## Is Opportunity Knocking at YOUR Door?

—Read this, please, then STOP, THINK, REFLECT. We hope you will see here—NOW—a real possibility of personal gain, MONEY.

—We have told you before that you may be sitting over riches, that right under your very feet there may be the greatest undeveloped oil field in the world.

—We have also told you before that here there is every surface indication that such is the case, so claim eminent geologists and oil experts who have made oil location and oil development their life's business.

—Many Roseburg people are of the opinion that there is oil here in great quantities, but until now there has been no organized effort to prove or disprove this belief.

—Now comes the Roseburg Oil & Gas Co., a company financed and managed by solid, substantial, capable business men of the state of Oregon. This company is now one of you.

—We are here for one purpose—TO DEVELOP YOUR RESOURCES AND MAKE MONEY FOR ALL.

—We are operating under Oregon laws, and are

giving every possible assurance of our good faith and integrity.

—DO YOU WELCOME SUCH A COMPANY? DO YOU WISH TO SEE THE DEVELOPMENT OF THE STATE'S DORMANT RESOURCES, AND WOULDN'T YOU LIKE TO SEE YOU—YOURSELF—PROFIT TO THE MAXIMUM BY THIS DEVELOPMENT?

—Those who invest a few dollars in this company now and join in this laudable work should profit most, and it is right and proper that they should.

—WOULDN'T YOU LIKE TO INVEST A TEN DOLLAR BILL, A TWENTY, OR \$100.00 OR SO—NOW, RIGHT NOW, BEFORE THE OPPORTUNITY HAS PASSED? YES, YOU WOULD—THERE IS NO DOUBT ABOUT THAT—IF YOU ONLY REALIZED OUR POSSIBILITIES—YOUR POSSIBILITIES OF RETURNS.

—We respectfully request that you cut out and mail the application blank appearing below, at once. Fill it in for some amount, large or small, just as you wish. A small investment is better than none.
