"ADAM AND EVA" ON STAGE TONIGHT

The next sale for "Adam and Eva", the annual Senior Class play which will be on the stage at the Antlers theatre tonight, has been very good, and the large audience which usually greets the high school productions will no doubt be on hand this evening. The plot of "Adam and Eva" is said to be more than ordinarily interesting, and the able talent in the senior class has worked hard to bring out the fine points of comedy and tragedy. "Adam and Eva" had a successful run in New York recently, and has been equally as successful as an amateur play as put on by the

Mask and Danger club at O. A. C. A matinee was given, this afternoon, and the evening performance will start at eight o'clock.

NOTICE

Knights of Pythias lodge will not meet on March 19 on account of senior play. Lodge will give an entertainment on the 20th. All K. of P. their families and Pythian sisters invited.

A new plant, Semperviva of the Rose Jericho, commonly called the Resurrection Plant, has been received by The Fern florist shop and will be on sale by them. The Resurrection Plant is one of the most marvelous, interesting and mystifying plants that has ever been discovered. Its shrunken rounded ball of tightly curled-up leaflets, dry and apparently dead, will leave for countless years without being planted or watered. This plant is extremely rare and was discovered by the Crusaders on one of the expeditions to recover the Holy Land.

How's Your Stomach? Any Distress?

Salem, Ore.—I wish I could tell how thankful I feel for having heard of Dr. Pierce's Pleasant Pellets, for they have brought me so much relief since I have been using them. For years I have had the worst kind of stomach trouble; after eating I would have a feeling of nausea, a sourness, and a sort of suffocation with heartburn. Things were very miserable for me. I had to eat to keep alive and yet I knew every time I ate this awful condition would return. I have tried all kinds of things that I thought would help and often have gone without food in the hope that things would be better. I am now feeling the greatest freedom from pain in my stomach and bowels that I have felt in years and I give the Pleasant Pellets credit for it.—Mrs. I. E. Zigler, 449 South 18th St.

WRECK VICTIMS HURT

The accident which resulted in the Overland car of C. L. Bullock being badly wrecked just north of the city occurred on Sunday morning instead of Saturday night as previously stated. Mr. and Mrs. Bullock and Howard Veklan were in the car when the accident occurred. A broken steering gear caused the car to leave the road and to tumble down the embankment into the Hanan field. Both Mr. and Mrs. Bullock were badly bruised and Veklan received a broken rib and internal injuries. Veklan had been employed by the Bullocks at Myrtle Creek and was being brought to his home in Roseburg at the time of the accident.
