## Clean Up and Paint Up!

That is a fine idea, and it would be still finer if extended to the farm homes all over Douglas county. But low-priced farm produce and high priced paint do not lead to much painting. So we have decided to unload our stock of paint, varnish, enamel, etc., at a real reduction.

**Certainteed House Paint**, reg price \$3.60, at \$2.75 gal.  
**Barn Paint**, regular price \$2.10 at \$1.50 per gallon.  
Floor paint, shingle stain, kalsomine at correspondingly low prices.

Remember, this is high grade, guaranteed stuff. If you don't need it just now it will pay you to buy anyway, the saving will pay you big interest.

See us for seed potatoes, peas, seed oats, seed barley.  
Special price on Hayes spray rig.

## Christian Church Revival

MEETINGS CONTINUING WITH INCREASED INTEREST AND POWER

VITAL THEMES BEING DISCUSSED

### LORRAINE, RUTH AND DALE STIVERS

WILL BE SPECIAL ATTRACTIONS FRIDAY AND SATURDAY

Christian Church  
Corner Pine and Woodward Sts.

Lorraine Stivers is the possessor of one of the finest bass solo voices to be found anywhere. He has an unassuming personality and puts over a message in song with great power. His strong bass voice has a rich, full quality in which everyone delights. He will also introduce several musical novelty numbers and will play music on an ordinary carpenter's saw.

Ruth Stivers, wife of Lorraine Stivers, is the accomplished daughter of Mr. and Mrs. H. M. Boyd of Oakland. She is a student in music at the University of Oregon, and Eugene Bible University, and is one of the most accomplished pianists to be found in the state. Mrs. Stivers has done a great deal of concert work, and in Eugene, where she plays very frequently at public entertainments, is highly praised.

Dale Stivers, also has a delightful and pleasing voice, and is a student of music at Eugene. He is a brother of Lorraine and both young men are sons of Evangelist John T. Stivers, who is conducting the revival services. They will sing duets, and solos and will present other musical numbers.

**This New Treatment Never Fails to End Piles**  
Many sufferers from Piles or Hemorrhoids have become disappointed because they have been led to believe that their case was hopeless and that there was nothing in the world to help them.

To these people we say, "Go to your druggist and get an original box of MOAVA SUPPOSITORIES." One of these inserted into the rectum according to directions will be found to give immediate relief. They reach the source of the trouble and by their soothing, healing, antiseptic action first allay the pain and soreness and then by direct contact with the ulcers and piles cause them to heal up and disappear forever.

It's simply wonderful how speedily they act. Blessed relief often comes in two days. Even in cases that have steadily resisted all known treatments, marvelous results have been obtained.

### Loosen Up That Cold With Musterole

Have Musterole handy when a cold starts. It has all the advantages of grandmother's mustard plaster WITHOUT the blister. You just apply it with the fingers. First you feel a warm tingle as the healing ointment penetrates the pores, then comes a soothing, cooling sensation and quick relief.

Made of pure oil of mustard and other simple ingredients, Musterole is recommended by many nurses and doctors. Try Musterole for bronchitis, sore throat, stiff neck, pleurisy, rheumatism, lumbago, cramp, asthma, neuritis, congestion, pains and aches of the back or joints, sore muscles, sprains, bruises, chilblains, frost-bite, colds of the chest. It may prevent pneumonia and "flu."

To Mothers: Musterole is now made in milder form for babies and small children. Ask for Children's Musterole.

### FORCED TO FALL DANGEROUS TREES

A. J. Young, manager of the Roseburg Auto Camp Ground, cut down three cottonwood trees in the grounds last week which improves the appearance of the place a great deal. The trees were very dangerous to the

campers as the trunks has decayed and the heavy branches might have fallen causing serious injuries to anyone who happened to be underneath. Mr. Young plans to plant some walnut trees in the grounds later and other improvements will be made shortly, making the camp grounds one of the finest in the state.
