### YOUNG ACTRESS COMMITTS SUICIDE

(Associated Press Leased Wire.)  
NEW YORK, Feb. 28.—Miss Valie Belasco Martin, an actress and short story writer, formerly of Seattle, took poison and died in the Riverside Drive apartment of her mother today.  
She left a note saying her act was due to her inability to obtain a stage engagement or dispose of any of her stories. She wrote that she was disgusted with the way dramatic employment agencies had wasted her time.  
She came from Seattle in 1917 and played in "Very Good, Eddie," a musical comedy several years ago. She was 25 years old.  
The police said they had learned from clippings found in Miss Martin's room that she was the cousin of David Belasco, veteran theatrical producer. It was through Mr. Belasco they said, that the girl, who was a dancer and singer, obtained her first engagement.  
Miss Martin died from drinking shoe polish.

(Associated Press Leased Wire.)  
FARGO, N. D. Feb. 28.—On today's docket in circuit court before Judge Leigh J. Monson are the hearings of Albert C. Townley, founder and former president of the National Non-Ferrous League, and J. J. Hastings, former president of the Consumers' United Stores company, who are charged with embezzling more than \$75,000 of the funds of the stores company.

### SCOTT BRITT BRINGS IN FIRST CHINOOK

To Scott Britt, the sage of lower Garden Valley, belongs the credit of bringing the first Chinook salmon of the season to the local market. The fish, a plump 19-pounder, was netted by Scott last night, and today it was exhibited in the shop of its purchaser, Louis Kohlhagen. Reports have been current for the past two weeks that the advance run of Chinooks had entered the lower Umpqua in small numbers, but so far as known, the one caught by Britt is the first to be seen this year as far up the river as his netting location, which is 13 miles below Roseburg. As a general rule the main run of this king of the salmon tribe is not in evidence near this city until the middle of April, but it would appear that this year's run would occur earlier, much to the delight of local anglers as well as to the satisfaction of commercial fish-

### LORRAINE STIVERS TO SING FOR MEETING

It was thought last night that counter attractions would deplete the audience at the Christian church revival, but when the time came for the service, the people kept coming in, until a great audience was present. The orchestra gave some fine numbers, the quartette sang, and Mr. Altheide gave his last solo. The evangelist spoke on "The Prodigal Boy," and gave a very touching appeal, which was responded to by two persons. Mr. Altheide left last night, as he had to reach Denver by Sunday for his next meeting.

The meeting continues on over Sunday. Mr. Lorraine Stivers and his wife, who spent the last week end with the church, have been secured to finish the meeting, and they will be on the ground tonight. Lorraine will bring his saw so that he can give some more saw music, and will play it tonight. He will also play his cornet while he is here, probably rendering the "Holy City" with the cornet, while it is illustrated on the screen tomorrow night. The evangelist will speak tonight on "The Sin Against the Holy Spirit," and on Friday night there will be a great father's night, and a father's service, with probably a men's choir. The meeting goes over Sunday, and an effort will be made to reach 275 for Bible school, with a great morning and evening service.  
One of the striking features of last night's service was the presentation to the pastor by the congregation through Evangelist Stivers, a violet. The evangelist quietly raised the money for this so as to surprise the minister. It is a violet ray machine for use on the body.

Have you heard Stivers?
