## What God Says about - THE LATEST FASHION

... saw there a man which had not a wedding garment."

Look, brother Christian, you would better let God be your tailor. No, you're mistaken, I'm not irreverent, for God uses in His Book all sorts of figures and comparisons to impress His purposes and desires upon the human mind. And it is true that God offers to fit you with clothing which will become you and be in good heavenly form.

The fact is, if you don't let Him do it, you will be thrown out of the heavenly society, no matter what your pretension. Yes, sir, according to God's word it is "outer darkness" for you some day unless you let the holy God fit you out with a full suit of Christ's righteousness.

Read the story as it is found in the twenty-second chapter of Matthew, if you want to see the bright picture of the marriage supper which was prepared for the man who presumed to present himself dressed as he ought to be.

Oh but, brother Christian, you and I are just fools enough, according to the world's estimation, to let God provide our clothing and to let it fit us, aren't we? What a joy it will be to attend that wedding feast, won't it, when God makes ready a feast for our Lord, and I don't know but we will be a part of that wondrous group of the bride, but at any rate, we will be clad in the righteousness of Christ, and whatever other adornments God may give us in the way of a wedding garment, to do honor to Him who redeemed us with His precious blood.

But the point of this story is that God provides the clothing as well as the feast, and all men are invited. But everyone must wear a badge of good form indicating that his garment was made in heaven. Nothing that we can make will do. Brother man, are you ready to be there? Well then, slip on the robe of Christ's righteousness right now—in other words, "Believe on the Lord Jesus Christ and you shall be saved."

**George's Episcopal Church, Cor. Main Sts.** Rev. A. O. Dodge, Fifth Sunday in Lent, Passion Service at 8:00 a. m. Late church school at 9:45 a. m. Late church service at 11:00 a. m. Sermon: "The Lord's Supper—Misinterpreted." Consider the false theology which has crept up with regard to the phrase, "I will be done." God is not the author of evil. God's will as done in heaven is perfect. Christ tells us that God's will will be done in heaven. It is not God's will that is done here. It is not God's will that sickness, disease and misery be our lot and when we with ready Christian submission will be done, it is the will of God to do an injustice.

## PALMER IS GIVEN THREE YEAR TERM

(Associated Press Leased Wire.)  
EUGENE, April 4.—James Palmer, 17, convicted of manslaughter, was sentenced to serve not to exceed three years in the state prison by Judge Skipworth here today. Palmer was one of the ten prisoners who escaped from the Lane county jail Wednesday night. In pronouncing sentence Judge Skipworth said that the jail break had no influence on the sentence passed.

Palmer was captured west of Jefferson last night by M. Q. Bacon, state traffic officer, who was hunting for "Oregon" Jones, one of the escaped convicts from the state penitentiary.

**HAIR DRESSER HELD FOR BOBBING HAIR**  
(Associated Press Leased Wire.)  
PORTLAND, April 4.—Mrs. Hilda Jensen, a hair-dresser was arrested here yesterday charged with unlawfully engaging in the occupation of a barber. Her alleged offense is that she bobbed the hair of a patron. Her arrest was the culmination of a war that has been raging between the regular barbers and the hair-dressers for the hair bobbing custom.

Mrs. Jensen's arrest was made under the law that prohibits barbering except by barbers duly licensed. She was taken into court and released on her own recognizance to appear for trial on April 29.

**PAYMASTER CRAZED WIFE TELLS OFFICERS**  
(Associated Press Leased Wire.)  
LOS ANGELES, April 4.—Search for Lieutenant Ervine R. Brown, destroyer division paymaster, sought in connection with a \$120,000 shortage in his accounts continued here today following his wife's account last night of his apparent irrationality just before departing from her sight in a Los Angeles hotel Wednesday morning.

Brown broke down and wept, she was quoted as saying, when an evangelist aunt visited him at the hotel Tuesday night, and prayed for him. He promised then, she said, to return to destroyer division headquarters in San Diego when morning came next day but when morning came he went out to buy a newspaper, leaving behind him more than \$75,000 packed in a suitcase—and never returned.

After hours of waiting Mrs. Brown finally took the money to San Diego herself and turned it over to naval authorities.

## APPROVE NOMINATION

**Senate Judiciary Committee Gives Approval to Nomination of Stone as Attorney General.**

WASHINGTON, April 4.—The nomination of Harlan F. Stone of New York, to be attorney-general, was approved today by the senate judiciary committee.

(Associated Press Leased Wire.)  
CHICAGO, April 4.—Appointment of Harlan Fiske Stone of New York, as U. S. attorney-general to succeed Harry Daugherty constitutes a re-dedication of the present administration to reactionary principles, Senator Hiram Johnson, of California, said today in a campaign speech re-opening his drive for the state presidential preference in next Tuesday primary.

Senator Johnson returned today for four speeches here before starting his final tour down state. "Whatever doubt may have existed in the public mind as to where Mr. Coolidge stood in the national struggle between the forces of progressive and reaction was dispelled by appointment of the new attorney-general," Senator Johnson said. "The new chief of the justice department, child of the prosperous east, may be relied upon to look with tender sympathy upon the problems of the east; but to whom are the deflated farmers of the west to look to for support of their cause?"

## AUTO TAX DOUBLES HIGHWAY OUTLAYS

During the fiscal year ending June 30, 1923, motorists of the nation paid \$145,000,000 into the federal treasury in the form of excise taxes on automobiles, tires, accessories and parts. This amounted to almost twice the total expenditures made for roads by the United States government under the federal aid budget, according to the California State Automobile association.

A determined fight to secure the repeal of this law by the present congress is being carried on by the automobile club.

## CHURCHMEN PLEDGE NO SUNDAY RIDING

Because automobiles are depleting Sunday church congregations, the Women's association for the Better Observance of the Lord's Day in Philadelphia keep their cars securely locked up in garages on that day and induce their friends to do likewise. They hope thus to reduce Sunday motoring to a minimum, and eventually to bring about its complete abandonment.
