MEN OF MIDDLE AGE

How Mrs. Walsh Was Helped Taking Lydia E. Pinkham's Vegetable Compound

nington, West Virginia.—"I took getable Compound when having the turn of life. I had been sick for seven years. I would get a little better, then I broke down again. It would be hard for me to describe how I was, for I was a perfect wreck. I suffered with a pain in my left side, then I would have numb spells and I would think I couldn't live. d have hot flashes, then would weak spells. I was so weak I thing I couldn't ever get a meal My work was a burden to me, not able to do my housework half time. A friend advised me to Lydia E. Pinkham's Vegetable ound, and it has given me strength alth. The hot flashes left me and better of the numb spells. That I could do my housework and in the garden a good bit. I tell women what your wonderful did for me, and will always mend it. I was born in Marion y and still live in it. I am known my neighbors, and you can pub- e statement because it is true." JOHN W. WALSH, R. No. 1, Mannington, West Virginia.

GRAIN MARKET

CHICAGO, Jan. 22.—Fresh upturns in the price of corn resulted early today from continued scantiness of receipts and from forecasts of another cold wave. The opening, which ranged from 1-8 to ¾ higher, May 78¾c to 78 7-8c, was followed by a slight reaction and then by a rise somewhat higher than before.

Wheat and oats were firmer in sympathy with corn. After opening at 1-8 lower to 1-8@¼ higher, May $1.08 1-8 to $1.08 1-4 and July $1.06¼ to $1.06 5-8, wheat scored a little advance all around.

Oats started 1-8@¼ to ¼ higher, May 46 7-8c and later held near to the initial range.

Higher quotations on hogs tended to lift the provision market.

ASSESSMENT IS HELD TOO HIGH

Executive Committee of Farm Bureau Wants Lower Value on Prune Land.

CROP PRICE IS LOW

Lands Should Not Bs Assessed as High as When Fruit Was Bringing Top Market Price, Growers Claim.

That prune orchards in Douglas county are assessed at a figure much greater than their earning power, and should be lowered in valuation to conform to their production value, is the belief of the executive committee of the Douglas County Farm Bureau who have appointed a committee to make an investigation and take up this matter with the county assessor and the county court.

Prune lands, it is claimed, are now assessed at a figure higher than almost any other class of land in the county. With the prune market in its present condition prune lands are a liability rather than an asset.

"We have no objection to make to paying high taxes on these lands when the orchard product is bringing a high price," Mr. Hercher, chairman of the committee stated. "When prune lands produce more than other lands we agree that they should be assessed higher than other classes, but when prunes are a liability rather than an asset, and we are unable to sell our fruit at any price whatsoever, we do not feel that we should be required to pay as much as when we are receiving high prices for our prunes."

The committee appointed to aid Mr. Hercher is composed of R. R. Clarke, Oakland; John Bacon, Umpqua; John Fenn, Canyonville; John Arzner, Riddle; H. W. Weaver, Myrtle Creek; Wm. Voorhies, Looking Glass; John Busenbark, Melrose; George Bradburn, Winston and Johne Throne Roseburg.

The resolution adopted was as follows:

"Whereas, the present assessment values of prune orchards is largely based upon the earning power of the orchards, when the product sold for 100 per cent more than at the present time.

"Therefore be it resolved, that the president of the Douglas County Farm Bureau appoint a committee of farm bureau members to investigate the facts, and, if found equitable, to place these findings before the county assessor and county court, and bring about a more just equalization of assessment values in harmony with the actual earning power of these orchards."

The resolution was adopted at the executive session held yesterday afternoon.

TESTIMONY LACKING IN MOVIE SCANDAL

(Associated Press Leased Wire.)

LOS ANGELES, Jan. 22.—That there appears to be a "conspiracy" to suppress evidence in the hearing of Horace A. Greer, chauffeur for Mabel Normand, film actress, charged with shooting Courtland S. Dines, Denver Oil man, New Year's night was the statement made from the bench today by Judge G. Waller Hanby, hearing the case.

Judge Hanby said: "I am not at all satisfied with the testimony that has been given in this case. There appears to be a conspiracy on the part of the witnesses who have already testified to keep from the court things that the court should know about this case."

THIMBLE CLUB TO MEET

The Woodcraft Thimble Club will meet this week on Wednesday afternoon at the K. of P. Hall at two o'clock. The hostesses will be Mrs. George Quine and Mrs. O. L. Johnson, and they are arranging a pleasant afternoon for the club members.

COUNCIL DELAYS SALE OF BONDS

Fire Truck Bonds Will Not Be Sold Until First Meeting in June.

HANDS ARE TIED

Council Required to Purchase Specified Type and Size of Apparatus, But Takes Time for Action.

The city council last night decided to postpone the sale of the fire truck bonds until the first part of June, delaying action on the purchase of the fire apparatus for several months. The council appeared to be considerably "peeved" because its hands were tied by the amendment voted by the people, and spent much time in argument over the proposition.

The amendment passed by the voters "directs" the council to purchase a "triple-combination engine of 1000-gallons capacity, and of standard make." This prohibits the council from buying any smaller engine, and also forces them to buy a machine put out by one of the standard fire apparatus manufacturers.

The proposition was brought up last night that the city have its equipment assembled at Portland, as several other cities have done recently at a saving of several hundred dollars, but it was shown that this cannot be done because of the requirement that the apparatus be of standard make.

It was also claimed that the cities are buying 750-gallon pumpers and that this would be large enough for Roseburg, but again the amendment is mandatory and requires a 1,000-gallon pumper.

Fire Chief Fletcher explained to the council that in framing the amendment that it was deemed best to procure a large pumper which would cost very little more than the smaller size. Portland and the larger cities buying 750-gallon pumpers always send two engines to every fire and have plenty of apparatus in reserve, he stated, but in Roseburg there would be only one engine and it should have reserve capacity. A 1000-gallon pumper could deliver any desired volume of water from 100 gallons up. It would not be necessary to operate it at full capacity, but the reserve would be available in case of emergency.

He further explained that the assembled equipment is not dependable. The ordinary commercial truck chassis is not built for high speeds and the motors would not stand up under the strains often placed upon fire equipment. In order to provide adequate protection the pump should be one fully tested and thoroughly dependable.

The council discussed the matter at considerable length, and took up the ordinance providing for the issuance of bonds. It was decided not to sell the bonds until the first meeting in June. The bonds will be in the sum of $15,000 with interest payments on May 1 and November 1. The bonds will bear interest at the rate of 6 per cent, and will run for a period of 15 years, but will be redeemable at any time after the first five years.

LOCAL NEWS

H. H. Brown of Portland, arrived in this city last evening to spend a few days here attending to business.

L. Older is spending a short time in Roseburg looking after business interests. Mr. Older is from Medford.

Washburn Hall who resides in Myrtle Creek spent the day in Roseburg attending to business interests.

G. W. Thiel was in town today for some time looking after business. Mr. Thiel is from Oakland.

Mr. and Mrs. T. O. Dixon of Oak Creek were in town today for several hours shopping and attending to other affairs.

H. A. Champaign of Portland spent yesterday in this city visiting with friends and relatives. Mr. Champaign is a former resident of Roseburg.

J. T. Wallace, traveling freight and passenger agent for the Chicago and Northwestern line of Portland, arrived in this city this afternoon to spend a few days attending to business matters.

A. Peterson of Yoncalla is spending a few days in this city looking after business matters. Mr. Peterson is registered at the Hotel Grand.

Mrs. J. R. Hall, who resides in Myrtle Creek was in town for several hours today shoping and attending to other matters.

Mr. and Mrs. J. Johnson of Marshfield are spending several days in Roseburg visiting and attending to business affairs. They are registered at the Hotel Grand.

WILL ALLOW OAK TREES TO STAND

Protest Against Removal of Beautiful Trees on Houck Street Wins Favor.

ORDER IS RESCINDED

Investigation Proved Trees to Be Sound and Disproved Claim That They were a Menace.

The two huge and beautiful oak trees located in Houck street will stand, the city council having granted the petition of residents of the street for the cancellation of the order for the destruction of these attractive landmarks.

A short time ago several persons residing along the street informed the council that the trees are dangerous and that they constitute a menace to pedestrians. Upon this claim the council ordered the trees removed. Other residents immediately protested, and so action was delayed until last nights meeting.

The residents desiring the trees to remain, brought up the fact that an effort is being made to create a more beautiful city, and it is not in line with this plan to destroy the most beautiful features. these great oak trees. They are not dangerous, it was claimed, and one of the petitioners agreed to have the trees trimmed so that there would be no dead branches to cause danger to pedestrians. The only objection that can be made, it was said, is the fact that the leaves cause some work in the fall of the year. Councilman Powell, who was ordered to cut the trees at the first meeting, stated that he had made an examination and that the trees are perfectly sound and are not dangerous, and said that it would be a shame to cut them. Consequently the council will allow the trees to stand, in spite of the fact that they are in the center of the street.

J. V. Casey appeared before the council last night with a petition asking that the assessment on a large lot in Laurelwood be split, as there are two houses being built on the lot. The matter was referred to the street committee.

The residents of upper east Lane street asked that a fire hydrant be installed there. It was shown that such a hydrant would be above the level of the reservoirs, if put where it is really needed. The council is going to take up the matter with the water company and see if arrangements cannot be made for another reservoir to be built at a higher level to furnish fire protection to the elevated sections of the city.

A light was ordered installed at the west end of Mosher St.

The city has decided to pay taxes on all of the property it has acquired through the foreclosure of liens, with the exception of the property in Terrace Park addition. The recorder was instructed to prepare a list of the property held by the city, and will proceed to offer all of this land for sale for the amount of the city's liens.

The assessment of Flint street was approved.

A remonstrance against the Military street paving assessment was denied.

A check presented by Washington Hughes, as his share of the benefits in the opening of Spruce street, was delivered to the council.

H. B. Hastings of Wilbur was in town today for some time looking after business interests.

W. E. Clingenpeel was in town today spending the day on business. Mr. Clingenpeel is from looking Glass.

J. L. Brown fro mMyrtle Creek was in town today transacting business.

H. W. Christian who is a resident of Wilbur spent the afternoon in Roseburg attending to business.

A marriage license was issued today to Orvall Waddell and Stella Parks of Yoncolla.

Mr. and Mrs. George Evans and Mr. and Mrs. C. E. Curtis from Roseburg, are among the registered guests for the day at the Albany. —The Albany Democrat.

Mr. Myers of Melrose, who was taken quite ill recently, was taken to Eugene this morning for treatment. The trip was made in Clifford Mabley's car, Mrs. Mabley, a daughter of Mr. Myers, also going with her father.

Chester Hercher, who has been very ill of typhoid fever for several weeks, has improved so that he is able to be about town again. He has been residing at Dillard with his parents during the time he has been recuperating. Lawrence Hercher who has been at Mercy Hospital recovering from an operation has returned home.

Mr. and Mrs. H. C. Anthony and family of Marshfield are spending a few days in this city attending to business matters.

Mr. and Mrs. W. S. Byron, who resides in Umpqua were in town today for several hours looking after business and shopping.

R. Z. Farmer, who is spending a few days in this city on business is registered at the Hotel Grand from Portland.

"Tanlac Saved My Life," Says Mrs. Clawson.

"I will always believe that Tanlac saved my life," is the striking statement of Mrs. Charlotte G. Clawson, 263 Octavia St., San Francisco. "For two yers, I had stomach trouble so bad that I never saw a well day. My suffering was terrible and four or five times every week I had attacks when hypodermics only could relieve my agony. I actually lost sixtyifve pounds and was almost a shadow.

"At first Tanlac did not seem to help me much but after my third bottle my improvement was astonishing. The pains and bloating went away, I could hardly eat enough and my weight actually went from ninety-five to one hundred and forty-five pounds. Although it has now been four years since I took Tanlac, I have no further trouble with my stomach and my health is better than ever. Tanlac was certainly a blessing to me."

Tanlac is for sale by all good druggists. Accept no substitute. Over 40 million bottles sold.

Take Tanlac Vegetable Pills.

BOK WILLING TO MAKE NEW AWARD

(Continued from page one.)

which the United States may cooperate with other nations to achieve and preserve the peace of the world, I shall be glad to give to the author of the plan selected by your committee the sum of one hundred thousand dollars ($100,000) under the following conditions:

"I. E.—the payment of the author of the fifty thousand dollars ($50,000) when your committee has selected the better plan and fifty thousand dollars ($50,000) to the author, if and when the plan in substance and in intent, is approved by the United States senate.

"I earnestly urge upon you the most favorable consideration of this proposal to the end that we may unite in an endeavor to give to the American people the uppermost desire in their hearts; an end to bloodshed and an era of world peace."

WASHINGTON, Jan. 22.—Chairman Moses of the senate committee investigation propaganda, replying formally today to Edward W. Bok's letter offering to create another peace prize to be awarded by the committee itself characterized Mr. Bok's failure to answer committee questions as indicating an attempt "to set yourself up as a privileged class of one to whom a special rule applies."

Senator Moses declined to comment on Mr. Bok's proposal. He said he would lay the letter before the committee for action.

REEDSPORT MEN BREAK FROM JAIL

Four prisoners confined in the Reedsport jail, escaped last night according to word telephoned to Sheriff Starmer this afternoon. It is believed that the prisoners were given outside aid in their escape. One of those who succeeded in getting away was Louis Childs who was arrested charged with possession of intoxicating liquor and who was to have been brought to Roseburg today by Deputy Sheriff Grubbe. Childs was found with two quarts of liquor and entered a plea of guilty before Justice of the Peace Benson. He was fined $250 and given 30 days in jail. He is 21 years of age, 5 feet 8 inches tall, weight 140 pounds, dark complexion, dark hair, blue shirt, kahaki shirt, tan shoes and cap.

Three others left with him. Ray Waite, aged 19 years, 5 feet 4 inches, 140 pounds, dressed in loggers' clothes another prisoner named Willis, and a third whose name was not obtained. Officers in Eugene and Coos Bay points have also been notified and it is expected that the prisoners will be arrested again.

PRIME MINISTER BALDWIN QUITS

James Ramsey McDonald Is Selected to Form a Cabine.

ADJOURNMENT IS TAKEN

No Announcement Made as to When New Cabinet Members Will Be Named.

(Associated Press Leased Wire.)

LONDON, Jan. 22.—Prime Minister shortly before noon tendered the resignation today of his ministers to King George and advised the soverign to send for James Ramsey MacDonald.

The King accepted Mr. Baldwin's advice and summoned Mr. MacDonald, the labor leader, for an audience at noon.

Mr. MacDonald's audience with the King lasted an hour. The King invited him to form a government and Mr. MacDonald accepted.

Mr. MacDonald, it was stated this afternoon will combine the foreign office with the premiership.

James Ramsey MacDonald is selected by King George to form a cabinet by virtue of his position as head of the parliamentary labor party, which by its numerical strength in the house of commons has been his majesty's official opposition.

The premier-designate is 57 years old and self-educated. Although the leader of the Laborites, he has never been a manuel worker, having achieved his position by virtue of his academical knowledge of industrial affairs, gained through close study. As the son of a Scotch peasant, however, he early in life learned the privations of the average laborer's lot.

MacDonald seldom laughs and the set of his jaws bears out his characterization as "the grey headed fighter."

He had an active part in the organization of the independent labor party in 1893 when but 27 years of age and has since devoted himself to the labor party's interests. From the beginning he championed the capital levy as the best means of solving England's industrial problems. He has also been staunchly in favor of international peace and publicly opposed England's entry into the World War. When the nation was once in the fight, however, he made the best of the situation and served as an ambulance driver in France. He also supported the government as a member of parliament in all the big war questions.

Like many other public men in England, one of his principal recreations is golf.

The house agreed to the adjournment for three weeks proposed by Mr. Baldwin.

Mr. Baldwin said his cabinet would retain their seats until the new cabinet members were appointed.

The new prime minister has not announced when he will name his cabinet, but unofficially it is stated it will be Thursday.

Mr. Baldwin, on the reassembling of the house of commons, announced the government's resignation and the King's acceptance. There were no labor cheers.

The retiring premier moved the adjournment of parliament until February 12, which date he said had been chosen to meet MacDonald's convenience.

TEMPEST IN TEA POT DOME ON

(Continued from page one.)

pot Dome inquiry, he said:

"I am through with that: they have finished with me."

The committee will ask Fall again regarding the sources from which he obtained $300,000 with which to enlarge his ranch holdings in New Mexico. The former secretary is on record before the committee as asserting the money was from Ward B. McLean, the Washington newspaper publisher, but the latter has testified that the checks he gave Mr. Fall returned uncashed.

Gratton T. Standford, counsel for the Sinclair oil interests, who held the Teapot Dome lease, was subpoenaed to appear at today's hearing for questioning about the alleged payment of $68,000 which figured in the sensational testimony given yesterday when Archie Roosevelt testified he had been told by G. D. Walhberg, secretary to Harry F. Sinclair, that he had seen cancelled checks for $68,000 made out to the foreman of the Fall ranch, but Mr. Wahlberg later took the stand and said he never made such a statement.

From Mr. Stanford and other officials of the Sinclair interests the committee also sought evidence today regarding the checkbooks and other records of the various Sinclair companies.

Mr. Stanford told the committee there was no secret about the trip of Harry Sinclair to Europe.

"Did he advertise the fact?" asked Senator Walsh, democrat, Montana.

"He gave an interview to the newspapermen which was equivalent to an advertisement."

"That was at the dock, wasn't it?"

"Yes.

"When he was getting away?"

"Not when he was getting away, when he was leaving."

In addition to the Sinclair officials heard today, the committee subponaed, J. W. Sevley, of Washington, Harry F. Sinclair's personal attorney, now reported to be at New Orleans. He is expected to appear Thursday.

When the senate committee resumed its sessions Assistant Attorney General Holland again was present as the personal representative of Attorney-General Daugherty. He ordered a transcript of the proceedings for the use of the justice department.

WASHINGTON, Jan. 22.—The senate Teapot Dome committee today continued its examination of Sinclair Oil company officials summoned former Secretary, A. B. Fall to appear before it on Friday and announced it desired the presence of Harry F. Sinclair, who is in Europe, at the earliest possible moment.
