BOYS' WEEK TO BE OBSERVED

Picnic to Be Provided on Friday and Educational Trip on Saturday.

PARADE IS PLANNED

Boys Will March From High School Friday Night Led By Juvenile Band—Sports Arranged.

Boys' week will be observed throughout the nation starting tomorrow. In practically every country in the land boy life and boy activity will be stressed from the pulpit and attention given to the endeavors in which the boys are engaged. The Roseburg ministers are cooperating in this movement and sermons in the local churches will follow the same line as in the many other localities.

Locally the observance of the week is being sponsored largely by the Rotary and Kiwanis clubs. They are receiving a great deal of assistance from many citizens who do not belong to either organization, and the very best of cooperation has been met with at every turn.

During the week the subject will be stressed in the meetings of the meetings of the organizations, and on Friday the boys are to be shown a real live time in the form of a picnic at Laurelwood. The boys will meet at the high school and at 5 o'clock will march through the main streets led by the boys' band. At Laurelwood a baseball game will be played between the boys and their dads, and the older men will vie with the youngsters in many athletic sports. This part of the program is under the direction of G. C. Finlay. The picnic is being arranged by John Runyan and his committee, G. L. Johnson is to arrange for the eats, which will be plentiful.

Saturday will be a day which no boy in Roseburg should miss. The boys will assemble at the high school early in the morning and will be divided into groups of about ten each, and every group will be headed by some man who will pilot the youngsters through the various industrial plants of the city. John Farrington and a committee of 17 men are arranging this trip.

The telephone company is to have two engineers here to show the boys through the local exchange and explain its workings in detail. The boys will visit the railroad yards, soda works, creamery, prune packing plants, flour mill, power station, and many other of the plants of this kind, and will also be shown through the county and city offices.

Those in charge of the observance of the week are trying to stimulate greater interest in the boys and hope that the event will grow each year. The public, it is believed, should give more attention to the boys, and this means is taken of calling the attention of the citizens of this country to the duty they owe to the boys who are soon to take over the management of city, county, state and national affairs.

Judge Harry Bell, candidate for the state supreme bench, spent last night in Roseburg on his way south to Medford.

Mr. and Mrs. O. E. Lent, of Portland, are visiting with their daughter, Mrs. Carl Wimberly. They will remain over Sunday and will attend the bridge dedication.

PLACES NEW EMBARGO

(Associated Press Leased Wire.) OTTAWA, April 26.—The department of agriculture today placed an embargo on the importation into Canada of horses from California, Nevada and Oregon and on animals which have been in those states at any time within two months preceding their offer for entrance into the dominion. Presence of the foot and mouth disease in California was given as the cause of the embargo.

FROST DOES DAMAGE

(Associated Press Leased Wire.) OLYMPIA, Wash., April 26.—Although it is too soon to estimate accurately the damage occasioned by frost in orchards of eastern Washington, the damage this year is more than usual, according to Charles L. Robinson, supervisor of horticulture. An early spring, which forced trees into bloom earlier than usual is to blame, rather than late frosts, he said.

RADIO IS USED TO HUNT SLAYER

(Associated Press Leased Wire.) PORTLAND, April 26.—Use of the radio in hunting the slayer of Martha Grate, who was choked and stabbed to death here Tuesday today brought a clue to aid the police. O. Voget, of Hubbard, Oregon, who said he heard the description of the slayer suspect broadcast by wireless, reported to detectives that a man answering the description inquired of him Wednesday directions to the dirt road between Salem and Hubbard. Voget said the man declared he preferred traveling on the dirt road rather than on the pavement.

TRACING KILLERS OF BEND TRAPPERS

(Associated Press Leased Wire.) BEND, April 26.—Shortly after January 15, believed by officers to be the date of the murder of the trappers, Ed Nichols, Roy Wilson and Dewey Morris, two men stopped at a cabin on the south fork of the McKenzie river, just over the divide of the Cascades from where the men were killed, it was reported to Sheriff S. E. Roberts by Arthur R. Ronoy of Foley Hot Springs. The two men stole food from this cabin, according to Rooney and headed for Lowell, also on the south fork of the McKenzie. The men could have reached Portland easily from Lowell, he said.

The sale of the fox furs in Portland, shortly after the date of the murder of the trappers makes it apparent, believe officials that the slayers crossed the Cascades to the Willamette valley.

Picnic Supper Surprises Mrs. Bubar

To surprise and honor Mrs. Paul Bubar, the Book Club planned a picnic at Winchester on Tuesday evening, serving a delicious supper to which Mrs. Bubar was brought after all preparations were made. After dinner, the group motored to the Bubar home, and played cards for several hours. Enjoying the occasion were Mr. and Mrs. C. S. Heinline, Mr. and Mrs. John Enger, Mr. and Mrs. W. H. Fisher, Mr. and Mrs. Washington Hughes, Mr. and Mrs. J. E. Runyan, Dean Bubar, Mrs. Bubar, Mr. and Mrs. William Bell, and Mr. and Mrs. Paul Bubar.

Here From Portland

C. H. Springer, of Portland, was a business visitor in Roseburg today.

Arrive From Los Angeles

Cecil Black and Claud Crocker arrived here yesterday in the former's car from Los Angeles where they have spent the last seven months. They will probably remain here permanently. The two boys passed through Dunsmuir yesterday when the fire was destroying the business section of that city and spent two hours there fighting the flames.

COOLIDGE MAY VETO THE BONUS

(Associated Press Leased Wire.) WASHINGTON, April 26.—A likelihood that President Coolidge will veto the bonus bill when it is submitted to him by congress, probably within a week, is seen by a number of White House callers in his endorsement yesterday of views expressed by Senator Borah, republican, Idaho, during an address in the senate Tuesday in opposition to the measure. The president made it clear that his agreement with the Idaho's senators arguments was not connected with the paid up insurance plan which formed the basis of Mr. Borah's discussion, or with any other particular bill, but that he regarded the address as being in line generally with his own opinion as to the desirability of economy in government expenditures. His visitors however interpreted his remarks as to indicate that he also agreed with the senator's stand against the bonus measure.

Senator and house conferees will meet Monday to seek adjustment of differences between the two chambers over certain provisions. Many of the conferees think one day will be sufficient to get together on the measures and leaders generally have declared that, even if the president should veto the bill, it can be re-enacted easily with the required two thirds majority.

200 KOREANS ARE DROWNED BY WRECK

(Associated Press Leased Wire.) TOKIO, April 26.—Two hundred Korean students were drowned off the west coast of Korea near Chinsampo when a steamship taking them for a visit to a group of Japanese destroyers anchored off shore, collided with one of the destroyers and capsized, according to dispatches today from Seoul. The steamer sank quickly and owing to a rough sea only a small number of the students aboard could be saved.

RUPTURE EXPERT

FOR MEN, WOMEN AND CHILDREN  
Coming to Roseburg

Representing W. S. RICE Adams, N. Y.

The Rice Rupture Method Expert, C. W. Miller, personal representative of William S. Rice, Adams, N. Y., will be at the Grand Hotel, Roseburg, Ore., Monday, April 28, and at Holland Hotel, Medford, Ore., Wednesday, April 30.

Every ruptured man, woman, and child should take advantage of this great opportunity.

The Rice Method for Rupture is known the world over.

You can now see this Method demonstrated and have a Rice Appliance fitted to you. Absolutely no charge unless you

are satisfied to keep the Outfit after having the Appliance adjusted and you see how perfectly and comfortably it holds. No harsh, deep-

pressing springs; nothing to gouge the flesh and make you sore. Can be worn night and day

with positive comfort. Soft, rubber-like composition pad, any degree of pressure required.

Don't wear a truss all your life when thousands have reported cures through using the Rice Method. Why suffer the burden of rupture if there is a chance to be free from truss-

wearing forever? Anyway, it will cost you nothing to come in and learn all about the Rice Method and the wonderful opportunity for help and cure it offers in your case. Remember the Expert will be there

only one day, then your opportunity will be gone. Just ask at the hotel desk for the Rice Expert and he will do the rest. Call any time from 9 to 12 a. m., 2 to 5 p. m., or 7 to 9 evenings.

Don't miss this great opportunity to see the Expert on Hernia.
