

Ford
THE UNIVERSAL CAR

Looking Ahead

LAST Spring a total of 350,000 people were disappointed in not being able to obtain deliveries of Ford Cars and Trucks, as orders were placed faster than cars could be produced.

The demand for Ford Cars and Trucks this Spring will, according to all indications, be far greater than last Spring.

Winter buying has been increasing at a greater rate than ever before.

Actual retail deliveries the past 60 days totaled 308,170 Ford Cars and Trucks, an increase of 1,961 a day over a year ago.

Over 200,000 people have already ordered Ford products on our purchase plan, the majority of whom will take delivery in the Spring.

The above facts are given with the suggestion that you list your order promptly with a Ford dealer if you contemplate the purchase of a Ford Car or Truck for use this Spring or Summer and wish to avoid delay in delivery.

Ford Motor Company
Detroit, Michigan

You need not pay cash for your car. You can arrange to make a small deposit down, taking care of the balance in easy payments. Or, you can buy on the Ford Weekly Purchase Plan. This puts you on the preferred order list and insures delivery of your car at a time to be determined by yourself.

TOKIO POLITICS GOES ON SERENELY

(Associated Presses Leased Wire.)
TOKIO, Jan. 16.—After successfully completing a new cabinet with the support of the Kenkyukai, ruling political group of the house of peers, Viscount Kiyoura apparently is facing possible destruction of his ministry through the opposition of the Seiyukai, majority political party of the lower house of the diet.

Viscount Takashi, president of the Seiyukai, announced opposition to the Kiyoura ministry today, thus swinging the majority party against Viscount Kiyoura and leaving him without support in the lower house.

Introduction of a resolution calling for a vote of lack of confidence in the cabinet in the opening stages of the diet session next week is being planned by Seiyukai representatives, it is understood.

Passage of the resolution is said to be assured.

Under such circumstances, the Kiyoura ministry apparently will remain in office over the period of the wedding of the Prince Regent Hirohito set for January 29, only by virtue of the suspension of the session of the diet for the nuptials. Immediately afterward, it is now anticipated, the cabinet will resign.

Viscount Takahashi declares that he will resign his viscountcy and enter the election campaign in May as a commoner.

District Attorney Cordon and Sheriff Starmer last night attended a law and order meeting held at Dr. Dr. The district attorney made a short talk and others present addressed the assembly.

FOSTER BUTNER IS BACK FROM CHICAGO

Foster Butner, manager of the Umpqua Broccoli Exchange, returned today from a trip to Chicago where he has been investigating market conditions. Mr. Butner states that the Umpqua Valley broccoli will find a ready market in the east this year and that conditions are as good as they were in 1923. He states, how-

CONSTIPATION
must be avoided, or torpid liver, biliousness, indigestion and easy pains result.

NIP TROUBLE At the Start

If your motor does not start readily, as it should, or shows a lack of pep and power, don't waste time tinkering with it, but bring it in and let us diagnose the cause of trouble.

Our method is to get right into the engine and discover the cause, then fix it in a way that brings back all the motor's old time efficiency.

The ultimate cost to you is much less, to say nothing of the satisfaction you get out of a well behaved machine.

The 1924 Model
Studebaker Light-Six
Sedan
\$1485
f. o. b. factory

The 1924 Model Studebaker Light-Six closed cars are quality cars.

They are built to endure—to give lasting satisfaction.

Both body and chassis are produced in Studebaker plants where painstaking craftsmanship has always been the rule—and the practice.

By manufacturing complete motors, transmissions, axles, frames, bodies, tops, castings, forgings, and stampings, parts-makers' profits are eliminated from costs, and one profit only is included in Studebaker prices.

Phone or call for demonstration.

THIS IS A STUDEBAKER YEAR

ever, that the growers are facing a situation growing out of increased production of the vegetable but believes that the local product will find a market over the California variety in view of the fact that the Umpqua

Valley broccoli is of much better quality. The California cauliflower now being shipped into Chicago is of an inferior quality and if the present shipments are any indication of the variety of broccoli to be shipped there is no doubt but what the Douglas

county growers will have little trouble in competing with the California chop.

GASOLINE PRODUCTION

Production of gasoline last year amounted to 7,500,000,000 gallons, the greatest output in the history of the country.

GEO. SMITH SELLS TWO WHITE TRUCKS

Geo. H. Smith, of the Roseburg Service Station Garage, Inc., has just returned from the southern end of his territory for White Trucks, and is sending in two orders for these heavy freighters. One of these big trucks goes to Chas. Welter, of the Welter Lumber Co., Grants Pass, and the other was bought by R. R. Ramsey, of Klamath Falls. Both orders are for the Five ton, long wheel base logging type. These White Trucks are said to be in big demand among loggers and mill men, and more of them are believed to be in use on the coast than any other one make.

AUSTRALIA BUILDS CAR

Australia is again attempting to place on the market an "all-Australia automobile." Its unusual features include an engine located midway between the front and the rear and an entire absence of frame and a body constructed of a ply wood glued and sewn together.
