The Bank That
Public Confidence
Built

OUR HOBBY IS SAFE BANKING. A high standard of conservatism is maintained and our methods are modern and satisfactory to our patrons. We most thoroughly appreciate the confidence of the banking community and we respectfully call attention to the economy, safety and satisfaction in placing your earnings in a safe and sound institution.

THE BEST NEW YEAR'S RESOLUTION and one that will not be regretted, is to sign your name to the list of depositors of this bank and thereby take a step towards assured wealth and prosperity. Our bank has an unassailable, firm financial foundation.
