SERVICES in the CHURCHES

What God Says about—YOUR MANIFESTATION

"Then shall ye also appear with Him in glory."*

Are you ready? There is going to be a day when everybody present will shine as Jesus did on the mount of Transfiguration—when our faces will shine as the sun and our clothing be white as the light. For Paul says that He (Jesus Christ) shall change our bodies of humiliation that they may be fashioned like unto His glorious body. Are you ready? Do you say, "What's the use of thinking about that?" I have trouble enough to keep myself clean today without thinking of that far away day."

Well, I guess—I just guess you are not ready. The way to be ready is not to try to keep clean, but "With open face beholding as in a glass the glory of the Lord" be "changed into the same image from glory to glory, even as by the Spirit of the Lord." Yes, this is God's way for you to get ready for your manifestation day, Brother Christian. Keep looking at the face of Christ as you find it pictured in the Word of God.

But what about you, Christ rejector? You will be shown up, too, but not in glory, and the charge against you will be, "He rejected the salvation provided by Christ;" and then—but don't let the sentence of eternal despair fall. Accept the pardon for your sins offered you now by the God-man who died on the cross. Accept Him now and you will be ready for your manifestation with all the other sons of light.

In harmony with this are numerous statements of the scriptures; Instance Isa. 43:3, 11; 60:16; Hos. 13:14; Jude 25; 1 Tim. 4:10; Titus. 1:3; 2:10. Again, "We trust in the living God, who is the Savior of all men, especially of those that believe." All are welcome.

You will enjoy eating Kellogg's Bran because its nut-like flavor appeals to the taste. And, think what each mouthful is doing to drive constipation out of your system and to reestablish health! That's because it is ALL BRAN. Kellogg's Bran is scientifically made to relieve suffering humanity—IT WILL DO THAT AS NO OTHER FOOD CAN!

Physicians recommend the regular use of Kellogg's Bran for mild or chronic cases and as a preventive. Bran, eaten each day and in proper quantity, sweeps, cleanses and purifies the alimentary tract.

Get away from pills and cathartics—Kellogg's Bran will give you permanent relief from constipation.

Do not confuse Kellogg's Bran with common bran. Kellogg's is cooked, krumbled and ready to serve. It can be used in the most delightful baking products without in any way changing its regulatory value. Try it when bread or muffins or griddle-cakes made with Kellogg's Bran. Recipes are printed on each package.

Kellogg's Bran is nationally eaten for health's sake as a cereal—in winter time with hot milk. Others prefer it sprinkled over ice or fruit cereals. Another way is to mix it with batter just before serving. It can also be cooked with cereals. In each case add two tablespoonfuls of Kellogg's Bran for each person. In chronic cases to cook with each meal.

Kellogg's Bran is sold by all grocers and is supplied in individual packages at first-class hotels and cafés. Ask for it at your restaurant!
