WASHINGTON, April 10.—A new naval oil policy designed to safeguard the government against any such leases as those graated under former Secretary Denby was announced today by Secretary Wilhur. In a letter to Senator Hale of Maine, chairman of the senate naval committee, Mr. Wilbur declared that "no leases or contracts will be made, by the navy department without the personal approval of the secretary of the navy."

"No further leases will be made until expressly authorized by congress," he continued, "unless it appears to my satisfaction that such leases are absolutely essential to prevent draining of oil in the reservex by wells drilled adjacent thereto and unless it further appears that such leases are full authorized by act of congress, and in that event such leases will be made only after competitive bidding."

Referring to the Teapot Dome litigation pending Secretary Willow sail be would avoid "in every way any act or proceeding which will in any way involve the rights of the government in such litigation and will avoid conduct which may in any way interfere with the contentions advanced by the attorneys for the government."
