COOLIDGE FAVORS ANOTHER CONFERENCE TO CONSIDER LIMITATION OF ARMAMENT

Keynote of Campaign in Speech at Associated Press Annual Luncheon in New York Today—Urges American Capital to Aid in Effort to Restore Economic Stability.

(Associated Press Leased Wire.)
NEW YORK, April 22.—An annual luncheon of the Associated Press was held here today at the Waldorf-Astoria hotel. The keynote of the campaign in the new year was the limitation of armaments. The president of the press, Mr. Coolidge, in his address to the luncheon, urged that the American people should be prepared to meet the world in a spirit of peace and cooperation. He said that the American people should be prepared to meet the world in a spirit of peace and cooperation. TRIAL OF BONUS APPRAISER STARTS

(Associated Press Leased Wire.)
PORTLAND, April 22.—Hearing of testimony in the trial of H. J. Overturf, appraiser of the state bonus commission at Bend, and Jas. Ryan, Charles Carroll and Charles Haines, real estate dealers of Bend all charged with using the mails to defraud, began here today with Harry C. Brumbaugh, former secretary of bonus commission on the stand.

CONTEST FACED ON BONUS ISSUE

Senate Prepares for Night Session to Hasten Action on Measure.
LEGION GIVES SUPPORT
Cash Option Proposed and Given Support by Insurgent Movement in Democratic Ranks.

(Associated Press Leased Wire.)
WASHINGTON, April 22.—Senate advocates of the pending insurance bonus bill declared late today a careful poll showed the cash option amendment would be defeated. Plans to bring about a vote on the bill late today were blocked by lengthy debate including an attack on any bonus measure and final action was put off until tomorrow.

WASHINGTON, April 22.—Facing a contest on a proposal for a cash option in the insurance bonus bill as a result of an insurgent movement in democratic ranks, the senate prepared today to go into a night session to hasten action on the measure.

BABY CLINIC IS 'HOWLING' SUCCESS

The baby clinic held by the county health unit at the court house today was a "howling" success. More than twenty babies were examined this morning and efforts were being made to examine forty before this evening. It is expected that equally as many will be examined tomorrow. The work is under the direction of Estelle Ford Warner, who represents the State Bureau of Child Hygiene, a department of the state board of health.

THAW DENOUNCES EX-WIFE'S COUNCIL

PHILADELPHIA, April 22.—The question of the sanity of Harry K. Thaw was given to the jury to determine at 3:20 p. m. today.

Under the common law, Thaw told those around the press table, a juror might be withdrawn. He talked loudly and rapidly and attracted the attention of persons walking out of the court room.

When told Thaw had volunteered some information, Mr. Patterson appeared non-plus. He said that Thaw was still gesticulating when the last spectators, including the jurors left the place.

TREASURER MUST TURN BACK BONDS

Purchase of Reedsport Bonds With Sinking Funds of City Not Legal.
PROTEST WAS MADE

City Treasurer Thomas was required to turn back \$5,000 of City of Reedsport bonds which were purchased with money in sinking fund number one. It was found upon investigation that the treasurer is prevented by the charter from investing city funds in any bonds other than city of Reedsport bonds, and consequently the purchase which he made will not stand.

DOROTHY DALTON MARRIED TODAY

CHICAGO, April 22.—Miss Dorothy Dalton, of the silent drama and Mr. Arthur Hammerstein, son of the late Oscar Hammerstein and himself a theatrical impresario, were married at noon today. The ceremony was celebrated very quietly, performed by Rabbi Hirschfeld and attended by only a few relatives and friends.

MASS MEETINGS HELD IN JAPAN

Protest Made Against Exclusion Clause in Immigration Bill.

TOKIO, April 22.—Resolutions protesting against the proposed exclusion of Japanese from the United States and appealing to the American people not to permit enactment of the immigration measure into law were passed at mass meetings held at Osaka and Nagoya today.

The Yomiuri Shimbun, considered one of the mildest of Tokyo newspapers, today professed to see reaction from the immigration controversy in the progress of Russo-Japanese negotiations at Peking where Japanese minister Yoshizawa and L. M. Karshkin, Soviet representative in the far east are conferring.

Since the demonstration of unfriendliness by the United States senate the impression has become rooted in every Japanese heart that America is not Japan's friend, the publication states, "whether due to this impression or not, it is unquestionable that the situation is generally regarded as heralding a deterioration of Japanese diplomacy in the near future."

KYOTO, Japan, April 22.—The Federation of the chambers of commerce of Japan, at their annual meeting today passed resolutions regretting the passage by the American congress of the Japanese exclusion bill and the proposal to make effective article 28 of the American merchant marine act, which it is alleged would disturb international trade relations.

The resolution dealing with Japanese resolution, copies of which will be forwarded to Secretary of State Hughes and American chambers of commerce, says the passage of the Japanese immigration exclusion bill by the American congress will "seriously interfere with the traditional friendship between America and Japan."

A resolution sent to the international conference, Paris, declares "the operation of the American merchant marine act, will disturb international trade relations; therefore we hope for your best endeavors in abolishing this act."

NEW YORK, April 22.—Prince Naruhiko, third son of the emperor of Japan, who has been traveling in Europe, has cancelled his trip to the United States which had been planned for this summer, according to a cablegram received today from Cyrus E. Woods, American ambassador to Japan, by Roy Carruthers, manager of the Waldorf-Astoria hotel. No reason was given.

HEARST REPLY TO STANFIELD

WASHINGTON, April 22.—Replying to an inquiry by Senator Stanfield, republican, Oregon, Wm. Hearst made public today that the testimony of W. H. Ballard of Los Angeles, before the senate oil committee that the Teapot Dome leasing proposal was a matter of general knowledge at the republican national convention in 1920, "is apparently false."

"If your committee would give any credit to such a nonsensical statement as that," Mr. Hearst's telegram said, "you would be summoning every member of that republican convention. It is unfortunate that a man giving such irresponsible testimony cannot be disciplined in some way for wanting the valuable time of your committee in this important investigation."

STANFIELD GIVEN ONLY ONE LOAN

McNary Makes Statement to Correct Statements Concerning Senator.
RECEIVED \$250,000 LOAN
War Finance Corporation Loaned R. N. Stanfield Company \$250,000—Larger Part Paid.

WASHINGTON, April 22.—Only one loan, amounting to \$25,000 was made to Senator Stanfield, republican, Oregon, or to companies in which he had personal or financial interest, according to a report from Director Mondell of the war finance corporation read in the senate yesterday by Senator McNary, Senator Stanfield's associate. The report was offered, Senator McNary said, in refutation of erroneous statements, that the Stanfield interests had obtained large advances to the detriment of small borrowers.

The report recited that \$250,000 had been advanced to the R. M. Stanfield company on November 15, 1921, secured by a note and mortgage on cattle. In April and May of 1922, the loan was reduced by payments of \$,000 and \$9,000 to \$161,000. In July 1923, the balance of the note was withdrawn and two notes were substituted—one for \$85,000 being satisfied in September, 1922. The second note was "revived by a payment in November 1922," the report said.

PINCHOT TESTS STRENGTH TODAY

PHILADELPHIA, April 22.—Governor Pinchot again today measures his political strength with dominant factors in Pennsylvania in a fight with Ralph B. Strassburger, Norristown publisher for election in the statewide primary as a delegate at large to the republican national convention. Two years ago, when he was nominated for governor he defeated the organization in a large majority of the 67 counties in the state.

Until last Saturday, when Representative William S. Vare, local republican leader, announced his opposition to Pinchot and declared he would support Strassburger, the governor's election was assured. Today, Vare's followers said the organization here would be lined up solidly for Strassburger.

PORTLAND, April 22.—Petitions asking for the recall of the three Multnomah county commissioners, Charles S. Rudeen, J. Howard Rankin and Dow V. Walker, were filed with the county clerk here today. The recall will be held in connection with the state primaries on May 16.

MANY HALTED AT ARIZONA BORDER

Fourteen Auto Parties Wait Relaxation of Strict Quarantine Enforcement.

RESERVATION GUARDED
Superintendent of Yuma Reservation Places Guards at Entrance—Border Is Marked.

YUMA, Arizona, April 22.—Fourteen auto parties this morning were waiting patiently at Knob Sliding, in the desert west of here, hoping that Governor Hunt of Arizona would reconsider his airtight foot and mouth quarantine edict and permit them to continue their journey eastward after fumigation.

Three auto loads of travelers abandoned their vigil early today and turned back towards the coast. L. L. Odie, superintendent of the Yuma Indian reservation, across the Colorado river from here in California territory has stationed guards at the entrance to the reservation. So far, however, nobody has attempted to pass his dead-line.

Surveyors today are seeking to determine the exact center of the Colorado river. The center of the river is the California-Arizona state boundary and when it is determined by the Arizona surveyors, the invisible will be marked on the bridge in visible paint to stand as a record in case of an emergency. Dwellers in the Indian reservation across the river are barred from Arizona territory this morning. Dr. E. L. Stam, Arizona quarantine officer, last night announced that these would be permitted to come to Yuma to engage in their daily tasks, but after his statement a telegram was received from El Centro, California, authorities would permit no quarantine barrier to be erected by Arizona on the California side, and Dr. Stam revoked his permit to the trans-river dwellers.

SACRAMENTO, April 22.—A protest against the establishment of a foot and mouth epizootic quarantine line in California along the western boundary of the Yuma Indian reservation was telegraphed today to Secretary Wallace of the department of agriculture by Governor Richardson of California.

SACRAMENTO, April 22.—To stop automobile tourists at the west boundary of the Yuma Indian reservation "would be inhuman as there is neither food, water nor shelter available at this point," the governor declared.

MEDFORD, April 22.—Dr. W. H. Lytle, state veterinarian, on his arrival here today said that he will establish a fumigation tent at the base of the Skitkyou mountains for hoboes traveling on Southern Pacific trains from California. He declared local peace officers would assist in rounding up the tramps whom he considers dangerous carriers of the foot and mouth disease.

WASHINGTON, April 22.—The department of agriculture will take entire charge of the foot and mouth disease situation in California, as requested by the governor of California today. Dr. U. G. Houck of the bureau of animal industry will be in full charge of the work with headquarters at Sacramento.

Miss Margery M. Smith of Corvallis, of the extension service department of the Oregon Agricultural college, is spending a few days in this city in the interests of the department.
