## ART DISEASE IS FATAL TO DESIGNER

Associated Press (Leased Wire.)  
NEW YORK, April 24.—Arrangements were being made today for the funeral of Bertram G. Goodhue, New York architect, who designed the Nebraska state hospital building, who was one of the most prominent exponents of the skyscraper in New York. He died suddenly of a heart attack at his home tonight.

ic engraving on the door aroused some indignation among many of the clergy and church goers, who, after they discovered the design, protested that it was false in spirit. Mr. Goodhue was also a writer and in addition to many magazine articles was the author of "Mexican Memories."

# AMAIZO OIL

## Makes Excellent Salad Dressings Quickly, Easily, Economically—and it never curds!

**MAYONNAISE**  
1 teaspoon salt 2 tablespoons vinegar or lemon juice  
1 egg yolk  
1/16 teaspoon cayenne pepper 1 cup Amaizo

Have utensils and ingredients cold. Put egg yolk and seasoning into shallow dish or into bowl if egg beater is used; mix in about a teaspoon of vinegar or lemon juice; add Amaizo and remaining vinegar, beating until all the vinegar and Amaizo are added. Mayonnaise made with Amaizo thickens quickly and with no danger of separating. A larger quantity of mayonnaise can be made up in this way by using the same foundation of one egg yolk and adding Amaizo until desired quantity is made. This dressing will be very thick but can be kept covered in a cold place for several days. If it is too stiff thin with lemon juice or vinegar just before serving.

**THOUSAND ISLAND DRESSING**  
To each cup of Mayonnaise take the following:  
2 tablespoons chopped green peppers 1 teaspoon Worcestershire sauce  
2 1/2 tablespoons chopped pimientos 1 tablespoon tomato catsup  
1 teaspoon onion juice 2 tablespoons chili sauce  
1 hard cooked egg, chopped fine 1/2 cup whipped cream

Mix the first seven ingredients; add salt if necessary; mix thoroughly with the mayonnaise and fold in the whipped cream. Serve ice cold on lettuce or other salad greens or use as cocktail sauce.

Send for the Amaizo Cook Book—It's FREE.  
Address: 111 W. Monroe St., Chicago, Ill.

**MARRIED TWELVE YEARS BEFORE BABY CAME**  
Gladly Recommends Lydia E. Pinkham's Vegetable Compound

Louisville, Nebraska.—"I was married twelve years before my boy was born. I had a lot of female troubles and had been treated by a physician for them but they continued much the same. Then I read your advertisement in the newspaper and thought I would give Lydia E. Pinkham's Vegetable Compound a good trial, for if it had helped others, why not me? I have taken 36 bottles of the medicine and am never without it in the house. My baby boy is three years old now and I sure am happy since I got relief from my troubles. When any one has troubles like mine, or any ways like mine, I am always glad to recommend the Vegetable Compound so that they will get the right kind of medicine."—Mrs. Joe Novak, Box 622, Louisville, Neb.

"I cleared my land at lower cost by using PACIFIC STUMPING"

ACRES of land now in profitable crops where nothing but stumps grew before—that is what Pacific Stumping did for me and did it at lower cost.

Many ranchers around here say this from actual experience. Pacific Stumping gives you one-half more powder for your dollar—shoots stick for stick with any standard stumping powder, but you get 14 sticks of Pacific Stumping as against 100 sticks of the others. It will not freeze or give you a headache from handling.

We sell Pacific Stumping and other Dupont dynamites. See us before buying your next supply.
