## FIRE BONDS ARE GIVEN SUPPORT

Unqualified endorsement has been given by the directors of the Roseburg Chamber of Commerce to the proposed bond issue to be voted upon on November 6 by the residents of Roseburg. The directors in a meeting last night discussed in considerable length the need for better fire equipment in the city. They gave consideration to the fact that there has been little advancement in fire equipment for seven years, while the city has been making rapid strides in the way of building. In view of the situation the directors were unanimous in favor of additional fire apparatus and the following resolution was prepared and adopted:

## NEED IS APPARENT

Whereas, the Board of Directors of the Roseburg Chamber of Commerce has given very careful consideration to the absolute needs for better and more adequate fire protection for the business and residential districts of Roseburg, and
