CHRISTIAN CHURCH TO HOLD REVIVAL

Rev. Stivers and Prof. Altheide to Spend Month of February Conducting Services at Local Church.

The Christian church of this city will begin a revival next Sunday. This series of meetings will be conducted by Evangelist John T. Stivers. Mr. Stivers is one of the best known evangelists in the Northwest connected with the Christian church. He held a most successful meeting in this church three years ago, and the members have always wanted a return engagement. This year they have been able to arrange it. Mr. Stivers is a preacher of great power, and is much sought after in his line of work.

The music for the meetings will be in charge of Mr. C. H. Altheide. Many fine things are being said about the singer. Mr. Altheide comes from Denver, Colo., and has done his work in the east and middle west. Dr. H. O. Broeden of the First Christian church of Oakland, Calif., says of him: "I take pleasure in commending

C. H. Altheide as soloist and director of evangelistic services. He is a Christian gentleman, possessing a fine tenor voice, and sings the gospel with power." Mr. Charles Medbury, pastor of the great University place church in Des Moines, Iowa, says: "It is a pleasure for me to commend Mr. C. H. Altheide. He has been successful where he has been called, and he is a man truly devoted with all his talent to the cause of Christ." At one time when Mr. Altheide had a vacant place from the work of his

When You Catch Cold Rub on Musterole

Musterole is easy to apply and it gets in its good work right away. Often it prevents a cold from turning into "flu" or pneumonia. Just apply Musterole with the fingers. It does all the good work of grandmother's mustard plaster without the blister.

Musterole is a clean, white ointment, made of oil of mustard and other home simples. It is recommended by many doctors and nurses. Try Musterole for sore throat, cold on the chest, rheumatism, lumbago, pleurisy, stiff neck, bronchitis, asthma, neuralgia, congestion, pains and aches of the back and joints, sprains, sore muscles, bruises, chilblains, frosted feet—colds of all sorts.

U. S. CHAMBER OF COMMERCE MEETING

(Associated Press Licensed Wire.) SAN FRANCISCO, Jan. 30.—Delegates to the first mid-year convention of the chamber of commerce of the United States, western states, went into session today here by discussing the need for a reduction in national taxation, while awaiting a report from the committee on resolutions to put the chamber on record definitely in favor of the Mellon plan.

Carl C. Piehn, president of the American Economics Society and professor of finance, opened the scheduled discussion with an address on "public spending and taxation."

"The business man and his country," an address in which was interwoven the relationship of business to the government and taxes, was scheduled for Justice Reed B. Goodell, Los Angeles, collector of internal revenue.

Julius H. Barnes, Duluth, president of the chamber, criticized the "efforts of small groups in executive bodies to impose individual conceptions of government by injecting them into industry," speaking before the delegates at a banquet last night.

Speaking at the banquet, John H. Fahey, Boston publisher said "the settlement of the reparations problem, must come before everything else, because progress in other lines is impossible until it is disposed of."

SUTHERLIN CLUB TO STAGE BOUTS

A high class boxing card is promised at the rooms of the Sutherlin Athletic club Friday evening, and the indications are that there will be a record attendance. Since the announcement in The Sun last week, changes have been made in the personnel of those who will take part in the main event, which assures spectators full value for the price paid for their tickets.

The main event will be between Johnny Carlson of Grants Pass, and Sailor Goddard, of Seattle, instead of between Rocco and Carpenter, as announced last week. Carlson and Goddard met in the ring at Medford last Friday—and the Medford Mail-Tribune said of the affair:

The first boxing smoker held under the management of Martin Bowers, held at the Athletic club Friday night, was pronounced by fans today as the best ever held in this city.

Sailor Goddard and Johnny Carlson fought a fast eight round draw, and though a few of the supporters of both maintained this was wrong, the big majority held a draw was fair enough. It was a good contest, and the Sailor showed his ability to take punishment. He socked Carlson when he bounced off the ropes, and in the closing rounds, did plenty of leading. Carlson gave the best account of himself he has yet showed in this city.

The other events scheduled are: A C-round special will be between Suds Sutherlin, of Roseburg, and Clarence Clinger of Portland, Kenneth Padelford, of Sutherlin and Ray Jacobs of Eugene, will stage a 4-round preliminary.

The first event will be called at 8 o'clock and the others will follow in quick succession. Action with a punch is promised at this contest and no doubt there will be a large attendance.

What We Forget Between 15 and 50

Schools teach, and nearly every home applies the rule against coffee and tea for children.

When middle age comes, a great many people remember the facts about the caffeine drug of coffee and tea, and how its regular use may disturb health. Often they have cause to remember what it has done to them.

How much better it would be not to forget—and avoid the penalties!

Postum is a pure cereal beverage—delightful, and safe for any age—at any time. Good for breakfast at home, for all the family; good for lunch at the club or restaurant; good with the evening meal; good with a late night dinner—good on any occasion. Postum satisfies, and it never harms.

Why not be friendly with health, all the time!

GEORGE CLEAVER IS IN BANKRUPTCY

(Associated Press Licensed Wire.) PORTLAND, Jan. 30.—George L. Cleaver, state prohibition commissioner has filed a voluntary petition in bankruptcy alleging liabilities of \$44,856.19 and assets of \$19,332.33. He asserted that his purpose was to protect his creditors in the matter of pending damage suits. The petition in bankruptcy followed an announcement by Cleaver that he was being made defendant in a damage suit brought by a Portland woman asking \$10,000 for alleged entry of her home without sufficient evidence. In his petition Cleaver listed two judgments due at La Grande amounting jointly to \$20,114.95 and a judgment due the First National bank of Portland in the amount of \$5,724.42. In addition he has several notes held by various persons in Oregon and Washington and are listed as liabilities. Commissioner Cleaver carries a surety bond which is supposed to cover suits which may be made against him. He explained the petition in bankruptcy was made merely to protect his bondsmen and creditors. Cleaver expected the damage suit to be filed shortly.

own church, he helped Rev. O. E. Johnson of the Methodist church at Pine Bluffs, Wyo. Mr. Johnson said of him: "I find him to be a man of great ability in his line. I have never had a man who filled the bill in every sense like Mr. Altheide. He is a fine musical director, a personal worker, and a great soloist."

These meetings will run throughout the month of February. It is hoped that many people of the community will make use of the opportunity to hear these men, and render such assistance as they can.

LADIES! DARKEN YOUR GRAY HAIR

Use Grandma's Sage Tea and Sulphur Recipe and Nobody Will Know

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by using at any drug store for a bottle of "Wash's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

Well-known druggists say it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.
