CONFIRMED DYSPEPTIC TELLS OF RECOVERY

Mr. and Mrs. Bayes Give Full Credit to Tanlac for Remarkable Results—Mrs. Bayes Gained 21 Pounds.

"Mrs. Bayes and myself are both strong for Tanlac and could not over praise it," declares T. H. Bayes, 623 College street, Springfield, Mo. Mr. Bayes is a popular musician and well known to the people of Springfield, having been associated with a leading music house here for thirty years.

"My wife had been a confirmed dyspeptic, having suffered from it for twenty years. She was sorely troubled with heart palpitation and about all the distressing symptoms a prolonged case of indigestion can cause a person.

"Finally she got down to only one hundred and eight pounds and landed in a hospital almost a nervous and physical wreck. In fact, her case seemed hopeless, but after everything else failed along came Tanlac and easily and quickly put an end to her suffering and restored to her the pleasure of living.

"Tanlac was soothing and healing from the very start and now she has a wonderful appetite and her digestion is the best I have ever known it to be. The change from eating a little toast and other very light foods to such things as sausage, cabbage, sauerkraut, etc., came about so quickly as to astonish and delight us both.

"Her weight has gone up to one hundred and twenty-nine pounds, a gain of twenty-one pounds. Rheumatism about her arms and joints and swelling in the feet has also disappeared with the general building up Tanlac gave my wife. Her strength has returned, she has an abundance of energy and is altogether happy over her new found health."

Tanlac is for sale by all good druggists. Accept no substitute. Over 40 million bottles sold.

AID FOR POSTAL BILL ADVOCATED

In connection with the showing of the feature film "The Mailman" at the Antlers theatre, local speakers advocating support for the measure now before congress to give postal employees wages commensurate with the services performed. The same condition prevail all over the country, it is stated, the carriers and clerks being forced to perform hard and responsible labor at a very low rate of pay. In Roseburg the carriers go out almost buried under the volume of mail, and in many instances are unable to complete their rounds during the morning hours. At North Bend, it is stated the rate of pay is so low that the postmaster has been unable to find anyone willing to take the carrier's position.

At the meeting last night Rev. C. H. Hilton made a brief talk urging local patrons of the Roseburg post office to write letters to their congressmen urging support for the postal measure. Tonight Attorney Dexter Rice will speak and on Saturday evening Bert G. Bates will talk on the same subject.

INTEREST IN PLATINUM MINES

L. U. Stenger of Canyonville was in Roseburg today and reports that there is a great deal of interest in the platinum properties in the canyon near Canyonville. Mr. Stenger holds a number of mining leases in that territory and reports that during the past few days he has leased out four claims to San Francisco, Portland and Eugene persons who intend to put in mining equipment at once.

A High-Grown Coffee Bean
Hard, high quality
The hard, strong fibred, high-grown coffee bean is rich in caffeol. It holds its fine flavor, rich aroma, and high quality intact until released by roasting and steel cutting.

A Low-Grown Coffee Bean
Soft, inferior
The larger, softer bean, grown on low lands is poor in caffeol and lacking in flavor, aroma and quality.

High-

In coffee, "high-grown" means high quality and fine flavor. Only coffee grown at an elevation of 3000 feet or higher is top quality.

High-grown coffee beans are rich in caffeol—the aromatic essential oil that gives good coffee its fine flavor. In Golden West, nothing but high-grown coffee beans are used. These are blended and roasted "just right", then steel cut (not crushed) and vacuum packed in the handy key-opening Golden West can.

To be sure of getting "high-grown" and finest flavor always ask for—

GERMAN LAD WAS HELD IN PEONAGE

MEDFORD, March 20.—Federal immigration authorities of San Francisco Wednesday afternoon left for the south with Alvin Stedter, aged 17, one of the German immigrant lads alleged to have been held in peonage by Karl Englehardt, a Rogue River valley rancher. Theodore Kauhausen, a brother-in-law of Stedter, filed the charges against Englehardt last December and they have been under investigation since. According to the attorney for Englehardt, Stedter was taken to Yreka, California by the federal authorities, and will be taken to San Francisco this morning on the representation that Kauhausen had been named guardian for the youth. Carl, 15 years old, a brother of Alvin, is still on the Engleheardt ranch. They came to this country last fall from Thuringen, Germany, Engleheardt advancing their passage money, Kauhausen coming on the same terms. Afterwards Kauhausen, an expert glazier, went to San Francisco, where he alleged to authorities, that the two boys were held in bondage.

Last December the two boys made a statement denying Kauhausen's charge and saying they were contented and not mistreated. Engleheardt, a relative of the lads claimed that he brought the three to this country in an effort to help them, and branded Kauhausen as an "ingrate."

W. W. Leatherwood, who resides in Umpqua, was in town yesterday for several hours attending to business matters.
