanc-
ed. His reasoning faculties are dim-
inished and his responsibility is a
zero when influenced by alcohol."

The court agreed with the physician
and fined the prisoner \$500 and put
him on probation for a year. Under
its terms he must not take a drink for
a year and he must attend religious
services each Sunday.

"Most traffic violators are sub-nor-
mal persons," Dr. Jones said. "I pro-
pose to continue these tests in this
court and give my report to Mayor
Dever and Chief of Police Collins with
a view of reducing the number of vi-
olations."

One of the most serious complexes
developed by drivers of high-priced
automobiles, according to the tests, is
that they consider themselves above
the drivers of flivvers and the like and
accidents result when they attempt to
encourage this strange hallucination.

TEACHERS HOLD ZONE MEETING

W. M. Kent, principal of the Reeds-
port schools, was elected president of
the Zone Five—The Lower Umpqua
division of the Douglas County Teach-
ers' association, at the meeting held
at the high school Saturday, says the
Port Umpqua Courier. Other officers
elected were: vice president, Mr.
Tobie, of Smith River; secretary, Mrs.
N. S. Jones, of Reedsport; delegate to
the state convention, Mrs. N. S. Jones.

After roll call the teachers reported
plans for standardization.

Just before the closing of the morn-
ing session, Mrs. O. C. Brown read a
letter from Miss Mozella Hair of the
extension division of the state univer-
sity, outlining a plan for a contest in
Oregon history.

Luncheon was provided by the Par-
ent-Teachers' association, the Mes-
dames Kent, Flattery and Haas having
charge.

The afternoon session was opened
by Mrs. Brown who spoke on the im-
portance of the Oregon State Teachers
association. Election of officers fol-
lowed.

The subject "Psychology and the
School" was introduced by Mr. Kent.
Other speaking on the subject in its
various angles were: Mr. Tobie of
Smith River; Mr. Hays of Gardiner;
Miss Ethel Miller of the Reedsport
school.

The next meeting will be held in
Gardiner December 15.

IN BANKRUPTCY

In the district court of the United
States for the district of Oregon.

In the matter of Frank Hite, bank-
rupt.

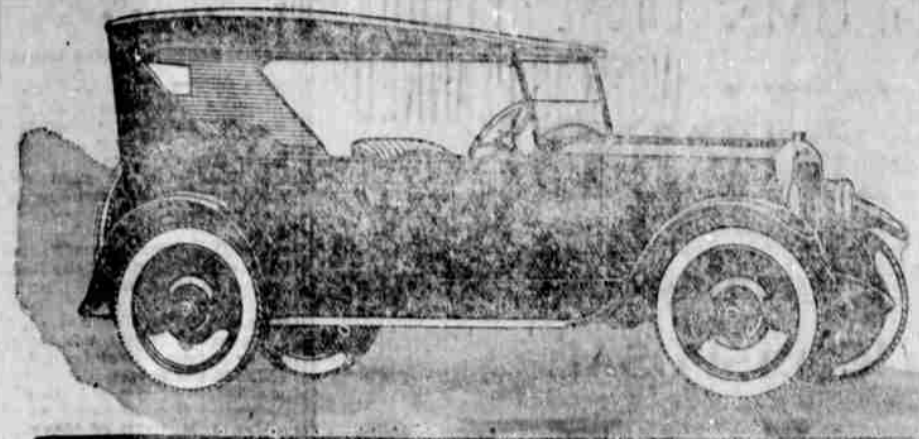

Frank Hite, Bankrupt.

To the creditors of Frank Hite of
Bruckway, in the county of Douglas,
and district aforesaid, a bankrupt:

Notice is hereby given that on the
6th day of September, 1923, the said
Frank Hite was duly adjudicated
bankrupt; and that the first meeting
of his creditors will be held at the of-
fice of the undersigned referee in
Roseburg, Oregon, on the 24th day of
October, 1923, at 10 o'clock in the fore-
noon, at which time the said creditors
may attend, prove their claims, ap-
point a trustee, examine the bank-
rupt and transact such other busi-
ness as may properly come before
said meeting.

Dated October 11, 1923.

C. L. HAMILTON,
Referee in Bankruptcy.

Announcing the 1924 Oakland 6

It's Brand New—and True Blue

This True Blue Oakland was deliberately plan-
ned to be the most perfectly balanced, the most
accurately engineered and the finest built light-
six in the world.

Two years have been devoted to its design,
manufacture and test. Two years—plus the
wealth of Oakland experience gained through
many other years of exclusive light-six manufac-
ture and the limitless resources of General
Motors.

From axle to axle—it's new! It embodies features
of mechanical superiority—of beauty and comfort

and performance—heretofore unheard of in cars
of its price! Every single part—from the new
engine to the new bodies—was designed and
built to fit and function in perfect harmony with
every other part.

And because it has been so carefully designed,
so soundly built and so thoroughly tested—
Oakland places upon it, without hesitation, the
same written 15,000 mile engine performance
guarantee and the same Mileage-Basis gauge of
value that have proved the quality and the value
and the excellence of Oakland cars for years!

Four-Wheel Brakes—New Engine—New Bodies! Special Showing All Week—You Are Invited!

Come in and see this True Blue Oak-
land—built to be the finest light-six!

Study its exclusive features and you
will marvel at the value built into this
car at its new low price.

Test its four-wheel brakes—an out-
standing safety achievement on a car
of Oakland's price! Note how simple
they are! learn why they require so

much less attention than conventional
two-wheel brakes.

Inspect the brand new engine—
smoother, quieter and more powerful
than even its highly successful prede-
cessor, the Six-44.

See the new blue bodies built by
Fisher. The top is permanent with
new side curtains comparing in mag-
nificence and utility to the doors of a
closed car. Controls are centralized
on the steering wheel. Disc steel
wheels are standard at no added cost.

See this new Oakland at our special
showing this week! Don't miss the
first public exhibition of this True
Blue car—the latest and finest
achievement of the Oakland Division
of General Motors.

A Nation-Wide Demonstration

"True Blue Travelers"—of which the 1924 Oaklands are
exact counter parts—have started on a remarkable tour!
They are part of Oakland's fleet of test cars, some of which
have traveled fifty thousand miles. Traveling the routes
indicated on this map, they are demonstrating not only the
high quality of Oakland construction, but also the remark-
ably efficient performance buyers may expect from their
True Blue Oaklands after months of the hardest service.

INDIA WILL COMPETE IN PARIS OLYMPIAD

(By Associated Press.)
CALCUTTA, Oct. 13.—India will
be one of the competitors in the
Olympic games to take place in Par-
is in 1924 if plans inaugurated by
Lord Lytton, governor of Bengal, are
carried out. The governor has called
a meeting for the purpose of form-
ing a Bengal Olympic committee in
connection with India's proposed rep-
resentation. Governors of several of
the other provinces are acting simi-
larly.

"Every care is being taken," says
Dr. A. G. Noehren, physical director
for India, Burma and Ceylon, "to or-
ganize India's participation in the
games on a representative basis, so
that the chosen India team will con-
sist of the best athletes that all the
provinces can produce. I have con-
fidence that, although India has not
the sporting traditions of such coun-
tries as England and France, she will
give a good account of herself. There
is undoubtedly good athletic talent
among her vast population, and who
knows but that a potential world
champion may not be hidden away
in some obscure village?"

"It has been decided," Dr. Noeh-
ren continued, "to limit competition to
the better known track and field
events. With regard to the Mara-
thon race, let it not be forgotten
that the runner after whom the race
was named dropped dead in the
streets of Athens. At Delhi we think
it wiser to substitute a modified Mar-
athon of ten miles and, if competi-
tors for this event show special
promise, the winner, after physical
examination could be carefully trained
for the longer distance."

McElroy's jazz band from Jaxland
with Monte Austin, singer and Johnny
Sylvester, premier accompanist, at the
armory Tuesday night, October 16th.

NOTICE

Special while they last, 15-jewel
bracelet watches only \$8.50; Eight
men's watches and chains, Ladies'
Eight bracelet watches, pearl neck-
laces, alarm clocks, all in stock.
