ROSEBURG TEAM DEFEATS COQUILLE

In a slow and one-sided game of basketball Saturday evening the Roseburg high school team defeated the Coquille high school team by a score of 34 to 6. The Coquille team, champions of the Coos county district, were completely baffled by the fast playing of the Roseburg boys and were unable to stop the local hoop artists. Phil Singleton and Bill Burr had the basket well located in the first half, and within a few minutes of play Coquille was left hopelessly behind. In the second half Coach Larsen put Louis Miles in to play for Singleton and Miles continued the rapid basket tossing. Just playing for Rapp at guard also played a good game and made one or two long basket shots.

The Coquille game was preceded by a preliminary between the Wilbur high school and the Roseburg second team, the Roseburg boys winning by a score of 36 to 11.

MANY ATTEND BAKERY OPENING

James Hutchings, proprietor of the Model Bakery, is a thorough believer in the value of News-Review advertising as a result of the formal opening of his new bread factory on Saturday. In spite of a wet and rather cold day, over 1,000 people visited the new bakery building on Kane street and were surprised to find such a complete and highly modern plant in operation in this city. Mr. Hutchings had expected only a few hundred people and was delighted and surprised when they kept pouring in throughout the entire day. Through the News-Review advertising columns he reached all parts of the county, and a great share of the visitors were from the nearby rural communities. As a result of his announcement he has received many letters from nearby towns and cities from prospective customers. Each visitor at the factory on Saturday was given delicious doughnuts and coffee, and in the afternoon it was found necessary to bake up more doughnuts in order to supply those interested in the bakery.

"COVERED WAGON" HAS OWN ORCHESTRA

Theatre patrons in general and music lovers in particular, will be genuinely pleased to know that "The Covered Wagon," which comes to the Antlers Wed. and Thurs., Feb. 27-28, will be accompanied by its own orchestra. That music with a picture makes for better enjoyment, there is no doubt. When the music is of high order and scored beautifully, it is an unusually pleasant adjunct to theatre going.

"The Covered Wagon" score was arranged by Hugo Riesenfeld, who directs musically and managerially the Criterion, Realto and Rivoli theatres of New York City. Dr. Riesenfeld wrote an original march for the great scene of the horses and oxen swimming the Platte river, and he contributed "My Heart is There" for the love theme of Molly Wingate and Will

When You Catch Cold Rub on Musterole

Musterole is easy to apply and it gets in its good work right away. Often it prevents a cold from turning into "flu" or pneumonia. Just apply Musterole with the fingers. It does all the good work of grandmother's mustard plaster without the blister.

Musterole is a clean, white ointment, made of oil of mustard and other home simples. It is recommended by many doctors and nurses. Try Musterole for sore throat, cold on the chest, rheumatism, lumbago, pleurisy, stiff neck, bronchitis, asthma, neuralgia, congestion, pains and aches of the back and joints, sprains, sore muscles, bruises, chilblains, frost-bite—colds of all sorts.

Banion. Other selections are listed as follows:

The dedication to the late Theodore Roosevelt is from the patriotic tune of "Daughters of the Revolution."

With the view of the 500 covered wagons in camp, Massenet's "Suites Alsacienne" is played. Subsequent and more intimate scenes cause the orchestra to swing into the "Folk Melody in G" and Saint Saens' "March Heroique" appropriately introduces the Liberty boys from Missouri to the main wagon train, and when the combined trains point their wagon tongues to the West and start on the long trail the swelling notes of Elgar's "Pomp and Circumstance" burst forth in martial song. The theme which suits the pathetic crawl across the wilderness is Rachmanoff's "Prelude in G Minor." Then there are strains provided by selections from Dvorak's "Bartok's Bride," "Oh Susanna," Stephen Foster's pioneer ditty, Kaminski's "Aphrodite Suite," "Lead Kindly Light," and Chaminade's "Joyous Autumn."

HUGE CROWD ATTENDS REVIVAL SUNDAY

The Christian Church revival began to take on large proportions yesterday, for it was a wonderful day for this church. A goal of 250 had been set for the Bible school, and 240 were present. A goal of 250 is set for next Sunday. Great crowds were in attendance through the day, and last night every available space was taken. During the day ten people came forward to take membership in the church, a total of fourteen since the meeting began. Yesterday was known as ordinance day, and the evangelist gave a touching and telling sermon in the morning on the Lord's Supper. Last night by use of the board, and many Bible passages, and fine illustrations he presented the subject of Baptism. The great audience listened with rapt attention. The evangelist was careful not to abuse anybody, but to set forth scripturally the great thought of this ordinance. The music of the day was also a big feature. The orchestra gave some fine music, and last night the male quartette sang a number that greatly delighted everyone, and the singing evangelist sang his solos into the hearts of the people. The Endeavor meeting packed the endeavor room, and a special program was given. Tonight the evangelist will give a chart sermon, entitled, "Bridging the Chasm." The Klansmen have notified the evangelist that they would be present in a body. The meetings will continue each evening this week, except Saturday.

Gum Chewing Aids the Teeth

You have the authority of doctors and dentists for this statement. Your own experience will prove it, if you will use WRIGLEY'S after every meal.

The following quotations from a recent work on teeth and health are worth remembering:

"Dentists have found that the exercise of gum chewing brings about a better nutrition of the teeth . . ."

"The cleansing action of the gum between the teeth helps to keep them free from the particles which lodge in the crevices and cause decay."

The busy man—or woman either—rarely has time to clean the teeth after eating. Yet they should be cleaned, and

WRIGLEY'S after every meal

will do it. Also it will aid digestion and furnish welcome refreshment to mouth and throat.
