THE TEAM WINS SHOOTING EVENT

A club shoot was held at the Roseburg Rod and Gun Club grounds yesterday when two 15-men teams from the Roseburg and Eugene clubs competed in a 1500 bird event. Each team shot 750 pigeons, and out of that number the Eugene team defeated the Roseburg marksmen by only five birds. Eugene was beaten by Corvallis recently by 3 birds and Corvallis beat Portland 3 birds, so that it may be seen that the Roseburg team stands high in skill. A huge crowd attended the match and greatly enjoyed the exhibition. Thirty-five men shot in a yardage handicap and again the Eugene visitors carried off the honors. The Eugene marksmen were loud in their praise of the entertainment offered by the Roseburg sportsmen and pledged their support for the registered shoot to be held in Roseburg on July 4 and 5.

FORMER WIZARD OF KLAN GUILTY

(Associated Press Leased Wire.) HOUSTON, Texas, March 10.—Edward Young Clarke of Atlanta, former acting imperial wizard of the Ku Klux Klan, pleaded guilty today in federal court to a charge of violating the Mann white slave act and was fined \$5,000 by Judge J. C. Hutcheson Jr. The Clarke plea dropped like a bombshell into the court room which was crowded with spectators anticipating a stiff legal battle. Clarke previously had entered a plea of not guilty. The charge involved a young Houston woman. It was alleged that Clarke transported her to New Orleans in February 1921.

'I'M FEELING FINE' SAYS GOV. PIERCE

(Associated Press Leased Wire.) SALEM, March 10.—Released from the hospital yesterday and instructed to spend a few days at his home resting, Governor Pierce appeared at his office this morning with the announcement that he is "feeling fine." He said that he would "take things easy for a week or two." The governor is attending a meeting of the state irrigation securities commission this afternoon.

DAUGHERTY CASE SMOOTH ON SURFACE

(Associated Press Leased Wire.) WASHINGTON, March 10.—With witnesses arriving for the opening of the senate inquiry into the administration of Attorney-General Daugherty, efforts to shake him out of the cabinet, while apparently continuing over the week-end, brought no surface developments. Despite the manifest desire of many administration leaders for his immediate retirement and the preparations that have been made to fill his place at almost a moment's notice, the attorney-general has shown no visible signs of weakening in his announced determination not to resign until after the inquiry. The charges that former Secretary Fall and the Doherty and Sinclair Oil interests have taken a hand in the Mexican revolution against the Obregon government and that efforts by department of justice agents to prevent violations of neutrality along the border, were "called off by Washington," have been selected tentatively by the investigating committee as the first subject for their inquiry. Senator Wheeler said he expected information from Obbon and others to show that Fall was the "go-between" in the use of a fund of \$1,000,000, raised largely by American oil companies to finance the Cantu revolution. The committee is informed that recognition for the revolutionary government was promised contingently and that Fall and others held conferences looking to it success. Another line of Daugherty investigation disclosed today relates to Mr. Daugherty's selection of federal judges. Senator Wheeler said the committee was advised that a judge appointed in a Middlewestern state had been subjected to disbarment proceedings and escaped only by pleading the statute of limitations. Senator Wheeler and Chairman Brookhart conferred today with several prospective witnesses. They hope to open hearings Wednesday or Thursday.

WASHINGTON, March 10.—In announcing today the calling of another witness, Harry S. Obbon, former mayor of Calexico, California, it was explained by Senator Wheeler, democrat, Montana, that the committee's first inquiry would relate to the 1921 revolution against Obregon in lower California, headed by Esteban Cantu, a former governor.

LABEL SUTT DISMISSED

(Associated Press Leased Wire.) LITTLE ROCK, Ar., March 10.—The \$150,000 suit of H. W. Evans, imperial wizard of the Ku Klux Klan against Joseph Simmons, former emperor of the Klan for alleged libel was dismissed today on motion of the plaintiff and at the plaintiff's cost.

HEFLIN ATTACKS CERTAIN PAPERS

Alabama Democrat Says Subsidized Press Trying to Discredit Probe.

HINTS HUSH MONEY

Says One Dose of Syrup, About \$92,500, Put One Newspaper Owner to Sleep.

WASHINGTON, March 10.—"Certain subsidized republican newspapers were charged today in the senate by Senator Heflin, democrat, Alabama with attempting to discredit and destroy every senator who has sought to expose the oil scandal."

"These brazen agents of the corrupt interests," Senator Heflin said, "are trying to debauch every senator and every public man who refuses to turn his back upon his country and every public man who obeys the behest of selfish, sordid contemptible and corrupt dollar aristocracy."

The Alabama senator declares that "the same secretive and corrupt forces that have wrought the overthrow of governments in the past, are at work here and have grown in the last three years until they constitute a serious menace and danger to the life of the republic."

Referring again to the "principal" message found in the McLean telegrams, Senator Heflin said Ira E. Bennett's explanation that he referred to Senator Curtis of Kansas as the "principal" was not sufficient. He called on President Coolidge to make a statement. "I submit that every intelligent man would have gathered that Bennett referred to the president," Senator Heflin said. "I don't say Mr. Coolidge authorized Bennett to so quote him, but you can't convince me that he wasn't the man referred to."

Referring again to his charges against the "subservient" press, Senator Heflin said "take this man Shaffer, who owns five or six papers. It took only a dose of syrup—just \$92,500—to silence his batteries and put him to sleep like a healthy baby."

CHICAGO, March 10.—Harry F. Sinclair and a battery of six attorneys departed today for Cheyenne, Wyo., to contest the government's action to cancel the Teapot Dome oil leases. They expressed confidence of ultimate victory and vindication.

Mr. Sinclair was accompanied by Colonel J. W. Zevely, his chief legal counsel and five other attorneys who are prepared to oppose the government's action, which it is understood will start Thursday in Cheyenne, with the filing of a bill for an injunction to restrain taking further oil from Teapot.

ALTHOUGH REFUSING TO MAKE A STATEMENT, DECLARING THAT HE PROPOSED TO TRY HIS CASE IN THE COURTS AND NOT IN THE NEWSPAPERS, MR. SINCLAIR, INDICATED THAT HE AND HIS ATTORNEYS FULLY EXPECTED SUCCESS IN THE COURTS.

NEW YORK, March 10.—Edward L. Doherty, denying the charge of Senator Wheeler that he with Sinclair and other interests had financed a revolution against the Obregon government, said today that he had loaned \$5,000,000 to the Obregon government which enabled it to put down the rebellion. Doherty said Wheeler's statement was made with reckless disregard for the truth. "I would have been a fool to finance gun runners into Mexico," he said.

"Senator Wheeler's statement, as reported in the press, that he expects to show that E. L. Doherty and others furthered a revolution against the Obregon government," said Doherty, "is absolutely false, just as false as his previous statement of February 19, that Messrs. Sinclair, McLean and I had held meetings in the apartment of Attorney-General Daugherty."

WASHINGTON, March 10.—Attorney-General Daugherty and Senator Kilkins, republican West Virginia are the only public officials who had transactions in Sinclair Oil stock, so far as shown by the audit of the oil committee's brokerage books. Senator Walsh of Montana, chief prosecutor in the oil inquiry made this statement today after a conference with Louis D. Bond, federal trade commission accountant, who has had charge of the audit. He has not quite completed examination of the books in New York.

KILLED HER LOVER AND THEN SUICIDED

(Associated Press Leased Wire.) LOS ANGELES, March 10.—A lover's quarrel, ending in murder and suicide, was the explanation police today offered for the deaths here late last night of Detective-Lieutenant F. L. Pratt, 45, of the Los Angeles Police force and Mildred Pearl Lloyd, divorced wife of L. P. Schultz. Pratt's body with two bullet wounds in the head and one through the heart, was found in his automobile in a busy street in the northeast section of the city. Three blocks away in the home of her husband, police found Mrs. Lloyd dead of poisoning and on her person a note which they said explained "That Daddy and I have decided to end it all." Though the note indicated a suicide pact, police pointed out the wounds in Pratt's head and heart indicated murder, while the finding of a pistol with three empty cartridges some distance away from the body made any other explanation but murder and suicide impossible, according to investigators. Witnesses saw Mrs. Lloyd run from the scene of the shooting, police said.

MRS. SMITH BAILEY PASSES AWAY

One of Roseburg's Oldest Pioneer Residents Dies at Cottage Grove After Short Illness.

Mrs. Smith Bailey, one of the best known pioneer residents of Douglas county, died this morning at Cottage Grove, where she and her husband have been residing for the past few years. Mrs. Bailey, in spite of her advanced age of about 87 years, enjoyed good health until about a year ago when she became very ill. She improved following that illness but about a week ago sustained another severe spell of sickness which resulted in her death.

Mr. and Mrs. Bailey came to Oregon about 40 years ago and spent many years in the hotel and boarding house business. They conducted the old stage terminal at what is now known as Reston for several years before moving to Roseburg and then kept the old Metropolitan hotel one of the most popular places in the city in early days and later operated the old Van Houten house which was for many years one of the best hotels outside of Portland. Even in late years Mrs. Bailey has kept several boarders in her home.

She is survived by her husband Smith Bailey who is 89 years of age, and she also leaves several nephews and nieces, one of whom is H. D. Graves of this city. Mr. and Mrs. Graves left for Cottage Grove this morning. Mrs. Ruby Wright, of Portland, is a foster-daughter. Partial arrangements have been made for the funeral which will be at Oakland, Oregon, on Wednesday at 11:30 a. m. with interment in the I. O. O. F. cemetery.

FIVE MILLION LOAN GETS NO APPROVAL

(Associated Press Leased Wire.) WASHINGTON, March 10.—The senate refused today by a vote of 34 to 23 to approve an appropriation of \$5,000,000, to be loaned to farmers to finance purchases of fertilizer. It was the first record vote of the session upon a farm relief measure. The vote was taken upon an amendment of the bill by Senator Harris, democrat, Georgia to the Norbeck-Burness bill after an all-day debate.

GRAND OPERA COMPANY ARRIVES IN PORTLAND

PORTLAND, March 10.—The Chicago Civic Grand Opera company, including 272 singers and musicians, arrived here today from San Francisco in a special train in two sections for an engagement of four performances. Mary Garden is to appear tonight in "Cleopatra." Members of the company have accepted an invitation for a ride over the Columbia River Highway Tuesday afternoon as guests of the Portland chamber of commerce.

BAY CITIES SEEK EGGS AND POTATOES

Information was received here today by the Roseburg Chamber of Commerce to the effect that the Coos Bay cities are anxious to secure potatoes, henny and eggs. This is an opportunity for Douglas county farmers to secure a good market for their products. Eggs are selling at 35 cents a dozen on the bay and potatoes going at \$5 per hundred pounds. Honey is also much in demand.

HONORING DENBY ON HIS LAST DAY

Secretary of Navy Quits Office Today—Many Friends Call.

TAKES OATH AS MAJOR

Was Guest of Honor at Banquet Last Night and Notables Laud Denby as Noble Man.

(Associated Press Leased Wire.) WASHINGTON, March 10.—Secretary Denby's resignation became effective today amid the tributes of his associates in the navy department. "I am trying," he told them, "to die with my face toward the enemy."

Mr. Denby's retirement is the first break in the cabinet during President Coolidge's administration. His successor has not been selected, although the field is understood to have been narrowed considerably in the last few days. Until an appointment is made, Assistant-Secretary Roosevelt will be in charge of the department as acting-secretary. The list of eligibles mentioned to succeed Mr. Denby has dwindled to Governor Dixon of Montana; James E. Davidson, republican, national committee man from Michigan, and former Representative Foss of Illinois. The president is expected momentarily to announce his selection.

The retiring secretary devoted his time today to business of the department in requiring his personal attention and to taking the oath as a Major in the marine corps reserves, a commission he surrendered when he entered the cabinet. His last minute work, however, was frequently interrupted by those who have served under him for the last three years, calling to say farewell. He will return to Detroit shortly and is expected to announce then his plans for the future, particularly with reference to reports that he intends to seek the republican nomination for United States senator.

At a farewell dinner in his honor last night, he told 200 navy and marine officers that he had served through three wars—with Spain, the world war and that revolving about the oil investigation—and declared "this third war has been more bitter than any."

Admiral Coontz characterized him as "upright, fair and everlastingly honest," and Major-General LeJone of the marine corps found him "white, clean and pure, inside and out."

To these tributes, Mr. Roosevelt added that he was "courageous and his integrity unswerving."

Officers of the navy and marine corps were also present today in Mr. Denby's office when he was sworn in as a major in the marine service corps. The oath was administered by Major-General LeJone, commandant of the marine corps.

Just as the ceremony was concluded and Mr. Denby stood with upraised hand repeating the words in which he re-pledged himself to defend the United States "against all of her enemies" the marine band, grouped on the street outside broke into the strains of the marine corps march Semper Paratus.

The retiring secretary's desk was decorated profusely with flowers sent by his friends and admirers to grace it on his last day as head of the navy department. As his last official act he received and greeted the hundreds of civilian employes of the navy department who passed in line to shake hands and say good bye.

Chief Clerk F. S. Curtis, who has been in the office of the secretary of the navy for thirty three years presented Mr. Denby with a memorial signed by hundreds of the civilian personnel of the department. It read as follows: "To Hon. Edwin Denby: "We, the undersigned civilian employes of the navy department, submit to you this declaration of our high regard and steadfast confidence and our appreciation of your uniform justice and considerate courtesy in all your acts as secretary of the navy."

"We beg to express our hopes and prayers for your future happiness." Mr. Denby, visibly affected, responded with a short address to the departmental clerks assuring them that he had valued highly their faithful and loyal services. During the morning the retiring secretary broadcast this message to the navy, marine corps and civilian personnel of the naval establishment wherever they may be located: "Godbye and God bless you." (Signed) "Edwin Denby."

BANK BANDITS IN BIG JAIL BREAK

(Associated Press Leased Wire.) THE DALLES, Ore., March 10.—Police, deputies and railroad special officers early today had combed Wasco county for twelve hours in a futile search for C. R. Williams, alleged confessed Mosier bank bandit and Bert Taylor, who was serving a jail term after conviction on a larceny charge, who escaped from the Wasco county jail last evening.

The two men made good their escape after subduing the jailer with a revolver and locking him in a cell. Officers believe the pair took a car which had been parked near the jail. The car has not been found despite a close watch on all high-ways by officers.

According to G. L. Coleman, the jailer, Taylor offered to assist him when he brought in supper for the prisoners, and as he stooped over to lay down the basket containing the food, Taylor toppled him over and Williams covered him with a revolver. They then placed him in a cell and escaped. About fifteen minutes later, Coleman's cries were heard by his son in the living quarters of the jailer and his family.

TWO MEN HELD ON SERIOUS CHARGES

(Associated Press Leased Wire.) WASHINGTON, March 10.—A man arrested late last night on the outskirts of Washington was identified in police court at Arlington, Va., today as Representative Harold Knutson of Minnesota, and was held without bail on a serious charge. Leo Roy M. Hull, 29, and describing himself as a war department clerk, was arrested with him, and also is in the Arlington jail.

The Virginia highway auto police who made the arrests, said they found the two in a parked auto. When arraigned in court they asked that they be permitted to employ counsel before pleading to the charge against them and the case was continued until tomorrow.

Meantime they are locked in a cell with 30 other prisoners charged with a miscellany of crimes. The district attorney said the question of bail might be taken up this afternoon but that he would ask that a bond of at least \$5,000 be required for each.

Knutson is serving his fourth term in the house. Last session he served as republican whip, and he is at present chairman of the pensions committee. He is about 40 years old.

STAGE IS SET FOR HAPPY CANYON SHOW

The "Happy Canyon" show committee from the American Legion and Roseburg Rod and Gun club will meet at the armory tonight at 7:30 o'clock to start the work on arranging the settings for the big Days of '49 show which will be staged on Thursday, Friday and Saturday nights of this week.

The billion German marks arrived today and a special guard of two bull pups were placed over the piles of money. The admission to the show which opens Thursday night will be 50 cents for which the spectator will receive 100,000 marks for use in Happy Canyon.

All of the entertainment will be free of charge to those who visit the show. Slippery Gulch dance hall will open immediately after the later entertainment. Starting promptly at 8 o'clock on Thursday night will be the big girl show and musical comedy, known as the "Follies of '49."

TRAFFIC OFFICER IS BADLY INJURED

(Associated Press Leased Wire.) MEDFORD, March 10.—Charles P. Talent, state traffic officer is at the Sacred Heart hospital suffering from painful injuries received yesterday when his motorcycle went off the Pacific highway near Rock Point and dashed into Rogue river 30 feet below. It was feared Talent had suffered a broken back but an X-ray examination today indicated that the injuries while serious will not be fatal.

In another automobile smash-up north of Medford Sunday, M. O. Montgomery, Southern Pacific agent in this city was badly off by broken glass, his jugular vein being nearly severed. Prompt medical attention, however, saved his life.

TO PLAN DEDICATION

A meeting will be held here tomorrow night by a Chamber of Commerce committee to plan for a public ceremonial in connection with the dedication of the Winchester bridge. This bridge, to be known as the "Robert A. Booth Bridge," will be officially dedicated at a program in which the various municipalities of the county will participate. Plans are now being discussed for the event, and the Chamber of Commerce has appointed a committee to aid in arranging the various details. The meeting will be held at 7:30 tomorrow evening.

ROSEBURG TO REGISTER AUTOS

State Registration Bureau Is Established at Chamber of Commerce Office.

STATE OFFICERS HERE

Secretary of State Sam Kozier and Traffic Chief T. A. Rafferty Spend Day Opening Station.

The Roseburg Chamber of Commerce has been made a "port of call" for all those motor vehicle owners from other states who have entered Oregon without registering their cars, and the first cars were registered this morning. For some time it has seemed necessary that a registration bureau be established here as numerous calls have been made at the chamber by non-resident motorists for this service, and to that end communications were addressed to Secretary of State Kozier and T. E. Rafferty, chief of the traffic bureau at Salem, calling attention to the need. Yesterday Mr. Kozier and Mr. Rafferty called at the chamber will supplies necessary for this work. The officers of the chamber feel highly pleased over this appointment as it gives the secretary one more point of contact with the tourists from other states, so that something of the Umpqua valley can be told them before they leave this favored locality.

The law under which registration of non-resident vehicles is carried on is as follows: "Sec. 27. Every non-resident owner of a motor vehicle, trailer or semitrailer registered and licensed in any other country, state or territory shall, not later than seventy-two hours after commencing to operate or to cause or permit said motor vehicle, trailer or semitrailer to be operated on any public highway within this state, apply to the secretary of state of this state, or such other agency as may be designated by said secretary of state for registration of such vehicle, said application to be made upon a form to be prepared and furnished on request by the secretary of state, which application shall state in addition to such other matters as may be required by the secretary of state the name and postoffice and residence address of the applicant, together with the registration or license number of said motor vehicle, trailer or semitrailer assigned thereto in the country, state or territory in which same is then registered, which country, state or territory shall be designated in said application. Upon receipt of said application the secretary of state, if satisfied as to the facts stated therein, shall without charge furnish to the applicant a registration certificate or device of a distinctive form to be determined by the secretary of state, indicating that the holder thereof has complied with the requirements of this act and containing such other matter as may be deemed suitable by the secretary of state, which certificate or device shall be valid not to exceed three months from the date of its issuance, and not beyond the current calendar year. In case of a motor vehicle, said certificate or device shall be carried at all times while said motor vehicle is being operated or driven upon the public highways in plain sight in or upon said motor vehicle."

(Chapter 371, Laws 1921, as amended by Chapter 281, Laws 1923.) The secretary of state is desirous of locating registration bureaus at all points in the state where they can be conveniently reached by tourists. In addition to the new station at Roseburg, for which the Chamber of Commerce has been working for several months, a bureau will be located in Marshfield, and another in eastern Oregon. Offices are already maintained in The Dalles, Baker, Pendleton, Ontario, Bend and Klamath Falls, Ashland, Medford, Grants Pass, Eugene, Albany, Portland, Salem and Astoria.

Last year over 40,000 cars were registered after the law was placed in effect in July. It is expected that more than 75,000 tourists will register this season. Mr. Kozier is now preparing a letter to be sent out to all peace officers in the state instructing them to strictly enforce the registration law and see that tourists register immediately upon entering the state.

Spent Week-End Here—

Mr. and Mrs. W. L. Hatch and family of Cottage Grove, who spent the week end in this city visiting at the home of Mrs. Hatch's mother, Mrs. Belle Schindler, returned to their home last evening.
