## THOUSANDS AT REVIVAL SERVICE

One of the greatest services ever held in the church was the one last night at the Christian church revival service. The people began to come early, and they kept packing in until all space was taken. Every chair in the class rooms had to be brought out, and still they came to be seated in a great service honoring Mother. The special musical attraction last night was Lorraine Stivers, the son of the evangelist. He played the great organ, and he sang with his power. "The Golden Bells are Ringing," Mr. Stivers has a splendid voice, and he is training it well, so that he can spend the years in the evangelistic field with his father. The service was especially stirring last night, and the people all joined under the leader, Mr. Albinde. The orchestra also was a great help in the music. The sermon of the evening was on "Mother," and exalted her, saying her the real place that a mother should have in the home and in building stories that left a lasting impression. When the invitation was given two more responded, and a special service was held at the close of the sermon.

mark of 260 has been set for the Bible school. The evangelist will speak Sunday morning on "Putting on the Armor." The evening subject will be "Why So Many Churches?" This sermon will be illustrated by a large chart. The Bible school opens at 9:45, and the Y. P. S. C. E. at 6:30.
