(Associated Press Leased Wire.)
A. Ga., April 29.—Earl Agee spent the day in Roseburg transacting business. Mr. Agee is from Greens.

BIBLIOPHILES ARE GIVEN SOME CHEER

(Associated Press Leased Wire.)
WASHINGTON, April 30.—Papers relating chiefly to the medical sciences including one by Dr. Raymond Pearl of Johns-Hopkins university, presenting "expectation of life" on tables of users of alcohol calculated in the same manner as life insurance mortality tables, were read today at the concluding sessions of the annual meeting of the national academy of sciences.

"Steady drinkers," Dr. Pearl said, "have a better expectation of life at all ages from thirty on than do total abstainers."

His tables, he explained, were based on data including "exact records as to the drinking habits of thousands of persons throughout their lives," and covering more than 150,000 person-years "exposure to risk."

The difference in the life expectations of steady drinkers and total abstainers he said, "are not very great, but there is a distinct and well marked advantage in favor of the moderate steady drinkers. 'Heavy drinkers,' he continued, "have the poorest expectation of life at all ages after 30 in the case of females and at all ages after 30 and up to about 65 in the cases of males."

From about 65 of the heavy drinking males and total abstaining males have about the same expectation.

(Associated Press Leased Wire.)
UNION SPRINGS, April 30.—Three negroes and one white baby were killed and several persons injured by a tornado which struck Thompson's station, about nine miles west of here today.

(Associated Press Leased Wire.)
ATLANTA, Ga., April 30.—Thirty five deaths were reported today, more than 87 persons were injured and three were missing in a score of tornadoes and winstorms that swept over the southeastern states. Severe storms were reported in various parts of Louisiana, Alabama, Georgia and South Carolina this afternoon.

(Associated Press Leased Wire.)
CAMDEN, S. C., April 30.—Reports received here today are that ten or eleven persons were killed and 35 injured by a tornado early today near Daisel and Horatio, two small towns between Sumpter and Camden.

(Associated Press Leased Wire.)
KOCLO, Ala., April 30.—A tornado struck the outskirts of this place today killing two negroes and causing the injury of two white persons and a large number of negroes.

(Associated Press Leased Wire.)
ATLANTA, Ga., April 30.—Reports received today listed fifty three known deaths in the series of tornadoes that struck the southeast today. Approximately 130 persons were reported as injured. Five were said to be missing.

(Associated Press Leased Wire.)
LA FAYETTE, La., April 30.—One woman was killed, another injured and an infant blown away by a tornado which struck Welch, 19 miles north of here today. Several other persons reported injured and property damage is reported.

(Associated Press Leased Wire.)
SUMPTER, N. C., April 30.—Eleven persons, ten of them negroes, are known to have lost their lives and others are believed to have been killed in a tornado which swept the western part of Sumpter county today.

(Associated Press Leased Wire.)
COLUMBIA, S. C., April 30.—Twenty five persons are believed to have lost their lives in the Horrell Hill section today as a result of a tornado which wrecked the Horrell Hill high school and swept through the county. Nine bodies have been recovered.

(Associated Press Leased Wire.)
Earl Agee spent the day in Roseburg transacting business. Mr. Agee is from Greens.

MORE HOOF AND MOUTH

(Associated Press Leased Wire.)
SACRAMENTO, April 30.—Three new cases of foot and mouth disease all in closely quarantined districts, were reported to the state department of agriculture today.

URGE RESIDENTS TO PAINT HOMES

Paint-Up Campaign Launched By the City Beautiful Commission.

MAYOR ADDS TO APPEAL

Asks Citizens of City to Give Fullest Cooperation to the Commission Which is Praised for Efforts.

An appeal to the residents of Roseburg to aid the city beautiful commission has been made by Mayor N. Rice. The commission has set the month of May as a time for a paint-up campaign and has appointed chairmen in nearly every block in the main business part of the city, and throughout the residence districts, to take charge of the drive. Local firms handling paint and supplies, have agreed to make special rates during this period to beautify the block in which his bank is located, started the painting on the Churchill building, which the bank owns. It is expected that nearly every business house which has not been recently painted will be so improved during the coming month.

Mayor Rice appeals to the citizens to aid the commission by cooperating with it in this request for a general paint-up.

"Since our city beautiful commission has set 'May 1 for paint-up day, let us all work together," Mayor Rice says. "It is everybody's job. Every man, woman, and child will be expected to help. Our city, clean and beautiful, is soon to become a reality by the cooperation of all. You will soon see the rubbish piles vanish, roses and shrubs growing where weeds formerly grew, lawns in parkings which in times past were bare, and unsightly buildings painted. It will so inspire the respect of all that it will not revert to its former disorderliness."

"You will be proud of your home town. You will enjoy life, and find pleasure in doing the little things which build up and beautify your property and to that of your neighbors."

"Give the committees who have this work in charge a helping hand, encourage their work, and assist them in every way you can. They have worked faithfully and hard, and have accomplished a great deal. The work of the various committees is being noticed everywhere and is still being carried on with more vim and vigor than ever—not stopping when one thing is done, but moving on looking for more. By their efforts people are noticing unsightly places, which for years they have passed by without a thought, but are now asking that the places be improved."

"What this city beautiful commission has been worth to Roseburg cannot be estimated in dollars and cents. It has done much which the city could not have hired done. Therefore, give the commission the credit which they deserve, and give them your support. By so doing you are helping yourself and your home town."

"In behalf of the city, I want to say to you who have this work in hand that our city does appreciate what you have done. I regret that I cannot find words to fitly express my personal thoughts, but I am more than grateful for the work you are doing for our city."

REDS TO CELEBRATE MAY DAY IN MOSCOW

(Associated Press Leased Wire.)
MOSCOW, April 30.—Elaborate preparations are being made for a great May Day celebration. The city is decorated with red bunting and flags, flaming pictorial placards and lithographs of Lenin and Carl Marx. Platforms have been erected for Soviet orators who will address the crowds.

The keynote was sounded by War Minister Trotsky in a two hour speech in the Grand Theatre Monday when he said:

"The principal purpose of May Day should be an unremitting struggle against militarism but the question of safeguarding the soviet republic is the vital one of the hour. We must therefore regard this day as the great holiday for our army and navy."

AGREE ON BONUS

(Associated Press Leased Wire.)
WASHINGTON, April 30.—Agreement was reached today by senate and house conferees on differences over the soldier bonus.

Most of the provisions in dispute were of a minor nature and early ratification of the conference report by the senate and house was predicted by the conferees who agreed unanimously on the report. The bill then will go to the president.

EMBARGO EXTENDED

(Associated Press Leased Wire.)
PIERRE, S. D., April 30.—Wide extension of the embargo prohibiting to South Dakota entrance of livestock from California because of the foot and mouth disease in that state was made today in a new quarantine order issued by Dr. J. E. Phelps, superintendent of the Livestock sanitary board.

CAMP GROUND TO BE INSPECTED

Dr. Hunt Appointed to See That No Garbage Is Fed to Livestock.

COURT ADOPTS ORDER

County Court Insists That Any Garbage Fed to Hogs Be Boiled and All Other Refuse Be Burned.

Dr. R. E. Hunt, local veterinarian was today appointed by the county court to inspect auto camp grounds throughout the county and see that all garbage is disposed of according to the court's order which requires that such refuse be boiled or burned before being fed to poultry or stock.

It has been reported to the court that many tourists from California are bringing estates of various kinds with them and that often times such articles are thrown in the garbage cans in the camp grounds along the highway. The owners of these camp grounds dispose of the larger part of their garbage by feeding it to poultry or hogs, and in this way there is a possibility of the hoof and mouth disease being brought into the county.

The county court, county health officer and county agricultural agent have been conferring regarding the proper action to take, and have determined to appoint an inspector who will see that all refuse is burned and that all scraps fed to poultry or hogs shall be properly boiled before feeding in order to destroy any germs of the disease. In this connection the county judge has issued an order appointing Dr. Hunt to inspect these places as a representative of the sanitary board, while Dr. Belt, the county health officer, will see that the camps are kept in a sanitary condition.

Notices are being printed today and will be taken out tomorrow and posted in every camp ground and the owners will be personally notified. A severe penalty will be provided for violations of the court's emergency order.

\$50,000 COW HAS BEEN CONDEMNED

(Associated Press Leased Wire.)
LOS ANGELES, April 29.—Tillie Alcarra, the \$50,000 cow, condemned to die when foot and mouth infection was found in the herd of which she is a member at the Hartsook farms, Lankershim, near here, today received one day's reprieve. It was announced by the inspectors fighting the epizootic.

NATIONAL GUARD COMPANY LAUDED

Chamber of Commerce Directors Place Organization Behind Militia.

URGE ENLISTMENT

Appeal to Young Men of City to Join Local Company—Parents Asked to Give Their Consent.

At a meeting of the directors of the Roseburg Chamber of Commerce yesterday afternoon, a resolution was unanimously adopted commending the National Guard and encouraging the young men of the city to enlist in the local company. The local guard company is very active and is now preparing for the annual summer encampment. A few places are still open, and an effort is being made to enlist to full strength before the camp. The Chamber of Commerce directors feel that the guardsmen should be given the whole-hearted support of the residents of the city and to that end state their own position in the following resolution.

Whereas, the defense of our country an duty of every true American citizen, and

Whereas, the present plan of national defense requires the formation and maintenance of a National Guard in each and every state, which organization, in a time of national crisis, will be the first major line of defence between our citizens and its foes, and

Whereas, it is a well known and indisputable fact that the training—moral, mental and physical—gained by service as citizen soldiers in the National Guard, makes for better manhood and citizenship, and

Whereas, the future safety and well-being of the people of the United States may, at any time, depend upon the military efficiency of our National Guard, now therefore be it

Resolved, by the Chamber of Commerce of Roseburg that we wholeheartedly pledge our faith in and united support to our local company of the Oregon National Guard that we believe that those loyal and patriotic young Americans who compose that organization are entitled to the respect, confidence and support of every loyal American citizen, that we urge the eligible young men of our city and county to join with their comrades therein as a duty they owe to themselves and their country, that we urge the parents and employers of those young men who are considering enlistment in our unit of national defense to not withhold their consent but rather to do everything in their power to assist these young men in doing their duty by their country, and be it further

Resolved, that this resolution be spread upon the minutes of the Chamber and that a copy thereof be handed to the local press that the public in general may know the position of the chamber upon this vital subject.

Dated April 29, 1924.
CHAMBER OF COMMERCE OF ROSEBURG
By A. F. SETHEL, President.
Attest: Wm. E. Holbein, Secretary.

RESIGNATION OF RICHARD ACCEPTED

(Associated Press Leased Wire.)
NEW YORK, April 30.—The resignation of Vincent Richards from the American Davis cup and Olympic teams has been accepted conditionally by George W. Wightman, president of the United States Lawn Tennis Association. It was announced today.

Mr. Wightman informed Richards he would accept the resignation until such time as the Davis cup committee may consider it.

BIG FREIGHT WRECK AT SALEM THIS A. M.

SALEM, April 30.—Thirteen freight cars up-ended, splintered, demolished; their cargoes strewn over a wide territory, were visited by thousands of persons here this morning. The cars were wrecked, about 2 o'clock this morning, when an arch broke on a set of trucks on the second section of number 221, Southern Pacific southbound, about 150 yards north of the Valley Packing plant. The damage was estimated by railroad officials at \$2,000. No one was hurt.

HUNGARIANS SHOW GOOD WILL TO U. S.

(Associated Press Leased Wire.)
WASHINGTON, April 30.—Two of the masterpieces of Julius Berezedy, Hungarian sculptor, were presented to President Coolidge by the Hungarian-American Society and other Americanized Hungarians as an expression of the kindly feeling of the Hungarian people for the United States.

ADMIRAL SAYS NAVY FLEET IS DEFICIENT

(Associated Press Leased Wire.)
WASHINGTON, April 30.—Serious deficiencies in the United States fighting fleet mobilized in southern waters last winter were reported by Admiral Robert Coontz, in his official account to the navy department of what was demonstrated during the maneuvers.

FRANKLIN ROOSEVELT TO WORK FOR SMITH

(Associated Press Leased Wire.)
NEW YORK, April 30.—Franklin D. Roosevelt, former assistant secretary of the navy was today chosen chairman of a state committee which will promote the candidacy of Governor Alfred E. Smith for the democratic presidential nomination.

(Associated Press Leased Wire.)
WASHINGTON, April 30.—Representative Harold Knutson of Minnesota, and Leroy M. Hull, a Washington government clerk, were placed on trial in Arlington county, Virginia, today charged with a serious offense growing out of an auto ride several weeks ago.

CALVIN COOLIDGE AND JIM COX WIN

President and Former Candidate Win Sweeping Victories in Primary Vote.

HI JOHNSON DEFEATED

Former Attorney General, Harry Daugherty, Elected Member of Coolidge Slate of Delegates.

(Associated Press Leased Wire.)
COLUMBUS, O., April 30.—Both President Coolidge and former Governor James M. Cox, of Ohio, democratic candidate for president in 1920, won sweeping victories in Ohio's primary elections yesterday. The vote, however, probably was the lightest ever cast in an Ohio primary election. It was officially estimated at about 18 per cent of the potential vote.

President Coolidge not only won the state's 51 delegates to the national convention but also was given better than a six to one endorsement over United States Senator Hiram Johnson of California in the presidential preference contest.

Mr. Cox probably will go before the democratic national convention with his home state's 48 votes pledged to support him and backed by a two and a half to one endorsement of his party over William G. McAdoo. His probable 48 votes will be represented by 52 delegates, the eight delegates at large each having a half vote.

Former Attorney-General Harry M. Daugherty, defeated four years ago for delegate at large by almost 1,000 votes, yesterday was elected a member of the Coolidge slate of delegates at large but probably was low member of the slate. He, however, won over the highest Johnson delegate by about 4 to 1.

Women delegates trailed the lists in every instance, except on the Coolidge slate, where they probably have beaten out former Attorney-General Daugherty.

E. H. Moore of Youngstown, who managed Mr. Cox's pre-convention campaign four years ago, was elected district delegate in the 19th district and probably will be a candidate for national committeeman, taking an active part in Mr. Cox's campaign for the presidential nomination again this year.

On the delegation with Mr. Moore will be the former governors of the state, Judson Harmon of Cincinnati and James E. Campbell of Columbus, and former Secretary of War, Newton T. Baker.

Mr. Harmon was leading the list of Cox delegates at large by a slight margin over former United States Senator Atlee Pomerene when almost half the precincts of the state had reported.

The vote in 1684 precincts in the presidential preference contest out of a total of 8030 precincts in the state, showed President Coolidge leading Senator Johnson by more than 100,000 votes and former Governor Cox leading Mr. McAdoo by almost 35,000 votes. The vote in 654 precincts was: Coolidge 127,654; Johnson 20,937; Cox 55,846; McAdoo 21,214.

President Coolidge carried every county in the state by majorities ranging from a little more than three to one in Cuyahoga county to as high as twenty to one in some smaller rural counties.

Mr. Cox apparently has not been so fortunate as he probably will be forced to yield a few of the smaller counties to Mr. McAdoo. Incomplete returns indicate that McAdoo probably has carried Lawrence, Portage, Vinton and Harrison counties, with a fighting chance in a few other small counties.

United States Senator Simeon D. Fess was leading the Coolidge slate of delegates at large in 4918 precincts with his colleague, Senator Frank B. Willis, running a close second.

(Associated Press Leased Wire.)
COLUMBUS, Ohio, April 30.—Returns tabulated by secretary of state Brown at noon today increased the sweeping leads of President Coolidge and former Governor James M. Cox, democratic candidate. With nearly 7,000 precincts unofficially reported, Coolidge had 114,046 votes as against 23,342 for Senator Hiram Johnson, Cox's vote in the same number of precincts was 62,616, as compared to 23,574 for William Gibbs McAdoo.

(Associated Press Leased Wire.)
WASHINGTON, April 30.—The annual Strawberry Carnival will be held in Roseburg May 22, 23 and 24, and that you are expected to boost it.
