Anderson	Eicar	Sayers	Crossley
Westcott	Willis-Knight	H. C. S.	Sava
			Miesse

In addition to the manufacturers listed above who equip one or more of their models with Gabriel Snubbers, 33 others drill the frames of their cars so that Gabriels can be installed with least trouble and expense.

Remarkable recognition this—the greatest ever won by any independent article of equipment.

It says to you, and to every car owner, that Gabriel Snubbers are a necessary part of the modern car—not a luxury or an accessory, but a comfort and economy feature that more than pays for itself in added comfort and in saving the car from shock and jar and jolt.

They can be installed on your car easily, and without any alteration to the car itself.

GABRIEL SNUBBERS

Gabriel is the only spring control device officially, by patent and copyright, entitled to the name Snubbers. To make certain that you have genuine Gabriel Snubbers installed on your car, go to the authorized Gabriel Snubbers Sales and Service Stations which are maintained in more than 1700 cities and towns. Motorcar dealers who are desirous of assuring their customers of greatest satisfaction recommend Gabriel Snubbers and many of them install them as well.

TO TAKE PRISONER BACK

Lieutenants C. R. Williams and R. B. Jackson, Los Angeles detectives, arrived this morning to take charge of O. C. Boylea wanted in Los Angeles for passing bad checks. They state that he flooded that section of California with worthless paper and is wanted on several bad check charges. No warrant is held for the woman, who will be allowed to remain here or go back as she chooses. The officers will return with Boylea and the car which he was driving when apprehended at Yoncalla, by Deputy Sheriff Powell, of Oakland.

GUN CLUB TO HOLD SHOOT TOMORROW

A good crowd of marksmen is expected for the Prune and Ham shoot to be conducted tomorrow by the Roseburg Rod and Gun Club. Shooting will start in the morning and continue all day, lunch being provided at the grounds. Word has been received from various parts of the state and county that trapshooters are coming from many localities, and the club is looking forward to a good time. Handicaps will be provided so that everyone will have an equal chance to carry away one or more of the prizes.

FORD CAR STOLEN

The Ford touring car belonging to Allen Hewitt, was stolen this morning from Rose street near the Perkins building. Mr. Hewitt, works in the Umpqua Valley bank, and when he went out to get his car at noon to drive to lunch, he found the machine gone. Officers this morning noticed a young man surveying the cars along that street and watched him for some time. It is believed that he is responsible for the theft and his description, together with the license and motor numbers of the car, have been wired both north and south.

Back From Los Angeles—

Mr. and Mrs. Sam Miller who have been spending the past few weeks in Los Angeles have returned home. Mr. Miller states that the Los Angeles country is suffering greatly from lack of rains. "There is not enough grass in four counties to fill a good sized wagon," Mr. Miller said. Douglas county has any part of California bested in every way in his opinion.

(Continued from page one)

glad to welcome Portland's mayor, and will be delighted to hear him speak.

George Hotchkiss Smith, nationally known tenor, has been secured for a number of solos this evening, and his concert is expected to be one of the greatest features of the show. He brings his own accompanist from Portland, and will sing many of the songs from the best of the old and modern composers.

Another delightful number tonight will be the minuet dance to be presented by several of the dance students from the Heffline Conservatory of Music and Art.

This is a Studebaker year.
