ALL GAME THIS AFTERNOON

Myrtle Point Teams...
The students held two rallies during the day, one at noon and the other just before the game. A great deal of interest is being shown in the athletic activities of the school this year and the students are well pleased with the support and aid being given them.

A tub of clothes in 5 minutes—and they have to be mighty dirty clothes at that, otherwise 3 or 4 minutes would be sufficient. What God Says about-FAITH

"All things are possible to him that believeth."
Jesus said this to the father who came to Him with a demon-possessed son; and he believed, and Christ healed the boy.
Kanzo Nehimura, who is indeed a flaming prophet among his Mothers in Japan, wrote this, which I copy from "The Friend," of Honolulu:
"I do not work; I believe. I do not pray; I believe. I do not sanctify myself; I believe. I do not prepare myself for heaven; I believe. Faith, which is believing in God's mercies and in the sacrificial death of His Son, faith makes me work, faith makes me pray, faith sanctifies me, faith prepares me for heaven. My religion is all faith. There is no effort in it except it be an effort to believe. The Lord Jesus Christ is my wisdom from God, and righteousness and sanctification, and redemption. He is my all. Indeed, for me to live is Christ. I, by my faith, let Him live and work in me, and myself become a believing automaton, a fit instrument of righteousness in His hand. All is so simple and so good."

Come and do not be afraid to invite a friend to come with you. Anyone is welcome to attend our church, but, oftentimes people, those who have no particular church, are backward about taking the initiative when it comes to church going. Try asking a friend to come to church with you this Sunday and see how it works. Choir practice every Friday night at 7:30 p. m.

FIND RADABAUGH CAR
Ford Car Taken This Week by Auto Thieves Located by Chief of Police at Ashland
The Ford car stolen the first of the week from in front of the Guy Radabaugh home on Chadwick street, was located at Ashland yesterday, a bearing in the machine was turned out by the auto thieves, but otherwise the machine is believed to be unharmed. After stealing the car they drove it to the home of F. M. Seabring in West Roseburg where they obtained about fifteen gallons of gasoline and a quantity of oil. Mr. Radabaugh left this afternoon for Ashland to have the car repaired and will drive it back to Roseburg.
This is a Studebaker year.

How Do They Make such delicious bread?
Few of our patrons realize, when they eat this question, how many factors are considered in the making of good bread.
Carefully selected wheat flour, the purest of ingredients, sanitary baking, and careful preservation of the loaves from air and all its impurities, is our task.
But the result is worth all the pains we take, and worth more than the few pennies we ask for this wholesome appetizing food.
